Diversity & Inclusion Structure

People in the News

Edith Mitchell, MD: Dr. Mitchell is the current president of the National Medical Association. The NMA is the largest organization of Black Physicians in the country. Dr. Mitchell is Clinical Professor of Medical Oncology at SKMC and is highly-accomplished researcher in the area of cancer and health disparities.

Jerry McCauley, MD: Dr. McCauley, Director of the Division of Nephrology, in his work with the United Network for Organ Sharing, has eliminated the health disparity between racial class and the ability to receive organ donation.

Elizabeth Sophy: Elizabeth presented her work, "Direct from Students: Ideas to Improve Diversity Education at Sidney Kimmel Medical College" at the Society for Teachers in Family Medicine conference in February 2016. She is a third year medical student at SKMC.

Ambassador Andrew Young being interviewed by student Peter Salam Beah and President Klasko for MLK Jr. Day.

Salam Beah: To honor Dr. Martin Luther King, Dr. Steve Klasko, President and CEO of TJU and Jefferson Health, hosted Mr. Andrew J. Young, the former US Ambassador to the United Nations and one of the iconic civil rights proponents. Salam, a second year medical student at SKMC, had the honor of interviewing Mr. Young at the Jefferson sponsored event on Wednesday, January 27.
