Eakins Lounge
1030 Locust Street
Jefferson Alumni Hall
Philadelphia, PA

Please come meet our faculty, staff and students. Take this opportunity to learn more about our exciting new program and how you can become part of it.

Master of Science Program in Public Health

The MSPH program at Thomas Jefferson University offers

- An easily accessible and safe location in center city Philadelphia
- Conveniently scheduled classes designed to fit the needs of working professionals
- A program that you can complete in your own pace in 2 to 4 years
- Highlight their research and develop program with opportunities in the community and abroad
- The resources of a national medical research center closely part of a regional integrated delivery system with multiple sites
- Faculty who teach, direct and educate courses from an academic medical center background
