Integrative Medicine Grand Rounds

presents

Degenerative Joint Disease and Tendinopathy

Jeremy Close, MD

Presenter:

Jeremy Close, MD

Dr. Close is a leading sports physician who has served as team doctor for a variety of professional and collegiate sports teams.

He has a special interest in cutting edge treatment options and musculoskeletal injury prevention. He is a member of the board of the Athlete Health Organization, which provides comprehensive screening physicals to Philadelphia high schools.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians.
