Is the Doctor Really In?

Presenter:
Susan Marcel, DO, ABPN

Susan Marcel, DO is a Philadelphia psychiatrist in private practice, focusing on holistic psychotherapy and psychiatric medicine. Her work with patients includes focusing on patients’ mind–body relationships, improving patients’ functioning, preventative health and character analytic psychotherapy. Dr. Marcel is part of the teaching faculty in Thomas Jefferson University’s department of Psychiatry and Human Behavior.

Overall Goals and Objectives:
1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 AMA PRA Category Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

May 1, 2012 8 – 9 a.m.
