Dear Alumni,

My first two years as your president have passed quickly. Thank you for the confidence you have given me by reelecting me. By the time you read this you will have had the chance to vote on some of the issues which were brought up on Alumni Day. I sincerely hope you will all give us some good feedback.

1982 and the actual closing of our diploma school of nursing is just around the corner!

Wishing you all the very best,

President

Dear Alumni,

We are happy to report that as of August 15, 1980 we have received 1558 returns to the questionnaire mailed in July. This represents a response of over one third and is considered an excellent result.

The responses to the five questions in the questionnaire are by a large margin "yes," this indicates that:

1. You do not wish the Baccalaureate Nursing Program to be known as the "School of Nursing" because this title has belonged to the Diploma Program since 1891.
2. The monies accumulated by the Alumni Association over the years are to be retained for the use of our Alumni as set up by our By-Laws.
3. We continue to have an Alumni Room.
4. We continue to have our Annual Alumni Day.
5. We continue to publish an Annual Bulletin.

In addition to the above, the following questions have been presented and we will make every effort to answer them to your satisfaction.

Q. Why does The Allied Health Review have the initials DN after the diploma names?
A. This is done to identify the program since there are nine programs in the College of Allied Health Sciences, i.e., CT — Cytotechnology, MT — Medical Technology, etc.

Q. Will the Diploma Program graduates be able to obtain a degree in conjunction with the new nursing program?
A. For information on this subject please write to the Office of the Registrar, College of Allied Health Sciences, 1020 Locust Street, Philadelphia, PA 19107.

Q. How will we be able to obtain pins, caps, transcripts and references?
A. For this information refer to the last page in this Bulletin. As the changes occur in the phasing out process you will be kept informed through the Bulletin or by special mailings.

Q. What positions will be available to graduates of the Diploma Program who are not presently working, but may wish to return to nursing after families?
A. We are all proud of being a part of it. This is certainly evidenced by the continuing loyalty, interest and support for the Alumni Association, which is made known through communications from you. We hear not only from our younger graduates but also from our golden aged, some are ninety plus years young.

Q. What is the job outlook for the graduate of the Diploma Program who does not have a B.S. in Nursing?
A. Literature indicates that in many positions experience and a good work record are of prime importance, when an applicant is looked at for hire. However, because of the future trends in nursing it would certainly be advisable for the young graduate, with many work years ahead, to seek a B.S. in Nursing.

Q. Why is the Diploma School of Nursing being phased out?
A. This was elaborated on in the 1979 Bulletin in the articles written by Lewis W. Blueleme, M.D., President, Thomas Jefferson University, and Albert E. Bowman, Director, School of Nursing. After re-reading both articles, one of the chief reasons for the phasing out is that not enough qualified young people are seeking admission to the program. If you have the 1979 Bulletin I would suggest that you re-read both articles.

Q. What about the future employment of the present nursing school instructors?
A. This is difficult to answer; but, no doubt, some will seek employment elsewhere and some will transfer to other positions in the University.

Q. Will we have a merged alumni association and will we still be considered graduates?
A. By virtue of the fact that we graduated from Jefferson we are members of one Alumni; however, as of now and in the foreseeable future, we, the Diploma graduates, plan to retain our identity as the Alumni Association of the Diploma Nursing Program. You will always be a graduate of the Diploma Program regardless of what other letters you place after your name.

The Diploma Graduates have a rich heritage and I am sure we are all proud of being a part of it. This is certainly evidenced by the continuing loyalty, interest and support for the Alumni Association, which is made known through communications from you. We hear not only from our younger graduates but also from our golden aged, some are ninety plus years young. I hope this lengthy message has answered some of your concerns.

God bless you all.

Sincerely yours,

Margaret Summers
Second Vice President

SCHOOL OF NURSING

ANNUAL REPORT TO THE ALUMNI ASSOCIATION 1979-1980

It seems like only yesterday that I was informing you of the idea to close our school of nursing by 1982. As mentioned at that time, this was not an easy decision for us to make but, we felt, a timely one. The two major reasons being, first, the recommendations of our professional organization that by 1985 the entry level for the professional nurse would be the baccalaureate degree, and second, the decreasing number of qualified applicants being attracted to our school.

We continue to receive letters from our graduates and others in support of the school and expressing regret at our closure. It has been rewarding to us to receive such documentation of support for our program.

In September, we will not be taking a new class and during June and July, we will be saying farewell and "Thanks for a job well done" to a third of our faculty members, some have been with us many years and have contributed considerably to the development of the school. These include the following:

- Eva Bayard — 5 years
- Joyce E. Brown — 5 years
- Janice Cranmer — 5 years
- Perma Davis (1941) — 18 years
- Vida Johnson — 18 years
- Linda Koloth — 4 years
- Margaret Mackenzie (1963) — 15 years
- Marilyn Miller (1955) — 10 years
- Ruth Peden — 8 years
- Patricia Zarella (1951) — 22 years

One of our last graduating classes had Commencement on June 4, 1980, in the Ballroom of the Benjamin Franklin Hotel. Seventy-four students received the diploma, and your school. Six additional members of this class have time to make up and will become members of the graduating class of June 1981.

I was reluctant to say "yes" to the class idea for a gift but finally gave in. As a result, my portrait was unveiled during Commencement Exercises and later displayed in the Scott Memorial Library. To each member of the class I gave you such a hard time about the project, that I do but appreciate your time, effort, the kind words you expressed and your just being "you." Thanks again!

Students remaining in the school for the next academic year will include sixty seniors and thirty-eight juniors. Even though our last graduating class will be small, it will be somewhat larger than the first graduating class in 1983 — three graduates.

One of our projects during the stepping down process in 1981 will be to convert our graduate records to a more compact and efficient microfiche system compatible with the College of Allied Health Sciences system. This is no small undertaking when you consider that we will have to convert over 5,000 graduate records. In 1983, all records will be transferred to the office of the Registrar, College of Allied Health Sciences.

Number one among extracurricular activities still seems to be basketball, though this year our cheerleaders were not active. Mary Ann Maxwell, '80, led this year's team to the league championship. She also was the recipient of the Thomas Jefferson Award for Athletic Achievement.

The class of 1979 should be pleased to know that our students are doing well in CPR using their gift of Resusci-Anne. Thanks for making this experience possible.

Many hours are going into the preparation of our final report for continued accreditation by the National League for Nursing. The visit is scheduled for November 10-12, 1980. When the words don't come easily and the proofreading gets to be a drag, we do succumb to asking, "Is it worth it?" Remembering our past and present commitment to excellence, the immediate answer is "Yes."

On the heels of the NLN visit will be the Middle States visit for accreditation of the University. Everyone seems to be involved in some phase of preparing that report.

You may or may not be aware that SEPTA has moved its general office (600 employees) into our building. This has required shifting of some of our departments; however, we have been assured that the school of nursing is to remain in the same location until it closes.

With the phasing out of the diploma program and the closing of the practical school, by 1982 there will only be baccalaureate programs in the college — Baccalaureate Nursing, Cytotechnology, Dental Hygiene, General Studies and Medical Technology.

Although the prospects for me in the coming year seem a bit gloomy, the numbers get smaller, the future of nursing is bright — it is yours. By basking in your reflected glory as you impact on our profession, my future brightens considerably.

ANNUAL REPORT TO THE ALUMNI ASSOCIATION
FROM THE CHAIRMAN OF THE STUDENT AFFAIRS COUNCIL
OF THE SCHOOL OF NURSING

The school year 1979-80 showed that Student Affairs Council was once again involved in many activities. Projects included fall raffles, cultural events, sporting activities and meetings.

May brought about the Senior party, which was well attended by members of all three classes. Gag gifts were awarded to members of the Senior class, illustrating outstanding characteristics displayed during their three years of dorm and class life. Pizza and soda were also provided, adding to the fun and success of this activity.

Revision of the Constitution of Student Affairs Council and the Student Handbook was the next task that the Council undertook in the spring. Members of the school also participated in the project by designing a new cover for the handbook, although it was a time consuming endeavor, incoming students found the book to be helpful in familiarizing themselves with Jefferson and Philadelphia.

An activity questionnaire was prepared by Student Affairs Council and distributed to the student body to determine activities which would be of greatest interest to them. The Student-Faculty Picnic was one such activity that was enjoyed by both students and faculty. Also, Student Affairs, along with Martin House Council, co-sponsored a Christmas Party. All who attended enjoyed roast turkey, cold cuts and rolls, cakes and cookies. We look forward to enjoying another co-sponsored party next year.

Our largest fund raising activity this year was a “Night on the Town” which included dinner and the movies for two people. Money raised aided us in enjoying a Door Decorating Contest at Christmas which provided students with a chance to have fun during the Christmas season. Until October of 1979, we also continued to sponsor Albert, an American Indian Child, through the Lutheran Services.

The School of Nursing classes also kept busy throughout the year with various activities. In order to help finance the yearbook, seniors engaged in numerous bake sales, along with candy and hoagie sales. Two raffles were also conducted during the academic year. In addition, the class participated in a blood pressure screening program held at the Federal Reserve Bank, providing health care to its employees and the public.

The senior class wishes to express its sincere thanks to Thomas Jefferson University, a portrait of Doris E. Bowman with some of the following comments:

A member of the Jefferson Medical College Hospital School of Nursing, Class of 1942, Doris E. Bowman volunteered her services as a member of the Jefferson Hospital Army Hospital — the 33th General Hospital. After basic training in Bowie, Texas, the unit was shipped to Egypt.

Discharged in 1945, Miss Bowman returned to civilian life as a private duty nurse. Then, she enrolled at the University of Pennsylvania, receiving a Bachelor’s degree in Nursing Education. After graduation, she left Philadelphia to teach Medical-Surgical Nursing, and later, Fundamentals of Nursing in a Northern New Jersey School. She returned to Philadelphia to enroll in graduate school at the University of Pennsylvania, earning a master’s degree in Education.

With her M.S. in hand, she joined the faculty of her alma mater in 1954 as instructor in Pediatric Nursing. She later became Assistant Director of Nursing and when Nursing Service and the School of Nursing became separate departments in 1958, she was appointed to the position of Director of the School of Nursing. The School continued to function under the Hospital until 1969 when it became a unit under the College of Allied Health Sciences.

COMMENCEMENT 1980

At Commencement Exercises — 1980, the graduating class presented to Thomas Jefferson University, a portrait of Doris E. Bowman with some of the following comments:

If you were to survey Miss Bowman’s family, friends and colleagues to determine her outstanding characteristics, loyalty would no doubt top the list. Her loyalty to Jefferson is beyond question. She has given of her time, talent and energy to her position.

There is always time in her busy schedule to keep in touch with alumna and former faculty and staff. Nothing pleases her more than an unannounced visit of an alumni member with a babe in arms or toddler in tow.

She delights in playing with the child — it is obvious to all who witness this that Miss Bowman has never lost her love for children.

Much of her leisure time is devoted to her family — her brother and his wife and their two children. Her recreational program includes quilting, the theatre and more recently riding a bicycle along the Ocean City boardwalk.

“The students all appreciate the quality of their nursing program and therefore in deep appreciation we present to Thomas Jefferson University this portrait of Miss Bowman with the hope that those who see it in years to come will remember her and her dedication, and be reminded of all that Jefferson has contributed to our lives.”

Sincerely,
Margaret M. Mullen

BENEFITS FOR MEMBERS OF JEFFERSON NURSES' ALUMNI ASSOCIATION

MEMBERSHIP TYPES

Active — Graduates of the Diploma Program who are currently engaged in nursing, or who wish to remain on an active status. The members are eligible for all benefits if they meet the requirements.

Associate — Graduates who are currently inactive in the nursing field, but who wish to retain membership in the Association. They may not vote nor hold office, but can serve as members of the various committees.

Life — Graduates who have been members of the Alumni Association for forty consecutive years. These members are exempt from the payment of dues, but enjoy all privileges of active membership.

Honorary — Such persons elected to membership in recognition of some distinguished service to the nursing profession or for special merits. Such members are exempt from the payment of dues, and shall not vote, hold office, nor receive Relief Fund nor Scholarship Fund benefits.

YEARDLY SOCIAL EVENTS

Alumni Luncheon held each May.

Dinner and White Elephant Auction sale held each March.

Christmas Party each December.

FINANCING

The Alumni Association is financed by:

1. Dues
   Active dues, currently $10.00 per year, payable each January upon notification by the Secretary-Treasurer.
   Associate dues, currently $5.00 per year, payable each January upon notification by the Secretary-Treasurer.

2. Annual Giving contributions.

PUBLICATIONS

The Alumni Bulletin is published yearly, in the fall.

ALUMNI FUNDS

Nurses Relief Fund
Sick benefits for Diploma Alumnae who are members of the Association. Individual consideration is given to non-members. Amount has been increased up to $1000.00 per year for Active Members. Up to $650.00 per year for Associate Members.

Requirements: Refer to By-Laws

Scholarship Fund
Graduate — Two $1000.00 scholarships for each of the spring and fall semesters, granted to active members of the Alumni Association who are working towards a degree in nursing and who meet the requirements.

Requirements: Refer to By-Laws

Student — Given annually to a worthy student to pursue the course in the Diploma Program, no pre-set amount. The amount depends on the need of the student.

General Fund
Used to pay operating expenses, mailings, to send candidates to conventions, etc.

ALUMNI AWARDS

1. The Alumni Association Prize — to the member of the graduating class who attained the highest average during the three-year course. Prize $100.00.

2. Thomas A. Shallow Memorial Prize — to the graduating student who demonstrated the greatest proficiency in Operating Room Nursing. In 1978 changed to the graduating student who has demonstrated the greatest proficiency in Surgical Nursing. Prize $100.00.

3. Student Recognition Award — An award of $200.00 yearly to the junior student for the highest academic rank.

MEMORABILIA

In the Alumni offices we have displayed nurses' pins, pictures, dolls dressed as nurses, scrap books with old clippings, diplomas, graduation programs, and alumni bulletins.

We also have memorabilia at the Nurses Museum located at Pennsylvania Hospital, 8th & Spruce Streets.

Addresses are kept current by requesting address changes from the Post Office on all mail sent out by the Alumni.

Currently we have between 2,500 and 3,000 active addresses.

THE BULLETIN

Many of the Alumni members have expressed a wish that the Bulletin include more news items about our graduates. We'd like to oblige them, but are dependent upon the members for articles about themselves and their activities.

We wish to express our thanks to all who contributed articles for this issue, for acquainting us with current information about nursing issues as well as telling us something about their own activities.

We regret, however, that others who are engaged in interesting fields of nursing could not contribute articles for your enjoyment this year. Did you know that one of our graduates is a Navy nurse assigned to the White House and travels with the President, or that another is working in the Frontier Nursing Service in Kentucky? There are many others who could help make the Bulletin a more informative and interesting journal. Please share your experiences with the Alumni members.

Our sincere congratulations to all of the new officers and members of the Board of Directors of the Alumni Association. We wish them well during their term of office.

Mabel C. Prevost, Chair

RESUME OF MINUTES OF ALUMNI ASSOCIATION MEETINGS

September 11, 1979
18 members present
1. A letter was read regarding Faculty Club membership at Jefferson Hall. The office of president of the Alumni Association of the School of Nursing does not meet the requirement for membership in the Faculty Club.
2. The following recommendations were made and approved as follows:
   (a) That the President respond to the Nursing Museum regarding Jefferson's donations.
   (b) That an invitation be sent to the Nursing Museum to come to speak to the Alumni Association as a special program.
   (c) That we contribute $200.00 to the United Way.
   (d) That we drop our insurance coverage with Inter-County. The President will notify all members of Inter-County to assure them they can continue coverage on their own, rather than through the Alumni.
3. A guest speaker from the History of Nursing Museum presented a special program.
   December 11, 1979
   Christmas Party.
   January 8, 1980
   14 members present
   1. The Christmas Party was held December 11, 1979 and enjoyed by everyone. There were 30 people present including, of course, Santa.
   February 12, 1980
   13 members present
   1. The following recommendations were made and approved:
      (a) That the $300.00 Junior Scholarship be awarded to the appropriate Junior student — Patricia Lindenmuth.
      
      2. That a cheese and punch party be held for the Senior students in the Faculty Club.
      3. That the President seek legal counsel for the purpose of reviewing the Alumni Will which has not been done in 5 years.
      March 1980
      Dinner and Auction Sale
      April 8, 1980
      16 members present
      1. 29 members attended the Dinner and Auction Sale in March. Proceeds from the Auction amounted to $51.00.
      2. The following recommendations were made and approved:
         (a) That Miss Prevost Chair the committee to review the Will.
         (b) That a donation of $150.00 be sent to the History of Nursing Museum.
         (c) That Mrs. Perma Davis be sent to the ANA Convention June 8-13, 1980 in Houston, Texas. Results of the election:
            President — Mrs. Perma Davis
            2nd Vice President — Margaret Summers
            Board of Directors — Doris Bowman Janet Hindson Beverly Rupp
         3. A special program on "Over-the-Counter Drug Abuse" was presented by a representative from Philadelphia
REPORT OF SICK AND WELFARE COMMITTEE

During the past twelve months, "get well" cards were sent to Alumni members who were patients at Jefferson, and known members who were ill elsewhere. We are happy to do this, if your illness is made known to us.

SCHOLARSHIP REPORT 1979-1980

Ten applications for scholarship assistance were sent; seven were returned and reviewed by the committee.

Joan L. Caruso (1976), Linda S. Bingaman (1975) and Suzanne M. Garbus were granted a scholarship for the Fall Semester of 1980 and Janet Walsh (1973) and Grace Spona (1971) were granted a scholarship for the Spring Semester of 1980.

The scholarship award for 1980, granted to the junior student who had demonstrated the highest level of achievement at the end of the second quarter, was granted to Patricia Lindemuth.

Committee members wish to take this opportunity to encourage graduates enrolled full time in a program leading to a degree in nursing to apply for scholarship assistance, especially if financial problems interfere with the completion of the program.

NURSING ALUMNI OFFICE

This coming year (1981) will be an interesting one for the Nursing Alumni. The School of Nursing will be ninety years old. When the School began, the first class of five students had a two-year program, graduating in 1893. Shortly after this the course was lengthened to a three-year program which has continued to the present time.

Another exciting date coming up in 1983 will be the fiftieth anniversary of the annual luncheon. Miss Helene Weber, Class of 1922, pioneered the idea during her term as president of the alumni, organizing and starting the tradition of the annual luncheon, which is the Alumni's main event of the year.

Elizabeth Ent, class of 1932, has given the Alumni Office a lovely picture of the second luncheon held at the Adelphia Hotel on April 21, 1934. The picture is a document of the times when ladies wore hats and white gloves at social functions — come and see it!

Miss Breckin Boyle, Class of 1918, sent photographs of her classmates and interns taken in the children's ward for the Alumni Scrapbook. This memorabilia can be seen in the Alumni Office, M-2, Jefferson Alumni Hall. Many alumni and other visitors have enjoyed viewing these photographs.

Our number of active addresses is 3050. I appreciate the fact that so many of you responded by sending in changes of names and new addresses. Please keep sending them so you will continue to receive mail from both the Nurses' Alumni Association and Thomas Jefferson University.

If you wish to contact the Alumni Office in person or by telephone, the office is located in Alumni Hall, 1020 Locust Street, on the Mezzanine level, Room M-2.

The telephone number is (215) 396-8991. Miss Riland may be reached there every Tuesday from 10:00 A.M. to 4:00 P.M. She has Jefferson Cap charms available at a cost of $12 in sterling silver (with a $1.50 charge for mailing).

Calls or inquiries made other than on Tuesdays should be directed to the College of Allied Health Sciences Alumni Office, Room M-34, (215) 396-7709.

Secretary
Much to Teach

"In 1976, I had to begin using a wheelchair. Nobody pointed it to me and said, 'Here, you're going to be in this wheelchair the rest of your life.' But I finally understood that this was going to be my life, and I'd better get used to it. I thought of the GIS we'd see on the ward after D day — paraplegics, quadriplegics, amputees. We'd wonder how they were going to handle the handicap for the rest of their lives. I found out for myself. You have to make adjustments."

Ms Moyer, who's able to walk short distances with the help of a walker, began tutoring students in her apartment about 2 years ago. "I started off teaching only registered nurses, but I've begun teaching practical nurses as well."

"Some people say I should charge more than I do, but I'm satisfied. I feel that I'm not only teaching, but also learning — that I'm still growing as a person. Everyone I've tutored has subsequently passed. If this is continuing contribution to nursing, I'm happy and proud."

"We're sure we speak for everyone when we say the profession's proud of her."

CREDENTIALING IN NURSING

by Anna Kuba, F'45

Thirty-five years ago I had my first experience in credentialing in nursing — I wrote the state board examination for licensure as a registered nurse in Pennsylvania. (Subsequently, I was licensed in Massachusetts and North Carolina by endorsement.) Later, as a faculty member and educational administrator, I became intimately acquainted with the approval process used by state boards of nursing for programs-preparing persons for licensure as nurses and national voluntary accreditation of educational programs. In the latter instance, I served as a member of the accreditation team to schools and colleges of nursing on numerous occasions and as a member of the Accreditation Review Board for the NLN Council on Baccalaureate and Higher Degree Programs as well as on being on the receiving end of the process. Approval/accreditation of educational programs is another form of credentialing. More recently, while on the staff of the American Nurses' Association, I was involved in the certification programs offered by the ANA Division on Nursing Practice and served as the coordinator for the Council of State Boards of Nursing. Certification, too, is a kind of credentialing. As the executive director of a board of nursing (North Carolina), a member of the ANA National Accreditation Board for Continuing Education in Nursing, and a member of the Task Force on Credentialing in Nursing, my involvement in credentialing continues unabatedly. Therefore, it is indeed a pleasure to be addressing my fellow alumni on a subject of interest, intense and far reaching concern to all of us — credentialing.

The action which ultimately set into motion a study of credentialing in nursing was the result of a territorial skirmish. A resolution was adopted by the 1974 ANA House of Delegates to examine the feasibility of ANA accrediting basic and graduate programs in nursing, a function then and now of the National League for Nursing. After a series of conferences involving representatives from nursing education, nursing practice, and experts in credentialing in other fields, a proposal emerged and was subsequently approved by the ANA to broaden the scope of the study to include all aspects of credentialing — accreditation, certification, and licensure — because it was realized that these mechanisms are inextricably tied together in the overriding purpose of providing quality assurance. The study was to include credentialing of all categories of individuals engaged in the occupation of nursing, as well as programs of nursing education and nursing service. The overall aim was to look at credentialing as it exists in nursing and to recommend future directions in credentialing for the profession.

The report, THE STUDY OF CREDENTIALING IN NURSING: A NEW APPROACH, was released at the end of January, 1979. A major finding, as you might suspect, was that the current system of licensure and certification of nurses and accreditation of nursing services and nursing education is uncoordinated, fragmented, and duplicative. The recommendations of the Study Committee call for a restructuring of credentialing and the establishment of a national credentialing center.

What quickly becomes apparent in studying credentialing is that there are a host of items to be dealt with. While these current systems are not divisible in practice, they may advantageously be separated out in attempting to deal as rationally and objectively as possible in developing solutions and in gaining rational and objective consideration of recommendations. One of these undercurrents is the territorial one of the control of the credentialing system and its various aspects. Again, one may identify separable questions and, thus, possible separable solutions. Who makes the definitions?, who sets the standards?, who conducts the process?, who awards the credential?, who establishes what the credential may be used for? The second undercurrent includes the more personal concerns of the credentialer, whether he be an individual or an institution. What are the credentials?, what standards are required of the credentialer?, what inhibitions and what entitlements accrue to the credentialer?

To a large extent, three of the recommendations of the Study Committee roughly parallel these streams, one concerned with the credentialing system and its control, the other two with the credentialing system and its control.

In relation to the credentials, it is recommended that:

1. Licensure, as a mandatory, state governmental credentialing form, used to protect the public by assuring minimum level of professional competence, be required only of those individuals who are accountable for the full scope of practice.

2. Registration be the form of credentialing for assisting personnel, the second category of persons engaged in nursing, antilized but defined by education as associate degree prepared. Registration, as a national, non-governmental form of credentialing, by which individuals are listed on an official roster, would attest to employers an individual's ability to perform specific functions necessary to the practice of nursing, but which do not constitute the full scope of practice. (Under such a system, the term registered, while conveying a different meaning from today's usage, would

Doris Bowman and I arrived in Houston International airport on Saturday, June 8, and were driven to the Lamar Hotel by Doris’ cousin and his wife who live in Houston. It was the hottest day of the year — 99° with the humidity to go with it.

We walked the eight blocks to the Albert Thomas Convention and Exhibit Center in time to register. Our registration pins were admission to everything.

After a quick bite (standing in line was the order of the day since everything was closed for Sunday) at the Hyatt Regency, we went to the Colliseum to hear the keynote address of Raymond G. Cink, MPH, RN, FAAN, deputy director, National Institute of Mental Health, Department of Health, Education and Welfare, Rockville, MD. Dr. Dumas is the first woman to hold this position.

Dr. Dumas has a great deal of enthusiasm for nursing in the 80’s. The three major challenges, according to Dr. Dumas, are:

1. Improving the access and quality of health and mental health care for the underserved.
2. Controlling health and mental health care costs while maintaining the quality of care.
3. Shifting emphasis from a preoccupation with illness to a focus on prevention and health promotion.

During the 80’s nurses should be educated so that they can greet tomorrow’s nurse.

Part of this day was spent in seeing the many worthwhile exhibits and booths. The people arrive from outlying areas (except for hotels there is no living space in the downtown areas) by the thousands. This traffic is very busy but this gradually subsides until about 4:30 P.M. when there is a mad exodus to their homes and appointments.

The base for nursing practice is becoming more scientific with every passing year. Hands-on care giving has not become problem solving. We met Dr. Harriet Werley, associate professor, and director, BSN program, Felician College, Lodi, New Jersey; (2) Jean McKibbin Smith, M.S., R.N., clinical instructor, staff development, Memorial Hospital, Gulfport, Mississippi; and (3) Dr. Carolyn Chambers Clark, director, The Wellness Institute, Staten Island, New York. None of the material was a new concept but an elaboration and in words that have been presented in the past few years in reference to handling stress either through diet or various self-care programs which these three presented.

After we went to the continuing education programs, we looked for the right one to take the examination. It was filled with nurses taking examinations. The examination was pertinent to the program just presented and we were told the results would be forwarded to us in a few months.

Monday night we went to Brennan’s for dinner. The gardens and restaurant are lovely besides having good food. Their nurses are a branch of the same in New Orleans, Louisiana.

Tuesday morning while we were eating breakfast we met Dr. Harriet Werley. She was one of the moderators in a round table discussion we attended on “Behavioral Psychology.” It was the first time I knew that she publishes a magazine “Research in Nursing and Health.”

Part of this day was spent in seeing the many worthwhile exhibits. It was surprising to see so many hospitals from all over the United States with booths. Most of the samples from drug companies were too cumbersome to bring back with us — such as a plastic yardstick.

Those of you on faculty remember Pat Tucker who taught Orthopedics. We spoke to her several times during the course of the convention. She is now an editor with the magazine “Nursing ’80.” She hasn’t changed a bit except maybe she’s more fun to be with. Tuesday afternoon another continuing education program was attended — “Impact of Alternative Modes of Care” sponsored by the Commission on Nursing Research with Linda Benda, commission member and professor, School of Nursing, Northern Illinois University. Elsie Weyrauch and Lynda Berkeley, Austin, nurse assessment team, were for Alternative Health Services, Department of Medical Assistance, State of Georgia, Atlanta, presented the speakers (1) Dr. Tony Sullivan, associate professor and director, BSN program, Felician College, Lodi, New Jersey; (2) Jean McKibbin Smith, M.S., R.N., clinical instructor, staff development, Memorial Hospital, Gulfport, Mississippi; and (3) Dr. Carolyn Chambers Clark, director, The Wellness Institute, Staten Island, New York. **University of Rochester in 1921 was the first school to adopt Flexnor's model.**

1923 — Nursing has not kept step with medicine. Goldmark Commission on Nursing established because:

1. Public concern about influenza outbreak after World War I.

2. Medicine became more scientific than nursing.

Recommended:

1. American nursing follow lead of medicine's move into the collegiate system.

2. Nursing be developed for community, health nursing to prepare foundation for specialization in either community or hospital.

No action was taken:

1925 — Esther Lucille Brown report similar to Goldmark Commission recommendations — nothing happened.

1926 — Characteristics

1. Upgrading level of commitment.

2. Long and disciplined educational process.

3. Unique body of knowledge and skill.

4. Discriminatory authority and judgment.

5. Active and cohesive professional organization.

These studies were still not acted upon.

Reasons for nursing shortage:

1. Female high school graduates have a lot more choices.

2. The University of Rochester one in three are female applicants to Law school, engineering and management.

3. 1/4 million maintain licenses but never practice nursing.

3 in 4 work only part time.

Propositions

1. As economists define a real manpower shortage, there is no nursing shortage.

2. In the face of the problem of nursing we have a tremendous problem of returning nurses for patient care.

Extrinsic or economic

1. Nurses not paid well to direct patient care.

1978 — average salary for staff was $6.00 per hour or $12,000 per year.

2. Grocery clerks' union affords a stock boy $11.87 an hour.

2. Nurses are not recognized and rewarded for work accomplished.

---

**System has got to be changed.**

In nursing schools:

What have you published

How much teaching

Clinical competence

Emphasize continuity of clinical excellence

Provide and teach others how to provide

Greatest gift an instructor can provide is to demonstrate a role model of excellence.

Set up a program for:

- reward recognition
- professional support

Primary nursing:

Full responsibility

Unification model to bring back concepts

Teaching Research

After listening to Dr. Lysaught it was ever so clear why nursing needs to change to a better system such as Rochester. Rush and Case Western Reserve have adopted.

We were to vote after the morning sessions. As I stated earlier, we could only vote for those running from our section of A.N.A. — not the officers of the organization.

Thursday evening was spent with a friend and her family in her suburban home. They are transplanted Philadelphians and have adapted very well.

Friday morning I took the time to see NASA — the space center — which is readying the space shuttle for March 1961. The entire tour took 3 hours, but going and coming took 50 minutes each way.

As you have noticed, I didn't touch on the issues. Anna Kuba will tell you about credentialing and the American Journal of Nursing tells you better than I can about the other issues.

Thank you all very much for sponsoring this trip. It was thoroughly enjoyed, enlightening and very therapeutic.
COLLEGE OF ALLIED HEALTH SCIENCES
ACHIEVEMENT AWARD

The College of Allied Health Sciences Alumni Special Achievement Award was established in 1977 to recognize the accomplishments of allied health alumni.

The 1980 distinguished alumnus was Barbara G. Schutt, Class of 1939. The award is given for her many accomplishments in many fields of nursing and in education.

Among these were general duty at Jefferson, College health, camp and private duty nursing while working towards a Bachelor of Arts degree at Bethany College, West Virginia. After three years in the Army Nurse Corps, Lt. Schutt used her nursing experiences in the fields of public service and journalism.

As assistant, associate and executive director of the Pennsylvania Nurses' Association, a branch of the American Nurses' Association, Miss Schutt concerned herself with nursing services and education and the economic welfare of the members, and the advancement of nursing in the state. During this time, 1946-1958, she served as editor of The Pennsylvania Nurse.

Sandwiched among all of these activities, Barbara earned a Master of Science degree in Education at the University of Pennsylvania in 1949.

From 1958-1971, Miss Schutt was editor of the American Journal of Nursing, the official magazine of the American Nurses' Association with a circulation of 325,000.

Her active career was finalized in 1979 after serving as Director, Division of Nursing, Mohegan Community College in Norwich, Connecticut from 1974-79.

After such a busy and productive career in nursing, our best wishes go to Barbara C. Schutt for a happy retirement.

Congratulations, Barbara.

HARRIET WERLEY HONORED FOR CONTRIBUTION TO NURSING SCIENCE

Harrriet Werley, Ph.D., FAAN, is the first recipient of the Award for Distinguished Contribution to Nursing Science given by the American Nurses' Foundation. The award was presented by Ray Showalter, ANF president, at a meeting of the Council of Nurse Researchers at the ANA convention in Houston.

Dr. Werley, who became associate dean at the School of Nursing, University of Missouri/Columbia in January, has been a researcher for 26 years. At the Walter Reed Army Institute of Research, she developed the department of nursing research, recognized as the first center for nursing research in the nation. At Wayne State University in Detroit, she developed the Center for Health Research, the first such program in the nation to be established in a college of nursing.

In accepting the award, she emphasized the importance of basing nursing's curricula on its own research. While the volume of nursing research has increased, many problem areas remain to be investigated, she said. "Nursing must marshal its talent and resources to more research productive, so that nursing's investigative capabilities and results are more readily recognized by the scientific community."

Dr. Werley is founder and editor of Research in Nursing and Health, a national refereed journal. She is the author of 50 articles published since 1954.

The award was made possible by a grant from the Bristol-Myers Fund. Members of the selection committee were Susan Gortner, Ph.D., FAAN, Barbara Hansen, Ph.D., FAAN, and Ada Jacox, Ph.D. Twenty-seven nurse researchers were nominated.

THE CONCHOLOGISTS

Two friends, Blanche Ford '31, and Emma Bahner '31, have for years shared a common hobby, conchology (shell collecting). They spent vacations at Sanibel Island, a place prolific in all varieties of shells. In addition to the collecting of these beautiful objects, they both used their shells to make jewelry, trays, boxes and other items. In addition, the shell motif is used throughout Emma's apartment — pillows, towels, pictures, etc.

Retirement has brought some enriching changes in both their lives. From all reports, their interest in conchology still persists, but both are contributing of themselves and their nursing skills in helping others.

Excerpted from an article in The Islander, a Sanibel newspaper — "It is Blanche's concern for other people that keeps her hustling today. — Today, as a resident of the Periwinkle Trailer Park, she keeps busy baking goodies for friends and neighbors, carpooling for her church choir, and taking blood pressures. She creates wonderful shell craft art, visits the ill, and mails out 200 birthday cards a year. "Everything I do, I do because I want to. It's my way of contributing.""

The pamphlet Purely Personal, April newsletter, reports: "Your reporter was lying in a hip-high broken-leg cast when she first heard Emma Bahner's mellow voice over the phone. "This is your friendly visitor from P.C.O.P. (Philadelphia Center for Older People)." That Emma had formerly been a nurse is just one reason she is our ideal comforter of the housebound. Her warmth and positive attitude add to her total aptness. Lately she has been volunteering in Crafts. Besides all this, there is Emma's alluring hobby of conchology. The minute you enter her apartment (like a warm museum) you feel transported to Florida's Captive or Sanibel Island. Sea shells confront you everywhere. Shells, as mysterious and varied as the myriad human faces in a crowd, but far more beautiful."

Blanche and Emma, in helping others, have enriched their lives and have endeared themselves to others. Keep going, Ladies!
CLASS NEWSPAPER

Class of 1909
Mary R. Robinson Godfrey (Robert — deceased), Ligonier, PA 15658. Thank you for The Bulletin and news of my friend at Jefferson, as well as the progress of nursing.

Class of 1915
Mina Stewart Ewlne (Murray J. — deceased). 202 Parkway, Institute, WV 25112. My husband, Frank, was a big supporter of our Bishop's School program. Our daughter, Diane, is a BCWH nurse in the U.S. Navy. We still enjoy traveling and watching the Seattle Seahawks. We have three children and three grandchildren.

Class of 1925
Claire L. Luckinger, Mesopotamia, OH 45602. Catherine, 508 Oak Hill Drive, Greensburg, PA 15601. Both retired and enjoying life after a career in nursing.

Class of 1927
Pauline McElwee Gillen (Dennis R. Gillen, M.D.), 506 Park Towne, Benjamin Franklin Parkway, Philadelphia, PA 19130. My husband — Class of 1917. Jefferson Medical College, and I am happy to announce that our grandson, Murray Gillen is in the graduating class this June — Jefferson School of Nursing. With two recent grandchildhoods, we hope there will be more graduates from Jeff.

Class of 1929
Anna Campbell Toeg, 30 W. Ridge Avenue, West Chester, PA 19380. Retired from telemetry work. Travel in her retirement years.

Class of 1930
Lucile Margaret Cleve (Howard), 7339 Loyalsock Drive, Williamsport, PA 17701. Life is still very much worth living.

Thecla Williams Laird (attended Luncheon) 548 Check Briar Drive Bethel Park, PA 15102.
Class of 1931
Sue Williams Wells (husband — deceased), 200 E. Dewart, Shermiston, PA 19722. Retired.

Evelyn Reiser Arnold (Walter), 1019 Bahamas Bend, H-1, Cocoa Beach, FL 32938. We are both healthfully enjoying retirement. Looking forward to coming to Jefferson for our 50th Anniversary Luncheon.

Emma M. Bahner, 3615 Chestnut Street, Philadelphia, PA 19104. Looking forward to our 50th anniversary in 1981 with a special celebration at the Benjamin Franklin Hotel. Active in crafts at Philadelphia Center for Older People. Continues to be interested in collecting shells (Conchology).

Blanche Ford, Box 13, Peirick Park, Savannah, FL 33187. Enjoying dahlia and shellcraft, baking desserts, singing in the church choir and being with people. Sorry I cannot attend the luncheon, but best wishes to all.

Class of 1932
Audra Ruth Miller (Benjamin), 6741 Glen Ave, Glen Oaks, MD 20756. For keeping all of us, including inactive senior members, well informed of alumni association news as well as Thomas Jefferson University activities. I thank you.

Emme Coon Peay, Pine Street, Box 291, Milton, P.O. 53, PA 12747. Kindly regards to my classmates and friends.

Mildred German Jeffers (Arthur W.), 306 W. 19th St., Ship Bottom, NJ 08085. Enjoying living on Long Beach Island, and hope if any friends are in the area — they will call or visit. The welcome mat is always there. Hope to attend the luncheon May 3rd.

Marion Politi Cervy (James), CRX Box 121, Lewistown, DE 19958. Nothing new, suffering inflation blues like everyone else. Hope you are all in good health at this time.

Katherine Kinch Leach (John E.), 60 Madison Place, Ridgewood, NJ 07450. Our son, Chris, will be finishing a course in thoracic surgery at Rochester General Hospital in June. Also he will marry Miss Patricia Ann Bearer (a nurse from Rochester, NY). In June.

Carolyn Olson Kalinske, 2754 Emeral Drive, Philadelphia, PA 19134. Nothing new, suffering inflation blues like everyone else. Hope you are all in good health at this time.

Class of 1933
Marion Myers Smith (Robert — deceased), 31 Stanford Place, Montclair, NJ 07042. Planning to return to New Jersey this year. Received a 30 year pin from Red Cross for Volunteer Service in Montclair.

Margaret Clayton Schellerger (S. A. S., Schellerger M.D.), 1345 Filbert-Ave., Philadelphia, PA 19130. Ed. received the Gailard Merit Award from Institute of Nuclear Energy Spring Ctg., 1980. We live on Lake Louise, Claremont, Florida, during the winter months. Our children and grandchildren visited us there. We live on the edge of orange and grapefruit groves.

Elizabeth Pfeiler, 2501 Parkway, Apt. 822, Philadelphia, PA 19130. Planning to tour with Oceana to see the Panama Canal, Lake I Jalsa, July 14th and will visit four countries. Enjoying my retirement — busy every day going on day trips and visiting new places.

Evelyn Wilson Frazier (E. W. dec.), 1008 Park Blvd., Cherry Hill, NJ 08002. Son, James, married Aug. 1979, moved into a new home in Dec. I continue various activities including volunteer work with the A.R.C. Taking an extended trip to Alaska and the Yukon in July, visiting Kitty Smutting Garcia few days, returning via cruise to Vancouver, B.C.

Julia Tyler McCracken (A. W. dec.), 524 Reverie Rd., Merion Station, PA 19066. Nothing new in activities, continue church and civic work. Microwave golf and etc. Evelyn Frazier and I are looking through Alaska this summer, visiting the interior, Arctic Circle, Yukon Territory, Alaska and the inside passage.

Class of 1935
Mary Colby Moore (Carleton), 85, Bridgeport, NJ 08022. Just enjoying retirement.

Sara Entriken, 3030 Hickory Drive, Hendersonville, NC 28793. Retired Major U.S. Air Force Nurse Corps, now Flight Nurse. Traveling around the world — India, Africa, Europe, China, Japan, Philippines, New Zealand, Australia, New Zealand, Fiji, Tahiti, Bali, Taiwan, Morocco, and Canary Islands.

Lydia Yelkin, P.O. Box 702, N. Cape May, NJ 08204. Am enjoying retirement very much. Spend the winters in Clearwater, FL.

Elizabeth Stapen Miller (John), Box 14, Sacklouth, PA 19388. Have had the pleasure and opportunity to be a part of an exciting association with group of Brazilian young people sponsored by Amigos de M.L. Women in organization known as "Tupinambis in Living." Also to associate with young people of their age, they are specially interested in American family life and development. I feel much pleasure and satisfaction in the sense of achievement and finding interest of daughter, Lislie, of Amigos — a most rewarding experience.

Mildred Woodhead Hawkesworth (Hiram D.), Box 121, Altona, PA 19802. Still enjoying retirement.

Class of 1938

NOTICES

CLASS ADDRESS LISTS
Class address lists will be available from the Alumni Office Clerk-Typist at a charge of $2.50 per list. Enclose a long self-addressed envelope.

ALUMNI BULLETIN
The Alumni Bulletin will be sent automatically to all association members; individuals who are not association members may obtain a copy of "The Bulletin" upon request at a cost of $5.00 per copy. An order form will be mailed to non-member graduates in the Spring of 1980.

MAIDEN NAME—YEAR OF GRADUATION
Whenever you have occasion to write to your Alumni Association, please use your first name, maiden name, then married name, and the year you graduated.

EXAMPLE: Janice Smith Green—1972
"Mrs. John Green" makes it very difficult for the association to locate your card in the files. You are urged to notify the Secretary of the Alumni Association of any corrections, marriages, deaths, or changes of address. Please help us keep errors at a minimum and our files accurate.

CAPS
Jefferson caps may be purchased from Student Profiles, Inc., 11 Jamestown Street, Philadelphia, PA 19127. The minimum order is for two caps at a cost of $3.50 each, plus a one dollar postage and handling charge. Identification and an order blank may be obtained by directing correspondence to the Director, School of Nursing, Thomas Jefferson University, 130 South Ninth Street, Eighth Floor, Philadelphia, PA 19107.

PINS
Jefferson pins may be purchased from J. E. Caldwell and Company, Chestnut and Juniper Streets, Philadelphia, PA 19107 (graduates prior to 1969) and from Neff Jewelers, 742 Sansom Street (graduates 1969 and after). Identification may be obtained by directing correspondence to the Director, School of Nursing, Thomas Jefferson University, 130 South Ninth Street, Eighth Floor, Philadelphia, PA 19107.

HELP US — HELP YOU
Want to help your Alumni Association save money?
We try to keep up to date, but with 3000 active members, it is really a big job. The Postal Service returns every piece of Alumni mail that is not delivered; this costs us money, and the cost of returned mail may soon double.

Here is how you can help us—help you!
Advise us if there has been any change whatsoever in the address we are currently using. Also send us the address of a classmate or friend who is not receiving mail from the Alumni Association.
