JDC quarterly report: July-September 2015

Quarterly reports includes:

- Redesign update
- Enhanced reporting statistics
- New assets including:
 - 20 yearbooks!
 - Book chapters
 - New batch of OT capstone presentations
 - Assorted Grand Rounds
 - New journal issues including The Medicine Forum and JHN
 - New newsletters and much more
- What people are saying about the JDC

In August the Jefferson Digital Commons rolled out its new look.

The screenshot shows the Jefferson Digital Commons website. At the top, there is a dark blue header with the Jefferson logo and navigation links: HOME, ABOUT, HELP, MY ACCOUNT. Below the header is a large banner image of a brick building with the text "SCOTT MEMORIAL LIBRARY" overlaid. Underneath the banner, the text "Jefferson Digital Commons" and "Thomas Jefferson University" is displayed.

The main content area is divided into several sections:

- Search:** Includes a search bar with the text "Enter search terms:" and a "Search" button. Below the search bar is a dropdown menu labeled "in this repository".
- Advanced Search:** A link to "Advanced Search".
- Notify me via email or RSS:** A link to "Notify me via email or RSS".
- Links:** A section with links to "Thomas Jefferson University" and "Scott Memorial Library".
- Browse:** A section with links to "Collections", "Disciplines", and "Authors".
- Author Corner:** A section with links to "Author FAQ" and "Submit Research".

The central text area contains the following information:

The Jefferson Digital Commons is a service of Thomas Jefferson University's [Center for Teaching and Learning \(CTL\)](#). The Commons is a showcase for Jefferson books and journals, peer-reviewed scholarly publications, unique historical collections from the University archives, and teaching tools. The Jefferson Digital Commons allows researchers and interested readers anywhere in the world to learn about and keep up to date with Jefferson scholarship. [\[more\]](#)

- [No Evidence of a Drug-Drug Interaction Between Letemovir \(MK-8228\) and Mycophenolate Mofetil](#)

What people are saying about the JDC

Name: Steve Vandewalle

Country: US

Role: Flight medic

Comments: This article was helpful in illustrating the nebulous association between autonomic dysfunction and cluster headaches. My wife has had (still undiagnosed) unilateral autonomic dysfunction in a cluster headache pattern, with no real pain---just a tightness

Name: Kaushik Dasgupta

Country: GB (Great Britain)

Role: faculty

Comments: I have been hugely benefitted by this article, so much so that I am taking this minute out of a really busy and challenging Sunday sign out session.

Kind Regards

Yours sincerely

Name: Eliana Lage

Country: BR (Brazil)

Role: researcher

Resource URL:

http://jdc.jefferson.edu/cgi/viewcontent.cgi?article=1046&context=rothman_institute

Comments: I'm very grateful. Thanks by share your library
