PubMed includes citations back into the 1940s. IndexCat covers 1880-1961: <http://www.indexcat.nlm.nih.gov/>

Also consider the medical and nursing literature. For example, the *Journal of the American Medical Association (JAMA)* is available back to 1883.

Find books from a given date range using the "year" field in the advanced search in the Library Catalog.

Ask a librarian for additional help: at the Service Desk on the 2nd floor, 215-503-6994, or askalibrarian@jefferson.edu.

Locating Books at the Scott Memorial Library

1. Select the **Find** tab and **Books & eBooks**:

The screenshot shows the Scott Memorial Library homepage. The navigation bar includes Home, Find, Borrow, Technology, Publishing, About Us, and Get Help. The 'Find' menu is open, showing options like Books & eBooks, Journal Titles, Databases, Clinical & Drug Information, Historical Collections & Exhibits, Images, Videos, Apps & Models, Jefferson Publications, Datasets, Grants & Funding Opportunities, CINAHL, Google Scholar, Lexicomp, Ovid, ReWorks, Scopus, UpToDate, and More... A green arrow points to the 'Books & eBooks' option. The main content area features a search bar with a 'Find' button, tabs for eBooks, PubMed, and Google Scholar, and sections for Key Services and Quick Links.

2. The **LIBRARY CATALOG** link will display on this resultant page:

The screenshot shows the 'Books & eBooks' page. The navigation bar includes Home, Find, Borrow, Technology, Publishing, About Us, and Get Help. The 'Find' menu is open, showing options like Books & eBooks, Journal Titles, Databases, Clinical & Drug Info, Historical Collections & Exhibits, Images, Videos, Apps & Models, CINAHL, Google Scholar, Lexicomp, Ovid, ReWorks, Scopus, UpToDate, and More... A green arrow points to the 'LIBRARY CATALOG' link. The main content area features a search bar with a 'Find' button, tabs for All Books, eBooks, Print, and Leisure, and a section for Course Reserves.

3. The **Advanced Search** option is located by hovering over **Search** (date range option is displayed):

The screenshot shows the Jefferson library website's search interface. The top navigation bar includes 'Start', 'Search', 'Lists', 'My Account', and 'Help'. The 'Search' menu is open, displaying options: 'Simple Search', 'Browse Search', 'Advanced Search', 'My Searches', 'Special Searches', and 'Course Search'. The 'Advanced Search' option is highlighted. Below the menu, there are search input fields for 'Title', 'Author', and 'Subject', each with a dropdown menu set to 'AND'. A 'Search' button and a 'Start Over' button are visible. The 'Year' field is highlighted with a green arrow, showing a date range example: 'Example: 1973 - 2011 (Range)'. Below the 'Year' field, there are checkboxes for 'Linked media (e.g., images, sounds, etc.)' and 'Faceted search'. The 'Matching' dropdown is set to 'Match ALL Keywords'. The 'Hide search options' link is also visible.

Locating OT Journals at the Scott Memorial Library

1. Select the **Find** tab and **Journal Titles**:

The screenshot shows the Scott Memorial Library homepage. The 'Find' tab is selected in the navigation bar. A dropdown menu is open under 'Find', with 'Journal Titles' highlighted by a green arrow. Other options in the menu include Books & eBooks, Databases, Clinical & Drug Information, Historical Collections & Exhibits, Images, Videos, Apps & Models, Jefferson Publications, Datasets, and Grants & Funding Opportunities. Below the menu, there are buttons for 'eBooks', 'PubMed', and 'Google Scholar'. A search bar with a 'Find' button is visible. To the right, there are 'Quick Links' for JEFFMAIL, BLACKBOARD, FIND PEOPLE, UNIVERSITY ARCHIVES, and RAP. Below that, there is an 'Information for:' section with links for Clinicians, Faculty, Nurses, Researchers, and Students. A 'Key Services' section is also visible, listing services like Order Books & Articles, Printing & Copying, Reserve a Study Room, and Jefferson Digital Commons.

2. The **Advanced Search** link is displayed:

The screenshot shows the 'Journal Titles' page. The breadcrumb trail reads 'HOME > FIND > JOURNAL TITLES'. The 'Find' menu is open, with 'Journal Titles' selected. A search bar with a 'Find' button is present. A green arrow points to the 'Advanced Search' link located below the search bar. The page title is 'Journal Titles'.

3. Advanced Search Page: Select **Health & Biological Sciences** from **Browse e-resources by subject** and **Search**:
