Basic Concepts in Stem Cells: Integrative Medicine Grand Rounds, March 4th

Please join us for Integrative Medicine Grand Rounds on **Tuesday, March 4, 2014** in 925 Chestnut Street, 2nd floor conference room from 8:00-9:00 am. ***Please note the venue for this exciting program.*** Anthony J. Bazzan, MD, ABIHM. is presenting and the title of his presentation is: **“Basic Concepts in Stem Cells”**

Dr. Anthony Bazzan is a leading physician at the Myrna Brind Center of Integrative Medicine and co-author of the popular press book, *The Great Life Makeover* (Harper-Collins). He is board certified in Internal Medicine and Geriatric Medicine, and is a national expert on integrative treatments for menopause, andropause, bone health and cancer survivorship. Dr. Bazzan is involved with numerous innovative clinical trials in a variety of diverse patient groups.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 *AMA PRA Category Credit(s)*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Looking forward to seeing you there! If you are unable to attend, you can view all of our Integrative Medicine Grand Rounds presentations on (http://jdc.jefferson.edu/jmbcim_lectures/)

Thank you.

Daniel A. Monti, M.D.
Professor and Center Director
