held since 1988!

*A Distinguished
Quarterly Journal*

Nicholas P. Cheremisinoff
Editor-in-Chief

This esteemed quarterly journal is the most complete source on the latest fluid mechanics research. Now in its fourth year of publication, it supplies unprecedented, fast coverage of the current information available on the practical, industrial applications of fluid mechanics. It is parallel in expertise and focus to the widely-respected reference, the *Encyclopedia of Fluid Mechanics*.

Top-Ranking Editorial Board

Every contribution is rigorously refereed by experts from around the world. This journal is published exclusively for scientists, engineers, and researchers in every sector of these industries that involve fluid mechanics:

Published quarterly in March, June, September, and December. Each 6" x 9" quality paperbound issue has an average of 128 pages.

No huge bite out of your journal budget!

U.S. and Canada: only \$295 for 1 year, 4 issues.
