Myrna Brind Center of Integrative Medicine
GRAND ROUNDS

September 2, 2014
8:00 – 9:00 AM
925 Chestnut Street, 2nd Floor Board Room

Presenter: Andrew B. Newberg, M.D.

The Metaphysics of Health: How Philosophy and Medicine are Linked

Dr. Newberg is Director of Research at the Myrna Brind Center of Integrative Medicine and Professor of Emergency Medicine and Radiology, Thomas Jefferson University. His research has focused on the relationship between brain physiology and various neurological and psychiatric conditions, as well as how spirituality, religion and language affect the brain. He is the co-author of *Words Can Change Your Brain* and several other popular press books.

**Overall Goals and Objectives:**

Identify recent advances in integrative medical care and discuss their application to clinical practice.

Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.

Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 AMA PRA Category credit. Physicians should only claim credit commensurate with the extent of their participation in this activity.
