EDITORS' COLUMN

With this issue, The Jefferson Journal of Psychiatry, a Resident Publication, comes into being.

The purpose of this journal is to provide a forum for the presentation of ideas, data, and discussion. We are trying to give residents a setting in which to communicate in a way more formal than the seminars of residency training, but less forbidding than national journals.

We wish to acknowledge Dr. Harvey Schwartz for his inspiration and enthusiasm in beginning this project, and Mrs. Debra Kohler for her many hours spent putting the final product together.

Comments about THE JOURNAL and its contents are welcome. They should be addressed to THE JOURNAL, 3 Curtis Clinic, 1015 Walnut Street, Philadelphia, Pennsylvania 19107.
