

Development of a data management system to support continuous quality improvement in IPE

**CENTER FOR INTERPROFESSIONAL  
HEALTH EDUCATION AND PRACTICE**

# IU TEACH (Team Education Advancing Collaborative Health) – replace with 2.0 (joe has)

**CENTER FOR INTERPROFESSIONAL  
HEALTH EDUCATION AND PRACTICE**

**IU TEACH (Team Education Advancing Collaboration in Healthcare)**  
**Framework for the Development of Interprofessional Collaboration and Practice Competencies**  
 Approved by IU University Clinical Affairs 9.8.2016

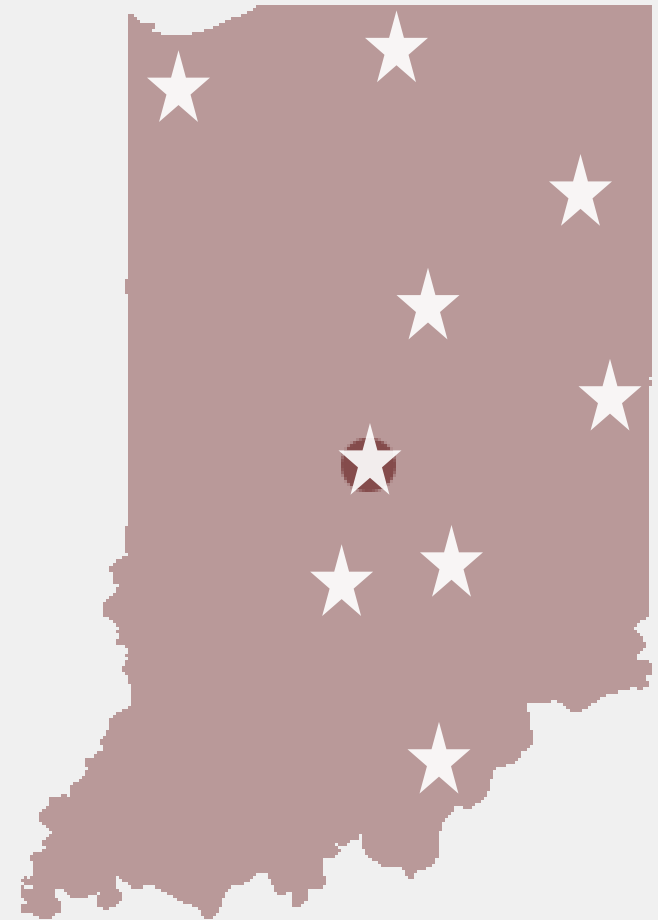

Developed by the CIHEP Advisory Board, Adapted from: (C) University of Toronto, Centre for Interprofessional Education: A Framework for the Development of Interprofessional Education Values and Core Competencies. If you are interested in using full language for this framework, including a glossary of terms and references, contact us at iphe@ipha.utoronto.ca to receive a copy of the IU Teach Competencies Implementation Reference Case Competencies for Interprofessional Collaborative Practice 2016 (most of an open) in at 2016 Update. [https://repository.utoronto.ca/ipsu/ipec-2016-competency-core-competencies-report\\_final\\_release\\_IPH](https://repository.utoronto.ca/ipsu/ipec-2016-competency-core-competencies-report_final_release_IPH)

\*Note: IHLA grounded in community engagement to address individual and population concerns related to Indiana state health priorities

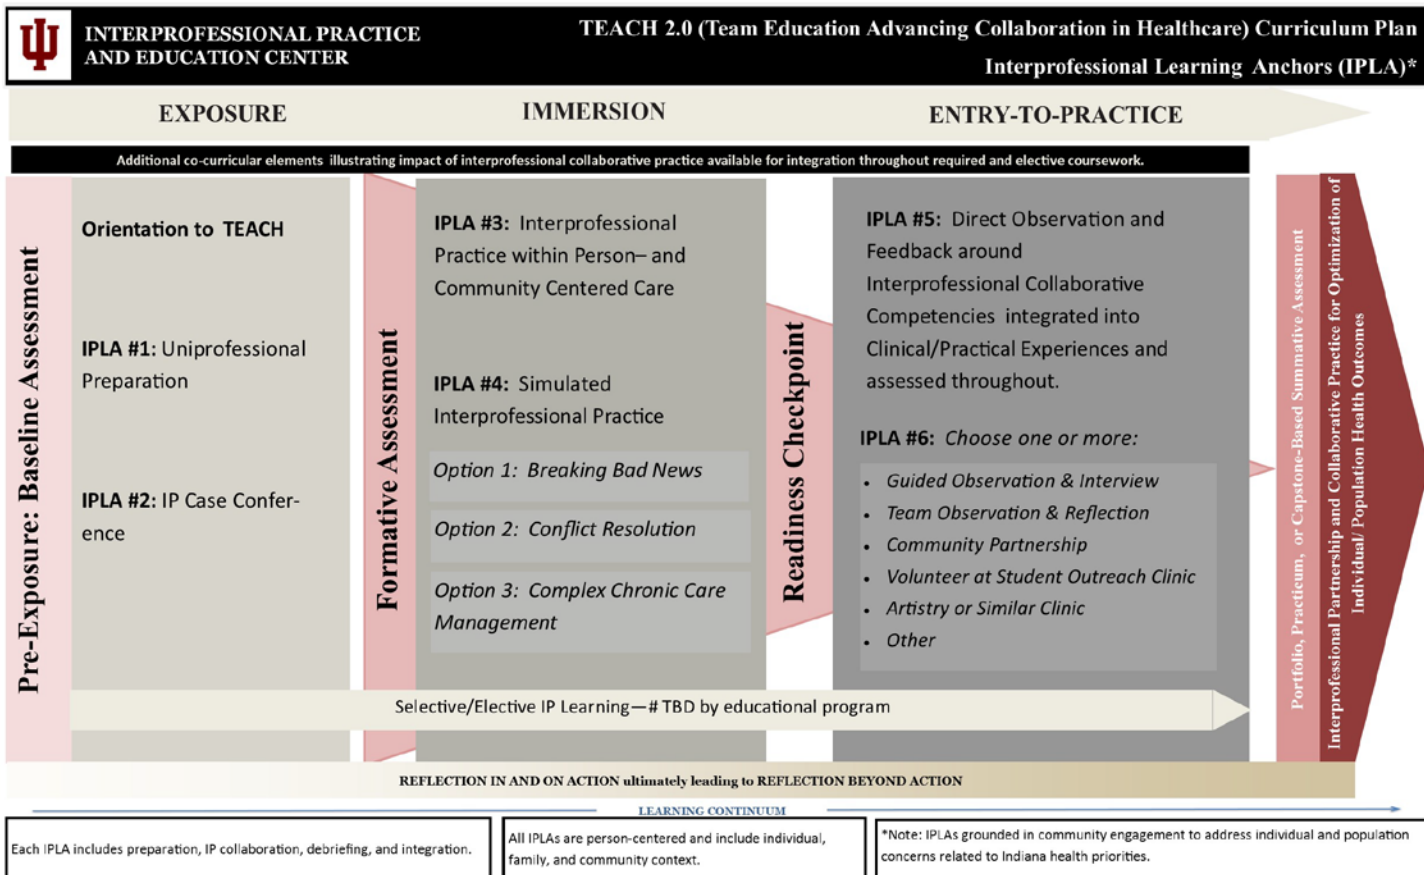

# TEACH Learner Inventory

Programs	Students

Clinical Psychology	2
PT	40
Public Health	401
Social Work	55
Speech and Hearing	40
<b>Subtotals</b>	<b>2365</b>

# TEACH Curriculum Plan

DRAFT: DO NOT DISTRIBUTE.

# Resources: IU-IPE Database

## Multi-purpose tool

1. Coordination of logistics
2. Collection of process and outcomes metrics
3. Assist in administration of standard assessments
4. Continuous quality improvement

The screenshot displays the 'Create Event Request' form in the IU-IPE Database. The form is titled 'Create Event Request' and includes a navigation bar at the top with links for Home, Requests, Sessions, Reports, Services, and Admin. The user is logged in as 'Hello orgAdmin@iue.com' and can log off. The form is divided into two main sections: 'Basic Information' and 'Request Summary'.

**Basic Information**

Please fill out the following form.

Organization: CIPHEP  
Event Coordinator: Mr. Clabop OrgAdmin  
Facility: IU IPE Center  
Event Type: IPE Event Anchor 1  
Event Title: Ethics Event  
Description: Interprofessional Ethics Event  
Allow Self Registration:   
Is Multi Day Event:   
Notes:

# IU-IPE Database: Next Steps

- 1) Finalize the testing phase of the current system by piloting the system on multiple campuses 2016-2017.
- 2) Complimentary component of the system that will embed, delivery, and collect assessment pieces of the IU-TEACH seamlessly to both the event and learner portfolios.

# MOVING FORWARD
