HEALTH IS ALL WE DO

The Department of Surgery and the Gibbon Surgical Society Present:

John H. Gibbon Jr. Grand Rounds

“Surgical Decision-Making: Right & Wrong”

Given by

Keith D. Lillemoe, M.D.

John

At the conclusion of this presentation the participant should be able to:

1. To understand the importance of decisions in surgical career development.
2. To understand decision-making with respect to appropriateness of surgical procedures.
3. To learn about a new electronic option to assist in surgical decision-making.
