A Letter From The President

Dear Friends and Fellow Alumni,

As my tenure in the Office of President draws to a close, I should like to thank you for the enthusiastic cooperation and the much needed support freely given to assure the existence of a strong and continuing alumni during the coming years.

It is only because of this interest and participation that a firm foundation could be laid for our continuance as an active but separate entity of Thomas Jefferson University.

Attendance at Alumni Day was the highest ever and the enthusiasm of each class was heart-warming, as was the participation in the business meeting. It is this spirit of togetherness that assures me of continual and on-going association.

In closing, may I say that it has been an honor and a privilege to once again serve you in the capacity of President, especially during this time of transition in the closing of our school.

May your pride in being a Jefferson graduate sustain you always.

Perma E. Davis, R.N.
Survival, Quality of Life and Crises Resolution are terms common to the nursing profession. Each denotes learning — in a word, change. Each heralds an aspect of the future — in a word, change. Each makes this project as overwhelming as it is necessary. Working in cooperation with author Andrew Shearer in his work commissioned by Dean Marlene Abrams in December 1981.

Within a few months the history of the School of Nursing Annual Report to the Alumni Association 1980-1981

We have contributed to the quality of life through preparing 5087 competent, caring, committed professional nurses who have earned for themselves and their Alma Mater a reputation for clinical excellence, surpassed by few. This reputation should continue for generations. We have resolved our crises — Major and Minor:

- Shortened skirts;
- Shortened work weeks, holidays and weekends;
- State Board and NUN Accreditation visits and reports;
- Flower Children, Women’s Lib, married students, male students, co-ed dorms, students attempting to dress like Dr. S. Gros in their uniforms, swimming in the Otter Arch, the finality of it all being most acute. It was “good-bye” not only to a great institution but to the end of an era as well. Our traditions have dug through the Archives, redistributing furniture and equipment, etc., during the summer. All of our graduate records are now on microfilm but other permanent records are yet to be done.

At the Closing Exercises following Commencement on Thursday, June 10, 1982, three students appeared with me to present a facsimile copy of the history of the school to the University. The students were modeling three sets of uniforms, representing students from the time periods indicated: Linda Yarnall, from 1891 to the early 30’s; Ellen Holohan, from about 1930 to 1950; and Kathleen Santangelo, from 1959 to 1982. Linda became the 5087th (approximate) and last graduate of the School of Nursing. When she wound her way through the traditional Rose Arch, the finality of it all was most acute. It was “good-bye” not only to a great institution but to the end of an era as well. Our traditions have held us together and our heritage has given us reason to be proud. It took place in time and history which is clearly described by Andrew Shearer in his work commissioned by Dean Lawrence Abrams in December 1981.

Within a few months the history of the School will be published. Your response to the questionnaire was overwhelming and we appreciate your cooperation in helping to make this project as complete and accurate as possible. We sent out approximately 3000 questionnaires and over 800 completed ones were returned. All of your comments were tallied, pictures screened and memorabilia categorized. Working in cooperation with author Andrew Shearer, a Faculty Committee and I have dug through the Archives, dusted the stacks and devourd hundreds of printed pages. Needless to say, not everything unearthed by you and us can be included in this monumental work.

Mr. Shearer has attempted to put into the context of world events, events at Jefferson. As you read the history, I dare say, your memory will add color that no author’s pen could add.

A BIT OF NOSTALGIA 1982

In addition to the final proofreading of the history, Mrs. Casey and I will be microfilming records, preparing files for the Archives, redistributing furniture and equipment, etc., during the summer. All of our graduate records are now on microfilm but other permanent records are yet to be done.

Historical Highlights

Jefferson School of Nursing

1891

Jefferson Hospital Training School for Nurses began its two-year course of study under the leadership of Ella Benson. Shortly thereafter, the program was lengthened to three years, remaining that length until 1968 when it was shortened to 35 months. In 1969, it was shortened to 33 months.

1893

Five graduates received diplomas at the first commencement which was held in the clinical amphitheater of the hospital. The Training School had grown to include three graduate nurses, 13 student nurses, and six male nurses (affiliating students from Pennsylvania Hospital). The first nurses' home, located at 518 Spruce Street, was opened. Thirty student nurses were enrolled in the program.

1907

The opening of an eight-story hospital building and the increase in the number of hospital patients resulted in the enrollment in the School of Nursing increasing to 90 students. Instead of caring for patients in their homes, as they had before, student nurses now gained all their clinical experience in the hospital. In addition, the first classroom for nurses at 1020 South Broad Street was provided for the instruction of the first visual aids, the "Chase Doll" (a mock patient for students to practice on) and a skeleton.

1922

Several Spruce Street houses were renovated and furnished as nurses' residences.

1924

Nora E. Shoemaker was appointed the first full-time instructor.

1925

A six-story dormitory was built behind the renovated residences. The next year, two floors were added to the dormitory, and houses adjacent to it were purchased for use as a nurses' residence.

1931

Until this time, small monthly remunerations had been given to students. Discontinuing this practice made it possible to employ more graduates so that students could be released from the duties of the wards to attend classes.

1933

The yearbook title was changed to Nosokomia.

1936

A nursing library consisting of 1,200 volumes was presented to the school.

1940

Major curriculum changes were initiated to bring curricula in line with "Curriculum Guide for Schools of Nursing," published in 1937 by the National League for Nursing Education (later the National League for Nursing).

1942

"White Caps," the first student newspaper, was published.

1944

Student government was initiated.

1950

Students were paid $5.00 per hour for working in the Scott Memorial Library.

1959

The James R. Martin Residence for student nurses opened at 201 South 11th Street.

1960

The School of Nursing became fully accredited by the National League for Nursing, a status it has maintained for 22 years.

1968

The School of Nursing became part of the newly-established College of Allied Health Sciences.

1979

The Board of Trustees accepted a recommendation from the faculty of the School of Nursing to phase out the traditional diploma program, beginning with the class entering that September.

1982

On June 10, the last commencement of the School of Nursing took place. Alumna Kathleen Carlson, R.N., assistant executive director of the Pennsylvania Nurses' Association, was the speaker.

The 38 seniors who received diplomas brought the total number of graduates to 5,078. Linda Yarnall was the last student to receive a diploma from the School of Nursing.

The History of The Jefferson Cap

Jefferson graduated its first class of nurses in 1893. At that time the cap that was worn had a high crown and a wide brim with ruffles around the brim. It was made of a delicate material called "lawm," similar to material used to make handkerchiefs. The cap resembled the Philadelphia General School cap, which at that time was made of a similar material.

In 1894, Susan Hearle, a graduate of Philadelphia General became Directress of Nurses at Jefferson. When she noticed the similarity between caps, Miss Hearle decided that Jefferson Nurses should have their own distinctive cap.

The crown was lowered, the ruffle was removed and the brim was narrowed, flattened and spread like wing tips, across the front of the cap. The material was changed to organdy which gave the cap more body.

In 1902, the cap was worn with the brim starched and the wings made to stand out — that is the way we wear it today.

Initially, it was traditional to earn the cap by passing the six month probationary period. Now the cap is given to the student to wear as soon as she enters the school. This was a great responsibility for the student, knowing that the Nurse's Cap originated historically from the veil worn by women who traditionally covered their heads in public, and the cap is a symbol of service and privilege.

A responsibility because the Jefferson Cap is recognized and respected the world over, being worn by more than 4500 graduates of the school; many of whom earned their cap and consider it an honor to wear it. With the closing of the School of Nursing in June of 1982 — the total number of graduates will be 5,078.

The student is entrusted with the cap and must wear it with dignity and respect for the tradition that is to be upheld.

Two Firsts for Doris Bowman

Dr. Lewis W. Blumle, Jr., M.D., president of Thomas Jefferson University, left; Doris E. Bowman, R.N., Ph.D., Director of the School of Nursing and Lawrence Abrams, Ed.D., dean of the College of Allied Health Sciences.
Congratulations, Jeraldine Kohut

Jeraldine Kohut, R.N., M.A., is shown with her husband Sylvester Kohut, Jr., Ph.D. Mrs. Kohut received the award at the Opening Exercises on September 8, 1982.

The College of Allied Health Sciences Alumni Special Achievement Award was established in 1977 to recognize the accomplishments of allied health alumni. This year's winner is Jeraldine Marasco Kohut, R.N., M.A., class of 1964. She received the award for her many accomplishments as a nurse and an educator.

Mrs. Kohut is currently assistant professor of nursing and director of continuing education, School of Nursing, Tennessee Technological University, Cookeville, Tennessee. She is also executive director of Hospice in Cookeville. She was associated with Cookeville General Hospital as an instructor/supervisor (1976/1980); assistant director of nursing sciences (1978/1979); and director of staff development (1978).

For two years (1975/1977), she served as director of staff at a convalescent center in Camp Hill, Pennsylvania. She worked as a nurse specialist in a critical care/special care unit; a supervisor in a coronary care unit; a staff nurse in an emergency and crisis center; and an I.V. therapy nurse in various Pennsylvania hospitals.

For two years (1971/1973), she was a nursing instructor at St. Joseph's School of Nursing in Fort Wayne, Indiana. Following her graduation from Jefferson's School of Nursing, she became the coordinator in the intensive care unit, and I.V. therapy coordinator at Thomas Jefferson University Hospital.

In addition to the Alumni Special Achievement Award bestowed by Jefferson's College of Allied Health Sciences, in 1982 Jeraldine also received the Cookeville Jaycees Distinguished Service Award, Humanitarian of the Year, and was elected to the Nursing Honor Society (Sigma Theta Tau), Tennessee Technological University Chapter.

She has attended many workshops and has published numerous articles.

Jeraldine is married to Sylvester Kohut, Jr., Ph.D., chairperson of the Department of Secondary Education and Foundations, Tennessee Technological University. They have one son, Jeremy John.

Tribute to Elizabeth J. Sweeney

With the death of Elizabeth J. Sweeney, R.N., B.S.N., M.S.Ed., in December 1981, Jefferson, especially the nursing staff, lost a true, dedicated and loyal friend.

In June of 1959, Miss Sweeney, a graduate of Abington Memorial Hospital, came to Jefferson as Director of the Nursing Service Department. When Jefferson's School of Practical Nursing was opened in 1964, Miss Sweeney was Director and also the principal organizer of the program.

The School of Practical Nursing closed in 1980. It had graduated 665 LPN's who now live and work throughout the country.

Miss Sweeney's life had been devoted to providing quality nursing care for patients and this goal was achieved.

We shall miss you, Miss Sweeney. All our lives have been enriched by knowing you.

Sculpture of mother and daughter and father and son was given by G. Walter Anderson, M.D., in memory of his wife, Helen Dick Anderson. The sculptor is Bruno Lucchesi.
It is an honor for me to participate in this very traditional celebration. When I sat on the other side of this stage fourteen years ago, I never once dreamed of this opportunity. Thank you.

Celebrations mark significant events in our lives and they are frequently accompanied by gifts. I would have liked to have given each of you a gift to make this moment particularly meaningful, but the financial reality does not permit it.

With the easy option eliminated, I was compelled to tackle the difficult task of writing this speech. Remembering my own graduation from Jefferson and that of my sister, I thought carefully about what I might say to you. What one memory could I focus on which all Jefferson nurses might relate to? I couldn’t remember what was said in previous graduation addresses, nor could I detail the events. I did, however, recall the faint fragrance of triumph — because we made it — and the bittersweet ambivalence we felt — because we were leaving one another. With enthusiasm and reluctance, we ascended the stairs through the arch of roses.

I thought about those roses... and perfume... and being easily distracted... perfumes commercial.

Picture the hurried nurse coming home from the 7-3 shift, flushed with a case of carafe toss while busily transforming herself or himself into the perfect date; or the beautifully bronzed body of the 11-7 nurse lying by the pool in relaxed exhaustion, ready to spring into action through the arch of roses as students and leaving as graduates, from the moment. Society is also served by your competent care, life maintenance, and life restoration by providing the best possible nursing care under the conditions present at the moment. Society continues to benefit from that teaching today.

The community is also where you live. Do not neglect participation in local politics and volunteer services. It means that you take advantage of every opportunity to share your nursing expertise. Dwight Eisenhower believed that “Politics should be the part-time profession of every citizen.” It is therefore, incumbent for professional nurses without being responsible citizens.

Your commitment to Jefferson can be expressed by remembering this school’s investment in you. You are fortunate to share in the longstanding tradition of this institution which is dedicated to excellence through education. Use that education to benefit not only society but also yourselves. When opportunities present themselves, capitalize on every opportunity to share your unique perspective. The dedication of your yearbook to the alumni demonstrates your recognition of the fact that their achievements are a rich legacy. Continue that reputation by making Jefferson significant throughout your lifetime.

Your commitment to yourselves can be expressed by practicing self-care. The demands of your profession are frequently overwhelming. It is important to remember that you do not violate that practice act by allowing outside influences to dictate expansion of your practice beyond your legal authority; and lastly, that you are committed to lifelong learning.

Dwight Eisenhower believed that “Politics should be the part-time profession of every citizen.” It is therefore, incumbent for professional nurses without being responsible citizens.

Your commitment to Jefferson can be expressed by remembering this school’s investment in you. You are fortunate to share in the longstanding tradition of this institution which is dedicated to excellence through education. Use that education to benefit not only society but also yourselves. When opportunities present themselves, capitalize on every opportunity to share your unique perspective. The dedication of your yearbook to the alumni demonstrates your recognition of the fact that their achievements are a rich legacy. Continue that reputation by making Jefferson significant throughout your lifetime.

and another began because a need was manifested and

responded to by responsible professional nurses. A program

well designed was changed to ensure that educational

preparation enabled the graduates to meet the current

nursing needs of people. What did the change mean to the

alumni who were graduates of the one year program? Did

it demean them? Were they something less than the

graduates of the new three year program? Was their existence

College alumnus say: "Once we are entered on the pages

of history we never cease to exist." The truth is the value of

the graduates of the two year program will never cease to

exist. Their efforts compose the qualitative base upon

which all of Jefferson nursing quality was built. From

their strength, the three year program was cultivated. Your

existence, your contributions and even your reputation

had their origins in that beginning two year program.

What will happen? Will it all come to an end? Will you

An era is not marked by a specific number of years but

rather by the distinctive system of chronology starting from

A FIFTIETH REUNION

We, the Class of 1932, thank the Alumni Association for giving us such a delightful day and the opportunity to get together and reminisce. And reminisce we did—all about those good old days when Miss Melville not only tried to make us good nurses (oh, yes she made us furiou– in the process), but also tried to make us into ladies.

She said, "A lady never leaves her boudoir without wearing a hat and gloves." Or, lifting the hem of an ankle-length pink uniform from above black late stockings and shoes on the old third floor corridor between Gvene Ward and 3 DR, she would say, "Miss Showers for it could have been any other one of 50 students on any corridor), where is your petticoat?" Next day, to avoid those piercing black eyes, the petticoat was on—even though it was still 110° F on that August day.

Then there were the nights of 9:00 p.m. curfews, when we lowered baskets over the fire escape railing so we could get a half-pint of chocolate ice cream for 13 cents from Pop Kassels.

And the boxes from home. "This room looks like a South Street kitchen," said Ma McCleavy. Classmates vanished into thin air, leaving only the occupants of the room to face the music.

On and on we went—even into an anteroom after the luncheons for more remembering, picture looking, and talking. "You haven't changed a bit." (prevaricator—we are older, grayer, fatter and more wrinkled.)

Before this we had some other things to do. You can't have a reunion without statistics. Of the 66 graduates in our class, we have no addresses for three. Nine are deceased, and we contributed $271 to the alumni association in their memory; one is in a nursing home. That leaves 43 available to attend. Several were not well enough to make the trip. We thought about you, missed you, and wish you well. Thirty-three actually came.

Gail brought a card, and we all signed it and sent it to Ethel Lundy Taylor at the Chateau Convalescent Center, Bryn Mawr, PA.

Twenty-nine of us live in Pennsylvania; five in New Jersey; four in Florida; two in Maryland; and one each in Delaware, New Mexico, and California.

Laura D’Witt, who came from California, traveled the farthest. She is one of four sisters who are Jefferson nurses—all of them still living. They are Ann, ’20; LuLu M. Hunsinger, ’23; and Catherine D’Witt Smith, ’29. So for these two honors, here is an award and our congratulations, Laura.

Peg Felker Reinhard has a daughter, Nancy Reinhard Wundscheider, a Jefferson graduate of the Class of 1960.

Others attending from a distance were Doris Adams Reynolds from New Mexico; Caroline Jones Transeu from Ormond Beach, Florida; and Dorothy Dunmore Williams from St. Petersburg, Florida. Dotty is the widow of a Jefferson doctor and the mother and mother-in-law of two other Jefferson doctors. In addition, Dotty was in Miss Melville’s office the year we graduated and the year the annual luncheon was begun. In fact, Dotty and some of her classmates did a lot of the leg work that was involved.

As far as we know, in our class there are no Ph.D.s, M.D.s, D.D.S., etc. Also no burns—just good solid hard working citizens who have made the world a better place because they passed through.

We’ve left intangible marks all along the way, but Addie Ruth Miller made the most tangible impact. She already has 13 progeny, including one great-grandchild. Congratulations and an award to you, Addie.

Now we come to attendance records. Since we’re sorta felt like “Ma Luncheon,” because our attendance over the years has always been outstanding, we’ll blow our own horn. Emma Phoebe Kelly, Gay Arnold Blue, and Alma Andrews Johnson don’t remember exactly how many

Standing left to right: Marie Maxwell (Scherer), Thelma Morris (Showers) and Betty Ent. Seated left to right: Gladys Blue (Arnold) and Alma Johnson (Andrews).

The self-appointed committee, Betty Ent and Laura DeWitt.

Marie Scherer Maxwell missed three times when she was with the Jefferson Unit during World War II. (I’ll bet the class of 1982 thinks that makes us pre-historic. We assure you we don’t feel it.)

Sylvia Cole Vlam missed only 2 of the 50. Betty Ent missed one. She had had surgery in the days when you dangled on the 10th day, went home on the 14th, and to be released for a social event was unheard of!

Now to get to the BIGGIE. Gail Gonder Willard has attended all 50 of the luncheons, Hurrah and hallelujah, and an award to Gail. Do I hear 60? Now we want to greet the class of 1982, the last class to graduate from the Diploma School of Nursing. We wish them the health and happiness we have had—sure we’ve had sorrows, but they make the rainbows. We wish them the pride of being a Jefferson nurse, fond memories of their nursing school days, a future of service to mankind, and the realization of their fondest dreams. Now we suppose they won’t get all this high falutin’ stuff; but wherever they go, however they do, we hope they remember that being a Jefferson nurse is one of the greatest things that could happen to them.

We hate to see the demise of the Diploma program, but Jefferson has always been a vanguard in health care, and must go on to the Baccalaureate program or even to a master’s degree. As sad as we are, we support the B.N. program. We hope we can all continue to work together to make Jefferson nurses THE BEST NURSES.

White Haven Alumnae Celebrate 35th Anniversary

On June 1, 1946, the White Haven Sanitarium merged with the Jefferson Medical College Hospital. The procedure had been to invite the graduate registered nurses who were members of the Alumnae Association no longer in existence to merge with the hospital. It had become part of. Therefore, the White Haven alumnae merged with the Jefferson Nurses' Alumni Association on March 21, 1947. The following resolutions were discussed and accepted:

Upon motion, duly made, seconded and carried, the following preamble and resolutions were adopted:

WHEREAS, Jefferson Hospital has acquired all of the assets of White Haven Hospital, of White Haven, Pennsylvania, and said White Haven Hospital as such is no longer in existence and its facilities are now being operated as a part of Jefferson Hospital.

WHEREAS, White Haven Nurses' Alumni Association is considering dissolving and has indicated to this Association that some of its members may desire to become members of this Association;

WHEREAS, it is the sense of this meeting that it would be desirable to work out a plan under which certain of the members of the members of White Haven Alumni Association may become members of this Association.

NOW, THEREFORE, RESOLVED, that the President of this Association be and hereby is authorized and empowered to appoint a committee of three members of this Association (one of which members may be the President, if she so desires) to meet and negotiate with the representative of the White Haven Alumni Association for the purpose of seeking to work out a plan acceptable to both Associations under which the acceptable members of the White Haven Alumni Association may become members of this Association.

On April 16, 1947, Miss Schenck and Miss McClade, two members from the White Haven Alumnae Association, met with the Misses Rilland, Carey, and Pierso, A plan was accepted by both committees.

The assets of the White Haven Sanitarium Alumnae Association were turned over to the Jefferson Nurses' Relief Fund. The same privileges were extended to the registered nurses of the White Haven Sanitarium Alumnae Association as the Jefferson Hospital Nurses' Alumnae Association members.

We were very happy to have the White Haven Alumnae members with us and extended to them a warm welcome.

The resolutions are reprinted from the 1947 Nurses' Alumnis Bulletin.

Martha Riland Reports

The response of the anniversary classes to our request for changes of address and new names helps the Alumni Office to keep our computerized mailing lists up to date. This is greatly appreciated, since many of our nurses seem to move here and there. We currently have 3,150 alumni of the School of Nursing on file. Please send address changes to the Alumni Office, Room M-2, 1020 Locust Street, Philadelphia, PA 19107.

The Department of Baccalaureate Nursing of the College of Allied Health Sciences seeks to bring programs to campus that will enrich the professional lives of nurses. In keeping with this aim, the Department has again scheduled the Nurse Scholar Series for the Spring of 1983. In 1981, this program was designed to invite nationally recognized leaders in nursing to Jefferson's campus to share their expertise with faculty, students and alumni.

This year, there will be a 3-day program beginning April 1st, running through April 3rd. The speakers for the program are:

* April 1st: Dr. Anne S. Garner, presently Associate Professor at the School of Nursing, University of Kentucky, and past president of the American Nurses' Association (ANA) and the National League for Nursing (NLN).
* April 2nd: Dr. J. Howard Young, Director of the School of Nursing at Emory University and past president of the ANA.
* April 3rd: Dr. Mary K. Kiesler, Director of the School of Nursing at the University of Texas, and past president of the NLN.

Diploma graduates residing in the Delaware Valley are invited to attend this program and others, but please remember we need your correct address to notify you of these events during 1982/1983.

In the past year we have received gifts of memorabilia for the collection displayed in the Nurses' Alumni Office. Mary Steuffer Malick, '28, has donated her class pin, which will be added to the collection of Jefferson nurses pins displayed here.

The following graduates have sent us programs of commemorative exercises: Marjorie Lambert Swindelhurst, '44; Theresa Bushke Poll, '40; E. Nancy Culp Scott, '58; Joyce Songer Weik, '48, who has given a baccalaureate service program and capping exercise program. Zelda Rowe Menor, '29 and Gertrude Lang Ackerman, '53, sent a picture and yearbook for our collection. Patricia Crawford, '45, sent photographs of her classmates as students.

The Class of 1982 gave their class picture; their yearbook, Nosokomas, was dedicated "in their love and respect to all the alumni of the Thomas Jefferson School of Nursing."

The graduating Class of 1982 gave their class picture; their yearbook, Nosokomas, was dedicated "in their love and respect to all the alumni of the Thomas Jefferson School of Nursing."

We wish to thank the following for their contributions:

* Dr. John Anderson, M.D., gave a sculpture depicting a family scene in memory of his wife, Helen Dick Anderson, DN '48.
* Miss Doris Bowman has recently sent the artwork to the Nurses' Alumni Office. We invite all alumni to visit the Alumni Office to see our new gifts and memorabilia.

The Alumni Office will continue its tradition of giving Christmas checks to our alumni who live in nursing homes.

Please notify us if you know of any alumni who are ill or in need of financial assistance.

If you wish to contact the Alumni Office, I may be reached there every Tuesday and Wednesday from 10:00 a.m. to 4:00 p.m. Our telephone number is (215) 928-8981. If there is no answer, calls should be directed to the College of Allied Health Sciences Alumni Office, Room M34, (215) 928-7708.

NURSES' SCHOLARSHIP FUND

The Clara Melville-Arle Lewis Scholarship Fund provides that two scholarships to Diploma graduates may be awarded for both the fall and spring semesters.

April 1st is the closing date for applications for the fall semester, and September 1st for the spring semester.

Each application will be reviewed by the Scholarship Committee. preference will be given to the applicant who has been a member, who is most active in the Alumni Association, and who has most nearly completed requirements for a degree.

NURSES' RELIEF FUND

Life, Active and Associate members of the Nurses' Alumni Association are entitled to a sum of money annually toward their hospital bills and/or bills incurred at home due to extended illness of more than thirty days during the regular period of the hospital services of a physician.

Nursing Home cases will be given special consideration. First consideration will be given to Life, Active and Associate members of the Alumni Association. However, cases due to disabilities will be referred to the President for investigation and then to the Board of Directors for consideration.

PLEASE NOTE: IF YOU KNOW OF ANY JEFFERSON GRADUATE WHO IS IN NEED OF ASSISTANCE, PLEASE LET US KNOW AS SOON AS POSSIBLE.

HOW TO APPLY

Class Notes

Class of 1916
Frances E. Chubb, Nashville, 27 Cooper River Drive, Cherry Hill, NJ 08034. Another year older, hope to be at the luncheon since I am living in the vicinity — Cherry Hill — see you then!

Class of 1917
Frances E. Chubb, R.D. 1, Box 447, Tinton Falls, PA 08756. Recent cataract surgery. Was just fitted with a contact lens.

Class of 1919
Alice Worthington, resident at the Menlo Nursing Home, Chambersburg, PA.

Class of 1921
Elizabeth Garver Miller, 2654 Cold Spring Lane, Chambpaign, Georgia 30631.

Vera Koller Roberts (Benjamin Albert), 111 Main St., Dighton, PA 22112. I will always appreciate the special training at Jefferson Hospital.

Class of 1925

Malinda Marquardt Ziegler (husband deceased), 207 Lilac Lane, Orlando, FL 32105. I have been under medical care and have had an operation.

Class of 1926
Ruth Smith Davis (Charles R. — deceased), Box 705, Columbus Village, Hancock, DE 19970. Still happy — have lived here 3½ years. Am now honorary grandmother to a Brownie Troop. They are darling — 7 to 9 years of age.

Floora Fritz McClaff (Lloyd F. — deceased), 107 30th St., Waynabach, PA 17208. Husband, Lloyd F. McClaff, passed away January 16, 1982, following a long illness.

Class of 1928

Lela Carlson Short (U. Walter — deceased), 58 Hub Courts, Milburn, DE 08108. My youngest grandson, Richard, has been accepted at Georgia State University to study toward a BSN degree. He is a graduate of Sandy Creek High School and has been counseling disturbed children at Peachtown Hospital in Atlanta, Georgia.

Margaret Martin Lauchle (Henry C.), 509 Grand Ave., Dovers Grove, IL 60515. I am appreciating the Alumni Bulletin with news of classmates and others. Our daughter, graduate of Wesley College, now adult student at Southwestern Nazarene University in Kansas City — school is beautiful — I have visited over 100 countries and islands.

Sheila Hockman Sweeney, Class of 1928, presented her picture, 600 Hope St., Catawissa, PA 17820. Get well and do not worry.
Myrtle Taylor Berman (Charles), 310 Colonial Ave., Mooresville, N.C. 28117. Our daughter, Judy, graduated from Bryn Mere College this year.

Nancy Habaker Maxwell (Howard), 3113 Gladstone Drive, Colorado Springs, CO 80907. I volunteer at a local hospital and this year am the Secretary to the Administrative Committee. I am retired.

Beatrix Raymond Snyder (Frank J., Rt. 2, Olivebridge, N.Y. 12460. Enjoying country life, work part time at an outdoor education site. Congratulated on my 80th Anniversary! Gladys Robe White (Robert E.), 313 Rocky Court West, Fairfax, VA 22030. Our grandson is getting into things —16 months old. My daughter, Carol, is pregnant with her third child. She is the youngest, and built, works for Andersen (an accountant) in the firm.

McComb (Truman R.), 366 N. 4th St., Philadelphia, PA 19144. Husband passed away June 5, 1981 as of January 1982. Our daughter, Bertha, has retired as Director of Volunteers in the hospital and this year am enjoying country life and work part time at an outdoor education site. She is working on advanced degree in geometry and biology.

Dawn in 1982. Our son, Marvin, is an ophthalmologist in the Greater Chicago area. My daughter, Julie, is still working full time in her job as an education teacher. She is working at the University of Illinois at Chicago.

Rosalyn Hosterman (Walter), R.R. 1, Aspetuck Road, R.D. 1, Westport, CT 06880. My teaching certificate carries a valid license as of 1938. It has been said that you can find a first job and be happy to attend our bridal shower. My husband and I have never regretted the training we received in 1941. How did we ever find time to work? We both retired in 1982.

She is still working full time in her job as an education teacher. She is working at the University of Illinois at Chicago.

All of these are working on advanced degrees in agriculture, biology and biochemistry. Enjoying country life.

To our family and friends in Sept., 1982. I have 5 grandchildren. Marleone J. Fink (Robert), 1613 Wilt St., West Chester, PA 19380. Still working in private duty — started in 1980 with my family.

Betty Myer Greenwood, 1530 San Marco Court, Punta Gorda, FL 33950. Retired from Malcolm Grau Hospital, Andrews AFB, ND.

Betty Covert Rhodes (Carter, L.), Pa., Ave. Star, Box 20, Millersport, OH 43046. Volunteer work continues, Church of Aging Agency, Meals on Wheels, Red Cross Blood Program among others.

Betty Jane Williams Knox (Hendall, R.J.), 1270 — 10 St. S.E., Langston, FL 33830. My husband and I have retired since June '83 (both of us). Have three children all married and scattered over the states, one in Denver in Santa Cruz, CA. Our daughter Sandy and family live in St. Petersburg. We have just purchased a motor home, so we are moving soon! Don't be surprised if we pop-in for some visits.
Virginia Stegner Lawrence (Will, F.), 102 Charleston Rd., Philadelphia, PA 19103. I have been a 20 year nurse from nursing school to retirement. I will be visiting our daughter in San Diego, California.

Christina Morrison Bleasie (IL, Genoa), 6125 Park Ridge Dr., North Canton, OH 44707. Chris - Infection Control Nurse - St. John's Hospital, Cleveland, Gordon Bleasie, Medsor, President of the Western Reserve. Margaret M. Enright Brumfield (Simmon C. Bumfield, Jr., M.D.), 7337 Central Ave., Lemon Grove, CA 92129. This year is my 20th reunion and most of the oldest class reunion. I am currently attending Associates of O.R. Nurses Convention in Anaheim, CA and had a great time. Last July I spent 2 weeks touring the different area hospitals. We plan to go to Spain, Portugal and Morocco on a guided tour from our church. All my travels the last few years have been very enjoyable. I am still working as O.T. and I am very grateful for all the opportunities presented by my classmates who are also O.R. Nurses. I look at each convention but don't see anyone I know.
for 10 months. Everything is quite picayune everywhere you go, generally speaking. We are looking forward to entertaining our European and British friends in our home and show them our wonderful city.

Marcie Griebel Moore, 1940 N. Rockford St., York, PA 17402. Beginning 3rd year as Entomology Specialist. Completed 4 years entomology major at Central College in the fall, graduating with a 7.7 GPA.
