This Article is brought to you for free and open access by the Jefferson Digital Commons. The Jefferson Digital Commons is a service of Thomas Jefferson University's Center for Teaching and Learning (CTL). The Commons is a showcase for Jefferson books and journals, peer-reviewed scholarly publications, unique historical collections from the University archives, and teaching tools. The Jefferson Digital Commons allows researchers and interested readers anywhere in the world to learn about and keep up to date with Jefferson scholarship. This article has been accepted for inclusion in Jefferson Journal of Psychiatry by an authorized administrator of the Jefferson Digital Commons. For more information, please contact: JeffersonDigitalCommons@jefferson.edu.

The Jefferson Journal of Psychiatry is published biannually by the Residency Training Program of the Department of Psychiatry of Jefferson Medical College, in affiliation with the Committee of Residents and Fellows of the American Psychiatric Association. The Journal is distributed without charge to all psychiatric residents and fellows in the United States and Canada, medical student members of the American Psychiatric Association, as well as psychiatric residency directors and chairpersons.
