New Course Announcement

The College of Graduate Studies announces a new course, GC515, Quality Measurement and Outcomes Analysis in Health Care. This course, coordinated by the Office of Health Policy and Clinical Outcomes, is designed to provide students with an understanding of issues in defining and measuring quality of care in a variety of health care settings and familiarize them with the skills needed to measure quality and analyze outcomes.

GC515 will meet from 5:00PM - 7:30PM on Thursdays. For additional information or to register, please contact the College of Graduate Studies, Thomas Jefferson University, at 215-503-4400.
