The Jefferson Department of Health Policy will be an exhibitor at the first annual A.P.O.R. meeting, so please be sure to register and visit our booth. The purpose of the A.P.O.R. annual meeting is to:

- provide a forum to facilitate the interchange of scientific knowledge in pharmacoeconomics and patient health outcomes;
- facilitate and encourage communications among its members and with other research, regulatory, and educational groups; and
- foster career growth and development of its members
