The
Florence Nightingale
Pledge

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all affairs coming to my knowledge, the practice of my calling. With loyalty will I endeavour to aid the physician in his work and devote myself to the welfare of those committed to my care.
EDITORIAL

Hundreds of years ago, upon the landing of the Pilgrims at Plymouth Rock, a new tradition began. Because of their safe journey, the Pilgrims set aside a day of Thanksgiving. This day was spent in prayer and feasting.

What does Thanksgiving mean to us today? It has many meanings——seeing old friends, turkey and cranberry sauce, pumpkin pie, football games and a chance from fall to winter. Has the original meaning of Thanksgivings changed? In observing Thanksgiving, do we remember the true meaning which was established by our forefathers? When we offer our thanks in Prayer, do we take the words of the prayer to heart or do we just mutter an often repeated prayer? This Thanksgiving we should truly try to give thanks in the All-American way.

We of the Newspaper staff would like to wish everyone a Happy Thanksgiving.

SPOTLIGHT

Cheerful, enthusiastic and energetic is everyone’s friend Corinne Kurzen, better known as "Corky".

Being from a small town in Ohio, Corky doesn’t get home very often. As a result you can find her around the residence almost anytime, always willing to listen to your problems or just have a friendly talk.

Among Corky’s hobbies are water skiing and basketball. Her skill and enthusiasm in basketball gained her the position of Captain of our basketball team this year. Her hard work and persistent practicing was rewarded by the team winning the first basketball game of the season. Corky hopes and is working hard towards an undefeated season this year.

Corky’s great personality also gained her the position of House President for this year. Her main interest in this respect is to make the residence a desirable place to live. She is interested in doing all she possibly can for each one of us to make our residence a pleasant, clean, and enjoyable home away from home.

Corky can also be seen at Judiciary Council meetings. Along with the other members of the council she must see to it that the rules of the house are followed and disciplinary measures are carried out.

She has also been elected by the senior class, as Co-editor of the yearbook. She is working very hard to make this yearbook one of the best Jefferisons has ever had.

After graduation, next September, Corky has plans for furthering her education in college. Marriage and a family are also plans for the future of Corinne "Corky" Kurzen.

THANK YOU

The Jeffersonian Newspaper, "Goes and Comes" has had many ups and downs. This year, the newspaper staff is trying to increase student interest in the paper. The staff is also working hard in order to produce a printed issue in March.

We are planning a mixer in the near future to help us toward our goal.
We would like to take this opportunity to thank Student Council for its generous contribution of $30.00.

We hope this spirit of interest in our paper will continue and that our printed issue will be a huge success with the students. Thank you Student Council for your interest and help.

STUDENT COUNCIL

Student Council is abiding by its policy of holding meetings the first and third Wednesday of each month with hopes that this knowledge will encourage greater attendance and establish an adequate forum of students to carry out its functions.

The projects for the coming holiday season were discussed at the last meeting. These include the primary proceedings of plans for Christmas baskets to be presented to the needy. This program will include each class united one and all into the seasonal spirit of giving to those less fortunate.

As the purposes of student council have, in the past been much debated upon, they will here be further expounded. This organization is established to unite students of the school for more efficient living and school loyalty; encourage individual responsibility, stimulate general participation in academic and social life; encourage understanding and cooperation in student faculty relationships; and to aid in the discipline of self and others.

FASHION FEATURE

Changes in fashion have been rapid in the last few years and it might be well to remember this when purchasing your clothes for the approaching holidays. A good wardrobe is never dated, but is dependent upon accessories for correlation with present fashion trends. A matching head band and chiffon scarf, a plaid cummerbund and matching gloves or rope pearls with circle pin and heavy gold bracelets, can turn a basic crepe dress into suitable attire for the theater, dinner date or winter sport contest.

Many of the leading designers have kept their basic line of clothes simple but fabrics have never been so colorful or striking. Collection after collection has featured gold and mauve or peach or housewife silk, adding exquisite heading for evening wear. Many of the shops on Walnut and Chestnut streets are featuring these ensembles and they're well worth looking at.

Here's a helpful hint for those of you who haven't tried it. But those unwanted blouses with toothpaste stains can be altered and they should be gone or at least partially cleared up by morning.

MOVIE REVIEW

The streets of New York forebode a certain starkness in the movie production of WEST SIDE STORY. The story is centered around the Jets and American gang led by Riff, and the Sharks, led by Bernardo, a Puerto Rican gang. They challenge each other to fights to see who will control the streets of New York. A problem arises when Bernando's sister Maria and Tony, a former member of the Jets, fall in love. The two gangs try to break up the romance, and they thus cause a tragedy.

Maria is portrayed by Natalie Wood, and Tony by Richard Beymer. This movie is tops in music and acting and it shouldn't be missed by anyone.

ALL FOR THE BEST

Sometimes the sky is overcast, And I am feeling blue.... And as the hours wander by... I know not what to do... And sometimes there is tragedy... To meet me at the door... And I must wonder whether life... Is worth my fighting for... But always there is some way out... And I have come to know... That brighter things will comfort... In just a day or so... And I have learned that what is past... Was purposeful and good... But in my bed of bitterness...
It was misunderstood... There is a certain destiny... in every human quest... Because then anything goes wrong... It happens for the best.

CLASS NEWS '62

The first meeting of this year was held by the class of '62 on Tuesday, November 7, in the recreation room of the Nurses' Residence.

Plans were made to have a class project. A Jefferson Student Nurse doll will be raffled off sometime in the near future.

Results of the elections for class officers were as follows:

President: R. Greishabor
V.President: F. Koder
Secretary: R. Cholack
Treasurer: J. Panic

Student Council Rep. R. Stumb
Alternate: J. Koper

Judiciary Council Rep. P. Keen
SNAP Rep. T. McKeath
Student Faculty Rep. A. Reis
Alternate: R. Weiss

CLASS NEWS '64

We find several in our class who have gone to college before coming to Jeff. We've got them from: University of Penn., Penn Hall, Grove City College, Temple, Marywood, Connecticut, Ursinus, and Fort Wayne Bible College. Plus the fact that we boast of a practical nurse, a surgical technician, and a professional writer-illustrator... But let's not stop there, we have two misses who are entered, two pinned, and about thirty going steady with their special gals... while the rest of us wait for those all important phone calls... we bid a fond adieu to Polly Liveriside who will accept the hand of a Cornell man in June. Needless to say, Polly, "Best Wishes"...and as Carol Archer left we find ourselves a struggling 69. We'll miss that girl... we find a certain young lady clued to the TV set whenever "The Alaskans" is on, and also listening to "North to Alaska".

Don't worry Patti, he'll be home soon... We were all impressed with the all-class talent of Evie in chorus last Monday... we were happy to see Judy F. in a uniform that fits, of course, none people look good in anything... The quiet prayer of many of us is "Let my 193 break". right, Judy and Lynn... Our classroom thoughts are points to ponder: In Sociology, "I never thought love was so complicated until this lecture"... In Psychology, "Since cramming is suicidal, and since I have a test tomorrow, and since there's no use studying, I guess I'll go to bed." In Anatomy, "Once arsis, Sir, sio, and open...". In Fundamentals, "It's really without saying... Now I wonder what goes without saying..."... In Nutrition, "By all rights I should have been dead long ago"... In Drugs and Solutions, "If you can't play a sport, be one." In Chemistry, "Oh to be a carbonpolymerase..."... and in the Cafeteria, "See saw, I want to go home...". It's good to have Julie back with us again... let's not have quite so long stays in that cold infirmary... From the class of '64 to all of you, a sincere Happy Thanksgiving.

UNDER THE HOOF

Jefferson officially opened the 61-62 basketball season on November 9, against Albert Einstein Medical Center.

The game itself was very exciting and was won even more so due to the avid support of the students. Many attended the game and cheered the team on, which made the victory even more definite. Jeff took the lead right from the beginning and the score remained in their favor until the closing minutes of the 4th quarter when the Einstein Student Nurses closed the gap to 4 points.

However, with a sudden burst of scoring Jefferson pulled ahead once more ending the game with a score of 57-49, in their favor.

The next game will be on November 20 against Bryn Mawr Nursing School. If the attendance and playing in the opening game is any indication of what the rest of the season will hold, Jefferson should have a very successful year basketball-wise.
LEAVE IT TO BEAVER

Many, many congratulations to our basketball team. On the ride home, we were tired, hoarse, and very, very happy. Best wishes for the future of our team.

Margie Bonner is sporting a diamond. Congratulations to Jimmie, you have a wonderful girl.

C.J. has aspirations of becoming a detective when she graduates. As a matter of fact, she practices every night.

The seniors are planning a Christmas party for their class. Any talented seniors please contact Barb Berry, Sandy McKinn, or Janet Blumberg.

Anyone interested in taking dancing lessons, please contact M.B. or C.B.

B.B. is sporting a brand new hair style, or is it color?

DID YOU EVER——

DEAR SAIRY

Dear Sairy,

My roommate hangs her clothes all over the room and there's no room for me! What should I do?

Crowded

Dear Crowded,

Move into the closet.

Dear Sairy,

I have red hair, freckles, pale skin and red cheeks, and blue eyes. What can I do?

Colorful

Dear Colorful,

Just sit near the wall and blend in with the wallpaper.

Dear Sairy,

I hate to waste things. Could you think of a useful purpose for my worn-out white nurses shoes?

Thrifty

Dear Thrifty,

If they're the size of mine, just fill it up with water and use it for a bath tub.

“I'm sure he's here some place.”
