REGULATIONS, &c.

THE Regular courses of lectures commence on the first Monday of November, and end on the last day of February.

During the month of October, the Anatomical rooms are open, and the Professor of Anatomy and the Demonstrator give their personal attendance thereto. Clinical instruction in Medicine and Surgery is likewise given at the Dispensary of the College.

The examination of candidates for graduation commences on the first of March.

The commencement for conferring degrees is held in the middle or the latter part of the same month.

There is likewise an examination of candidates for graduation commencing on the first of July. The degrees are conferred on the candidates who are successful at this examination at the annual commencement following.

The candidate must be of good moral character, and at least twenty-one years of age.

He must have attended two full courses of lectures in some respectable Medical School, one of which, at the least, shall have been in this College, and must exhibit his tickets, or other adequate evidence thereof to the Dean.

He must have studied medicine for not less than three years, and have attended at least one course of clinical instruction in an Institution approved by the Faculty.

He must present to the Dean of the Faculty a thesis of his own composition, correctly written, and in his own hand-writing, on some medical subject, and exhibit to the Faculty, at his examination, satisfactory evidence of his professional attainments.

If, after examination for a degree, the candidate, on ballot, shall be found to have received three negative votes, he shall be entitled to a fresh examination. Should he decline this, he may withdraw his thesis, and will not be considered as rejected.

The degree will not be conferred upon any candidate who absents himself from the public commencement, except by special permission of the Faculty.

FEES.

THE fee for admission to each course of lectures is fifteen dollars.

The matriculation fee is five dollars. The Student is only required to pay this for the first session which he attends in the College.

The fee for the diploma is thirty dollars.

The price of boarding, and all the personal expenses of the Student, are at least as reasonable in Philadelphia as in the other large cities of the Union.
