

Meromy

Dear Greene,

I was trying Sunday
to figure out your account, and
find I cant particularize,
unless you have your meml.
with you -

Sometime next
week, if you will come up,
and bring your Cash account
with you, we will set the
matter straight.

The New Year begins
next Sunday & continues for a week,
so that during that week
both you & I will have time

with me up to fix
a day that you will come up.

Yours truly
R. B. Densmore
