

An Insider's Guide to Study Space

Academic Year 2022-2023

Paul J. Gutman Library

Welcome to the Paul J. Gutman Library! We're located on the East Falls campus of Thomas Jefferson University, and we offer Jefferson students, staff, and faculty space, resources, and support to achieve learning and research goals.

At the library, you have access to more than 100 databases, academic journals, and magazines. Our Special Collections, Materials Library, and Textile & Costume Collection connect you to a world of historical artifacts, garments, photographs, and more. The library contains printers, scanners, copiers, and over 80 computers.

In addition to resources, the library has areas designated for quiet and group study. Please respect all rules outlined in this guide and always throw away your trash when you leave an area.
