[Jefferson Faculty Books in the JDC](#)

The Jefferson Digital Commons has a new series: [Jefferson Faculty Books](#), a collection of recent works published by Thomas Jefferson University faculty. This list will be updated as Jefferson authors continue to publish new titles. Each record includes a link to [Amazon](#) for those interested in purchase, as well as a [WorldCat](#) link to help researchers locate the closest library that owns a copy of the book.

The screenshot shows the Jefferson Digital Commons website interface. At the top, there is a dark blue header with the Jefferson logo and the text "Jefferson Digital Commons" and "Thomas Jefferson University". Below the header is a navigation bar with links for "Home", "About", "Help", and "My Account".

The main content area is divided into a left sidebar and a main right section. The sidebar contains a search box with the text "Enter search terms:" and a "Search" button. Below the search box are links for "Advanced Search" and "Help on using Search". There is also a notification option: "Notify me via email or RSS". Under the "Browse" section, there are links for "Collections", "Disciplines", and "Authors". The "Author Corner" section includes an "Author FAQ" link. At the bottom of the sidebar is a "Scott Library Twitter feed" with a "Follow" button and a tweet from "Scott Mem. Library @SMLibrary TJU" posted 19 hours ago.

The main right section displays the breadcrumb "Home > [Jefferson Faculty Books](#) > 45" and a "< Previous" link. The title "JEFFERSON FACULTY BOOKS" is prominently displayed. Below the title is a book cover for "The Spine" by Todd J. Albert. To the right of the cover, the title "Master techniques in orthopaedic surgery: the spine" is shown, followed by the author's name "Todd J. Albert".

Below the book cover and author information, there are two buttons: "Buy this Book" and "Find This Book". The "Buy this Book" button is highlighted with a red border. Below these buttons is a "SHARE" section with icons for Facebook, Twitter, LinkedIn, Google+, Email, and a plus sign for additional sharing options.

The "Description" section follows, stating: "Now in its Third Edition, this volume in the Master Techniques in Orthopaedic Surgery Series combines the step-by-step procedural guidance that readers have come to know with new and updated discussions of specific procedures. The text's how-to format helps readers face the challenges of spinal surgery with confidence. NEW to the Third Edition: Six new chapters address Transpedicular Fixation, Anterior Cervical Arthroplasty, Lateral Lumbar Interbody Fusion, and Lumbar Disc Arthroplasty. Expanded coverage of neurologic issues in spinal surgery broadens the text's scope and assists in presurgical planning and choice of technique."
