Integrative Medicine Grand Rounds

presents

Imagery Techniques for Relief of Pain and Anxiety during Medical Procedures

Presenter:

Larry Burk, MD, CEHP

Larry Burk, MD, CEHP, was on the faculty in the Department of radiology at Jefferson from 1987-1991. He then was Associate Professor of Radiology at Duke University and co-founder of Duke Integrative Medicine. He is certified in clinical hypnosis and the author of Let Magic Happen: Adventures in Healing with a Holistic Radiologist.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 AMA PRA Category Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

September 4, 2012  8 – 9 a.m.
925 Chestnut Street
2nd Floor Conference Room
