Editorial Board: Volume 20, Number 1

The Jefferson Journal of Psychiatry is published by the Department of Psychiatry and Human Behavior of Thomas Jefferson University Hospital in Philadelphia. Its mission is the publication of clinical research and clinical writing by residents in psychiatry everywhere, a mission, so far as we are aware, that is unique among psychiatric journals. The editorial board, other than an advisor from the Department's faculty, is composed entirely of residents, including the editor-in-chief.
