

## Greater Philadelphia Schweitzer Program Accepts New Fellows

After a competitive selection process, 14 graduate students from local health and human service schools have been selected as 2009-2010 Greater Philadelphia Albert Schweitzer Fellows. Honoring the legacy of Dr. Albert Schweitzer by committing to a year of service with a community agency, Schweitzer Fellows will devote over 2800 hours of service to local communities. Schweitzer Fellows continue their conventional professional training while participating in the entry year of the Schweitzer Fellows Program. This year's newly selected group enlarges a rapidly growing network of Schweitzer Fellows who are committed to supporting each other on lifelong paths of service.
