Jefferson Digital Commons quarterly report-July-Sept 2016

Downloads over the past quarter for the Jefferson Digital Commons have been tremendous:

Download map from July 1, 2016 to September 30, 2016

519 new assets were added this quarter including commencement programs from various schools!

The most popular government domains downloading content include:

▶ Department of Veterans Affairs	Government	486
▶ National Health Service	Government	268
▶ New York City Health & Hospitals Corporation	Government	83
▶ Alberta Health Services	Government	64
▶ Queensland Health	Government	51
▶ Scottish Common Services Agency	Government	51
▶ National Institutes of Health	Government	50
▶ Los Angeles County Department of Health Services	Government	30
▶ Gouvernement du Quebec - MSSS	Government	24
▶ Welsh Assembly Government	Government	22

The most popular education domains downloading content include:

> Thomas Jefferson University	Education	1991
> North Carolina Research and Education Network	Education	130
> Mayo Foundation for Medical Education and Research	Education	112
> The Johns Hopkins Medical Institutions	Education	108
> Dr. Ambedkar University Old IP Univ. Campus Kashmeree Gate New Delhi	Education	105
> Ohio State University	Education	100
> University of Texas	Education	90
> The Trustees of Columbia University in the City of New York	Education	89
> Penn Medicine	Education	87
> New York University	Education	80

Assorted assets added to the JDC from July-September 2016

What People are Saying about the JDC

Name: Bev Tumelty

Country: Great Britain

Role: patient with anorectal melanoma

Resource URL:

http://jdc.jefferson.edu/tmf/vol17/iss1/9/?utm_source=jdc.jefferson.edu%2Ftmf%2Fvol17%2Fiss1%2F9&utm_medium=PDF&utm_campaign=PDFCoverPages

Comments: researching these articles as had APER in March16 for anorectal melanoma and trying to find some positive outcomes. no luck yet. I am finding articles very interesting though as I am also a qualified nurse.

Name: Carla

Country: US

Role: student

Resource URL: http://jdc.jefferson.edu/cgi/viewcontent.cgi?article=1063&context=jmc_catalogs

Comments: I'm using this document as a primary source document in an english paper. The topic is "Choose a medical document that is important to today and was important in the past."
