About the Authors

Marguerite H. Blythe, M.D. completed her paper as a PGY IV Child Fellow at the University of Cincinnati in Ohio. This paper was presented in its original form as a part of the Burroughs Wellcome Fellow's APA Workshop in Montreal, May 1988.

Lance D. Clawson, M.D. is a medical officer in the United States Army. He is currently a first year fellow in child psychiatry at Walter Reed Army Medical Center. He is a former Meade-Johnson Fellow.

Max Fink, M.D. is Professor of Psychiatry at S.U.N.Y. at Stony Brook, and Editor-in-Chief of the quarterly journal CONVULSIVE THERAPY published since 1985 by Raven Press, New York. He is well known for his text *Convulsive Therapy: Theory and Practice* published by Raven Press in 1979. He has been a member of the APA Task Force on Electroconvulsive Therapy, 1975-1978, and the present second Task Force 1988-1990.

Emanuel E. Garcia, M.D. is a third year resident at the Institute of Pennsylvania Hospital, Philadelphia, Pennsylvania.

Jean Goodwin, M.D., M.P.H. is a Professor of Psychiatry at the Medical College of Wisconsin.

Michael Gray, M.D. is currently a fourth year resident in psychiatry at New York University.

Kate Hendrickson, M.D. is Medical Director of Substance Abuse Programs at Heights Psychiatric Hospital, Albuquerque, New Mexico.

Daniel C. Javitt, M.D. is a Research Fellow in the Department of Psychiatry, Albert Einstein College of Medicine/Montefiore Medical Center and Bronx Psychiatric Center, Bronx, N.Y.

Peter S. Jensen, M.D. is a staff psychiatrist at Walter Reed Institute of Research in Washington, D.C.

Vikram Khot, M.D. is a PGY IV Psychiatry Resident at the Medical College of Wisconsin. Dr Khot, who was a second year resident when the paper was written is currently doing a year long research elective outside of his program.

Edward Kim, M.D. is a first year resident at the Jefferson Medical College, Thomas Jefferson University, Philadelphia, Pennsylvania.

Ronald J. Koshes, M.D. is a medical officer in the United States Army. He is currently Chief Resident for the Outpatient Psychiatry Service, and a Senior American Psychiatric Association/Burroughs-Wellcome Fellow. Dr Koshes is stationed at Walter Reed Army Medical Center, Washington, D.C. The paper written in cooperation with Dr. Clawson is based upon Grand Rounds presentations at Georgetown University, and St. Elizabeth's Hospitals.

Nora M. Kramer, M.D. is currently a first year resident in psychiatry at Jefferson Medical College, Thomas Jefferson University, Philadelphia, Pa.

Teresita McCarty, M.D. completed her paper while she was a research fellow at the University of New Mexico. Currently Dr. McCarty is an Assistant Professor in the Department of Psychiatry at the University of New Mexico School of Medicine.

J. Thomas Pichot, M.D. is currently the Chief Resident at the Eisenhower Army Medical Center, Georgia. This paper was presented at the annual meeting of the APA, San Francisco, May 1989 and was awarded the 1989 Hope Skobba Award by the Georgia Psychiatric Physicians Association at their annual meeting in Atlanta, February 4, 1989.

Geoff Wandry, M.D. is Assistant Professor of Psychiatry at the Medical College of Wisconsin.
