Homeopathy: A New Scientific Perspective

Presenter:

*Daphne Goldberg, MD,
FABFM, ABIHM*

Daphne Goldberg, MD, FABFM, ABIHM

Dr. Daphne Goldberg is board certified in Family Medicine and Integrative Holistic Medicine, and has been a board member of the American Board of Integrative Holistic Medicine for the past nine years. She is an expert on homeopathy, a 200 year old system of medicine that has early roots in Philadelphia. She will provide an overview of the history of homeopathy and a compelling emerging theory of its scientific basis.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of *1 AMA PRA Category Credit(s)*.
