Look no further for pragmatic solutions to the quality
measurement and safety improvement challenge!

The Institute of Medicine called the substantial gulf
between the vision of ideal care and the reality of what
most individuals receive a “quality chasm.” *The Quality
Solution* enlightens, informs, and challenges professionals
in public health, medicine, health administration, and
health law to bridge this “chasm” and to
participate in the transformation
of the healthcare system through the
science of healthcare
quality measurement
and improvement.
