FROM THE EDITORS

Dear Students, Residents, Fellows, Faculty, and Friends of the Forum,

It is our honor to present the 23rd Annual edition of *The Medicine Forum* to the Jefferson community. With all the uncertainties and stressors that exist both inside and outside of the hospital walls, it is truly remarkable to see the quality of contributions by our authors. From the multitude of case reports to the collection of artworks, our residents have generated an array of unique and interesting work. We hope that this edition will continue to honor the tradition of *The Medicine Forum*, which is the celebration of scholarly activity among physicians in training at our institution.

Sincerely from the Editorial Board,

Shuji Mitsuhashi, MD
