## Master of Science Program in Public Health

### The MSPH program at Thomas Jefferson University offers

- An easily accessible and safe location in center city Philadelphia
- Conveniently scheduled classes designed to fit the needs of working professionals
- A program that you can complete at your own pace in 2 to 4 years
- Meaningful thesis research and clerkship programs with opportunities in the community and abroad
- The resources of a national medical research center that is part of a regional integrated delivery system with multiple sites
- Leadership who steer, direct and educate courses from an academic medical center background
