

Internet Survey

1. Are you male or female?

male

female

2. Select your age:

19-24

25-30

31-35

36-40

40+

3. Select your college:

JMC

JCHP

JCGS

Temple

USP

Other

4. Discipline:

Nursing

OT

PT

General Studies

Medical School

Radiologic Sciences

Bioscience Technologies

- PhD
- MD/PhD
- Postdoctoral
- M.S. Basic Sciences
- M.S. Health Professions
- M.S. Public Health
- Graduate Certificate
- Other

5. What year are you in?

- 1
- 2
- 3
- 4
- Other

6. Do you prefer active learning (learn by doing) or lecture?

- active learning
- lecture

7. In general, how do you solve problems?

- Trial and Error
- Consult an Expert
- Look up Answer on your own
- All of the above
- a and b
- b and c
- a and c

8. Do you prefer handouts with text or screen shots?

Text

Screen shots

9. When using a computer do you multitask?

yes

no

10. If yes, what sort of multitasking might you be doing? List all possible tasks. (For example, talking on phone, videoconferencing, virtual chat, email, etc.)

11. On average, when using a computer, how many software applications will you run simultaneously? (For example, Word Processing, Instant Messaging, Internet Browser, Excel, etc.)

1

2

3

4 or more

12. Would you take a workshop on how to use a database at the beginning of a semester or later in the semester as a deadline for a paper/presentation nears?

Beginning of semester

Later in semester as deadline nears

Never, I'd learn it myself by reading all the help menus and relevant documentation

13. In your undergraduate course work, did you have any formal information literacy classes (formal library instruction, how to use databases properly, etc.)?

None

Only tour of library

- Tour of library with 1 to 3 hands-on database computer sessions
- Multiple (at least 4 or more hands-on computer classes) library workshops taught by library faculty or university Professor

14. How long will you surf a web site or search a database before asking for help?

- I never ask for help
- 0-30 minutes
- 30 minutes to 1 hour
- 1-2 hours
- 2+ hours

15. When seeking research assistance, where do you turn FIRST?

- Friend
- Classmate
- Professor
- Librarian
- Family member
- The Magic Eight Ball

16. Which method of communication do you prefer when seeking assistance?

- Telephone
- Email
- In person
- Instant Messaging
- Virtual Chat
- Morse Code

17. How do you feel about the use of the following methods of learning?

- o Traditional lecture by professor (no slides, PowerPoint etc.)

- Like
- Dislike
- Neutral

- o PowerPoint slides in professor's lectures

- Like
- Dislike
