Integrative Medicine Grand Rounds

presents

Acupuncture Outcomes in Challenging Clinical Cases

Presenter:

Ming Yang, PhD

Dr. Ming Yang holds a medical degree from China and a PhD in Neuroscience. She conducted post-doctoral research at the University of Pennsylvania and for ten years was a Research Assistant Professor in the Department of Neurology at the Thomas Jefferson University. Dr. Yang also holds a master’s degree in Traditional Chinese Medicine and is a board certified practitioner at the Jefferson-Myrna Brind Center of Integrative Medicine.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 AMA PRA Category Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

October 2, 2012  8 – 9 a.m.
