JEFFERSON NURSES’ ALUMNI ASSOCIATION
MEETING CALENDAR
Regular meetings of the Alumni Association will be held on the following dates:
September 8, 1987
November 10, 1987
January 12, 1988
March 8, 1989
May 7, 1989 (Annual Meeting)
The meetings will be held at Jefferson Alumni Hall, 10th and Locust Streets, Philadelphia. Meetings will begin at 4:30 P.M., except the Annual Meeting which will begin at 10:00 A.M. Room number will be posted in the lobby.

DEAR FELLOW ALUMNI,
It has been my pleasure to have served another year as your president. I have earnestly tried to fulfill my commitment.
This year, the annual meeting was held the morning of the luncheon. Coffee and danish were served to all the early birds, before and after the meeting — that met with many favorable comments. The meeting was conducted as a regular business meeting, with presentation of annual reports. Election results were announced and the new officers assumed their responsibilities after the close of the luncheon. The short film on “Jefferson, A Tradition” was a plus! The meeting was rather well attended (for a first) but we missed YOU!
It was nice to hear so many positive comments about the luncheon itself. We owe a special thanks to our Social Co-Chairpersons for the souvenirs we received. The pens and pads with the Jefferson name or logo added a special touch as did the theme “We, the Nurses”.
Both the Scholarship and Relief Fund Committees have been active. If you need assistance, please use the applications in the back of your bulletin to apply. Our Satellite Committee has taken off — first stop — New Jersey. We’ll keep you updated.
To those of you who could not attend, announcement was made in reference to the new program at Jefferson for nurses out of practice for the past ten years or more. These pool nurses can name their own hours, day shift, Monday thru Friday, areas of interest and to boot — Top Dollar. The program has already been well received — if you live in the area — think about it — Jefferson needs your special touch in delivering quality patient care.
I wish to extend my gratitude to your Board of Directors, Committee Chairpersons, Committee Members and all the active members of the Alumni who have supported and encouraged me these past few years. I shall endeavor to do my best for the ensuing year.

Thanks for the Memories!

FLORENC Roche, RN, CNOR—Class of ‘56
President
NURSES' RELIEF FUND

The Nurses' Relief Fund is available to all Diploma and White Haven graduates. The purpose of the Relief Fund is to provide financial assistance annually toward hospital bills and/or bills incurred at home due to an extended illness and requiring the services of a physician.

All things being equal, first consideration will be given to Life and Active members. However, all applications received will be reviewed and given consideration.

During 1986 we have been able to assist nine of our graduates from the Relief Fund. If you know of any Jefferson or White Haven Graduate in need of assistance, please let us know as soon as possible.

An application for Relief Fund benefits can be found in the back of the bulletin.

NURSES' SCHOLARSHIP FUND

The Clara Melville-Adele Lewis Scholarship Fund continues to provide scholarships to Diploma and White Haven graduates.

May 1986, the Scholarship Committee took action to grant scholarships to part-time, as well as full time applicants. Provided the applicant is enrolled in a program leading to a degree in nursing and enrolled for a minimum of six credits. Scholarships will be available for summer, fall and spring semesters.

Each application received will be reviewed by the Scholarship Committee; preference will be given to the applicant who has been a member, who is most active in the Alumni Association, and who has most nearly completed requirements for a degree.

A Scholarship application can be found in the back of the bulletin.

SCHOOL NURSES AHEAD OF THEIR TIME

The quiet little girl who stops by a busy health office who has been sexually assaulted is helped not by the nurse who rushes her back to the classroom after a pill, but by the one who takes time to talk to her to discover the tragedy.

The boy who comes in with a black eye after a beating isn't helped by the nurse who gives an unnecessary aspirin to relieve physical pain, but by the nurse who takes the time to relieve the psychological pain.

For years school nurses have been ahead of their time by attempting to resolve problems without dispensing pills. Nurses first came into schools because of communicable diseases.

They have turned their nursing and college skills to other areas now that vaccines help control communicable diseases. They do everything in their power to keep children in school, rather than exclude them from it.

School nurses were instrumental in changing the laws in New Jersey about medication in school, realizing that the unnecessary use of aspirin and home remedies were wrong and only added to our drug dependent society. Today the school nurse is the only person who can administer medicine in school in accordance with the law.

Even though not all school nurses are able to formal classroom teaching, they are constantly teaching in the health office. Remembering the teenager with pink eye to throw away her mascara, and buy new makeup every six months, is certainly teaching.

The words of the late Christa McAuliffe are stimulating and thought provoking for everyone in education. "I touch the future...I teach." Governor Kean proclaimed the 4th Wednesday of January as "New Jersey School Nurse Day," to recognize the work of the school nurse. This year on January 28th many nurses had a day off from school due to the snowstorm.

Cumberland County School Nurses are proud of the schools they serve, they are proud to be part of the team that shapes the future of our youth, and they are proud of the stand they have taken against drugs in school, unless prescribed by a doctor.

The above article appeared in the Millville Daily Newspaper on March 7, 1987, and was written by June Regnin Dupnick who is a nurse at Mt. Pleasant and Wood Schools in Millville, New Jersey, where she teaches family life and health education. She is a 1957 graduate of Jefferson's Diploma School of Nursing, and is a member of the Nurses' Alumni Association. June is a member of the New Jersey State School Nurse Association, and the Cumberland County School Nurse Association, having served as its president. She is currently chairman of the Cumberland County Board of Health.

Treasurer
I am replying to the plea from Alice Booth for someone else to write her memories of her days at Jeff. It seems so long ago that my memories are very hazy. Alice has done her duty so now I will try to remember some things that happened when I was a student.

I will forget 1033 Walnut Street. I think we, the class of 1949, were the last ones to occupy those palatial quarters. Mrs. Dick was the housekeeper. There were at least ten girls in my room. We each had a cot, and a foot-locker that we brought from home, and not much else. There were two showers for about 60 girls and loads of roaches. Can you imagine how a small town girl who was sheltered from the world fell in an environment like this? I had never seen a roach before. Later when we looked back on our proto period spent here, we realized that some of the best times we had were spent in the soon to be condemned building.

For our first six months we moved to 1212 Spruce Street. It was like a palace after Walnut Street. I remember passing Horn and Hardart's taking one breakfast at the hotel. The delicious odor from the bakery was a sharp contrast to the slimy eggs, cold toast and that awful Philadelphia scrapple. We would have ended up with deficiency diseases. I don't remember which one of us committed the crimes. Miss Lewis wanted the office desks and alcohol. One of us (I think it was me) got the wrong bottle and cleaned them with acreryl, and they turned yellow. Did I get my full share of narcotics kept in a locked hall closet. At that time the liquid cocaine was strongly flavored with peppermint. One of us (I think it was Beard) slammed the door, and a full bottle of liquid cocaine fell off the shelf, and the entire floor smelled of peppermint. I don't remember and don't care to know how it was resolved.

No matter what time of day or night, if we heard the Star Spangled Banner on the radio we quoted everyone and one all were required to stand up and salute. Salt and crackers in a short sheeted bed was standard procedure. It sure didn't make much to make us happy! Our hours were long and much was needed therapy.

We had a nutrition teacher whose name was Miss Martha Shafer. I remember her clearly, because she was so strict, and wouldn't tolerate laughter.) When she called on me for an answer and called me "Miss Diet," her name was Miss Louise Dietz Strayer. After a course in communicable diseases, and we had gained a little more knowledge, my classmates called me "Lues Diet." Lues being another word of that era, and now reside in the display cabinet in the Nurses Alumni Office. I like being here, it feels like I'm really home at last.

To get back to my story, it is so easy to ramble. During the fall of 1935, the graduating class of 1937, confusing, isn't it, was trying to raise money for their year book expenses. The class decided to have three dolls dressed to chance off. One was dressed as a Nun, one as Miss Philadelphia, and me as Miss Jessica. My clothes were made by C.D. Williams, located on 11th Street between Locust and Spruce. At that time C.D. Williams made all the student nurses uniforms. I even have a nurse's cape, which I really cherish.

Many chances were sold on "us dolls." I was so lucky, because I was won by Dr. Lewis C. Scherffy, a world renowned obstetrician and gynecologist. Dr. Scherffy was thrilled, because he wanted to give me, Miss Jessica, to his little daughter Judy for a Christmas present.

Judy took very good care of me. After being packed away for many years, I again came to the light. Judy who is married and living near Reading, PA came across me one day as she was house cleaning. Feeling that I did not belong packed away in a drawer, Judy called her mother for suggestions. Mrs. Scherffy said "We will take her in to the Medical College Alumni Office; they will know what to do with her."

So, the fall of 1946 I went to the Alumni Office. Of course, my being a nurse, they were not in the least interested in me or my history. The natural thing to do was call the Nursing Alumni Office; they were thrilled to have me.

A letter was with me that had been written to Dr. Scherffy by a student nurse from the class of 1937. The letter was to congratulate Dr. Scherffy for winning me, the doll of his choice. The student's name was Helen Long, she is now Mrs. Marvin Romberg, and resides in Texas. Mrs. Romberg remembered about me being won by Dr. Scherffy, and was willing to share her information with the author of my story. I would be most happy to have any of you stop by the Nurses' Alumni Office, M-6, Jefferson Alumni Hall, and visit with me.

**SUNSHINE AND MUSIC**

A laugh is just like sunshine. It freshens all the day.
It tips the peak of life with light, And drives the clouds away.
The soul grows glad that hears it And feels its courage strong.
A laugh is just like sunshine For cheering folks along.

A laugh is just like music. It lingers in the heart, And where its melody is heard The ills of life depart.
And happy thoughts come crowding Its joyous notes to greet; A laugh is just like music For making living sweet.

**HAPPY ENDING**
FLORENCE NIGHTINGALE

Florence Nightingale was born in 1820 to wealthy, cultured English parents, who at that time were residing in Florence, Italy. The family traveled extensively throughout Europe. Florence had a sickly childhood, the climate of England did not suit her, and contributed to her ill health.

Florence and her sister had a governess, who was very strict. When she 10 her father took over her education, teaching her Latin, Greek, and mathematics, and all that she knew. She had a desire for music, but was unable to sing due to constant sore throats. At an early age she was interested in cultivating her intellect, even as a child she had a keen desire to nurse the sick; she dreamed of them whenever she was not ill. This same year Florence was introduced in London, was presented at court, and her beauty was noted, was presented at court, and her beauty was acknowledged.

During her stay in the Crimea she was responsible for the control of the nursing service, laundries, and diet kitchens, and brought nursing supplies, clothing, food, equipment, and surgical dressings for the patients and nurses, whenever the army system failed to do so. Interested in the medical department, she procured equipment for a laboratory, and was instrumental in bringing about an army medical school.

The Crimean War broke out in 1854, and Miss Nightingale's great opportunity came. She was the first Red Cross and the first War Camp Community Service. Started a post office and a savings fund for the men, provided rest and recreation rooms for them, fitted up convalescent camps, supplied opportunity for study, investigated every detail of their health, dietary, and routine, and organized systemic care for their families.

While in the Crimea she had an acute illness, and this, with her exhausting labors, left her a semi-invalid for life. For many years she was absorbed in the work of influencing the administrations in India on health saving, and sanitation. She remained interested in India during her whole life.

During the time she was in charge, Miss Nightingale organized all the hospitals throughout the Crimea, and about 200 women nurses passed under her control. All this was accomplished in the face of every obstacle that official jealousy, red tape, and bureaucratic inefficiency could present. The most amazing achievement of Miss Nightingale in the

END OF AN ERA

How many of you remember Minnie and Eddie Fine, also known as "mom" and "doc"? For fifty years plus, the Fines ran the Clinton pharmacy and luncheonette located on the S.W. corner of 10th and Spruce Streets. This year the Fines have retired, but they are very sure they will miss all the many friends they made over the 54 years they were in business. Many, many of their friends have been Jefferson nurses, medical students, and doctors.

The pharmacy/luncheonette is an institution that will long be remembered. The luncheonette was known for its famous "best" milk shakes, and a really good cup of coffee. Mom Fine was always willing to listen to your problems, and if asked would offer advice. "Sugar," as the Fines' son Sigmund was nicknamed by his aunt the minute he was born, has worked beside his parents all his life. Sugar could be a pharmacist himself, but many years ago he decided against this line of work, and was most impressed by their visit to the Institution of Nursing. Miss Hearle, was an Englishwoman and had received her first training under Florence Nightingale. The Jefferson Nurses' Alumni Association was organized in 1895 by Miss Hearle, so we, even now, have an indelible or maybe a direct tie with Florence Nightingale.

Another alumna who has worked beside Minnie and Eddie is Miss Stickler. Actually Miss Stickler was self-taught. Her probation due to her exhausting efforts in the Crimea, and about 200 women nurses passed under her control. All this was accomplished in the face of every obstacle that official jealousy, red tape, and bureaucratic inefficiency could present. The most amazing achievement of Miss Nightingale in the

THE FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself toardware, God and in the presence of this profession, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous. I will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty I will endeavor to aid the physician in his work and devote myself to the welfare of those committed to my care.

The Nightingale pledge is a modified Hippocratic oath arranged by Mrs. Lystra Greeter for the nurses of the Farm Training School, Detroit, and was called the Florence Nightingale Pledge as a token of esteem for Miss Nightingale. It is sometimes ascribed wrongly to Miss Nightingale's authorship.

LITTLE JEFF  
As I Remember It

Fifty five years is a long time to remember anything. And the remembrances may not always be accurate since we have a tendency to remember things as we wanted them to be. I will try to be as accurate as possible, but if my memory plays tricks on me, forgive this old lady.

The caste system did not prevail at Pine Street. We were one big, happy family. Everyone worked together to make life as pleasant as possible for patients and staff. The patients were our prime concern. It was a young population, approximately ages upstate.

In the remembrances may not always be accurate since we were our prime concern. We have a tendency to remember things as we wanted them to be.

Nights were very quiet. No patients ventured out of the wards! After the doctor left, we were alone. We remember our instructions. There was no such thing as a procedure book on the ward.

So when I look back on it, I remember coming home from the Forrest Theatre, and taking a complete bath and shampoo because people were coughing and sneezing down my back and beside me. In the hospital we knew what the patients had — they knew they had a communicable disease and that we should do more to protect their family and us. Just as the staff was caring, the patients were caring, and were anxious to use protective measures.

There were also many other dangers. We did not want to be caught with a disease that would spread to the community. That was one of the things everyone seemed to remember. We had diets that included fresh vegetables, fruits, and breads. We also had to wear masks and gowns. These were large parts of our lives. That was one of the things everyone seemed to remember. My nose ran continually. I had to be sure whoever furnished the extra must have been O.K. girls! We went back to the ceramics, one of our staff nurses became intrigued with ceramics that she eventually got her

P.L.

Girls, don't you have that body ready yet? The ambulances is on its way down from the big house for it. "Yes, Miss Cushen, Right away." Back as we went a dark, quiet cell. One of us held up the covers. Under the eerie light, the other took a hairpin from her long tresses, and blindly attempted to pack those unknown orifices. We wrapped him in his shroud, put him on the stretcher, and took him to first floor. As we opened the door for the ambulance driver, the wind lifted the shroud from his face. It was almost as though he spoke to us: "You are O.K. girls!"

Approximately ten years later, I returned as a supervisor. Some things had changed. As a student, friends would ask me: "What surgery are you doing for tuberculosis?" It was the heyday for surgery. I stuck my nose up in the air, and in a superior manner, replied that there was no surgery for tuberculosis. Only fresh air, good food and rest. Now, it was a different story.

Ultimately, all the days of my days of new medicines came upon us. Friends now said: "What drugs are you giving?" My nose again went up in the air as I replied that now "Collapsible Therapy" (surgey) was the treatment of choice. My poor nose! By the time I left in 1947, the age of anti-tuberculosis drugs had arisen, so that nose could tilt no more.

Another question frequently was asked about the dangers of getting tuberculosis from taking care of the patients. We felt so secure in the hospital then I did when I went to the theatre. I remember coming home from the Forrest Theatre, and taking a complete bath and shampoo because people were coughing and sneezing down my back and beside me. In the hospital we knew what the patients had — they knew they had a communicable disease and that we should do more to protect their family and us. On the ward.

We did alright above the waist. There was no problem. Cotton in all the proper places, tissue paper under the eyelids, and the chin tied up with gauze bandage. Then we came down to the waist. Neither of us had ever even seen a nude male below the waist. What to do? The instructions had said there were two orifices there. We panicked. We went out and sat on the stairs between second and third floor. We cogitated. Soon, from the first floor a voice floated up. Miss Cushen:

"Little Jeff" getting fresh air and sunshine.

"Little Jeff" Picnic on the patio.

"Little Jeff" Straighten that bed line girls!
mother involved who made a successful business out of it. I, too, have kept an interest in it.

Patients were also instructed in various activities. When I admired their ability to bat, I was told that I, too, could do it. It demurred, but they insisted. So when I made ward rounds, I plucked my shuttle and thread in my uniform pocket. In between sewing the ice caps, and seeing that the sand bags were properly in place on the patient with a new thoracoplasty. I would pull off my shuttle so patients could see how much I had done since the last time, and be chided for being so slow and inept. Eventually, I succeeded, although now I have neither the patience nor the dexterity.

"All the patients remember the days as pleasant and cheerful. One even characterized the experience as compared to a finishing school — "the only entrance requirement was having tuberculosis." One might wonder, how 12 women, or men for that matter, could function with one bathroom and only two showers. It seems that they worked out a system that worked very well. Of course, the patients did not have bathroom privileges at the same time. In those days post surgical patients were on complete bed rest for — 10 to 14 days! — so some had basins brought to the bed, and I think, bathe given to them (Help! — some of you, fill in two). Two early risers would go in first and shower. And then the next two, brush teeth, etc. There never seemed to be any friction.

"Dr. Savasol in his article mentioned the sun deck, as it was. It was the hub of our existence in retrospect. Doctor made many rounds. Nurses took temps and blood pressures. Dietary provided picnics. The guppies were gupping. Petunias and pansies flourished. Even rose bushes and tomato plants. Now, although I don't think we ever grew enough tomatoes for a salad. I also suspect that on extremely hot days, I bent the rules a bit, and allowed the boys on fourth to take their rest period on the deck. Fourth floor, under a tin roof in Philadelphia 100 degree weather was unbearable. And we certainly knew nothing about air conditioning. (If I didn't do this, I was forgiven.)" In addition, the women brought their sewing kits and mended the men's pajamas, and sewed on buttons. Again, I suspected students interceded with communications.

Although the food was adequate, still it was always fun to send out for something not provided. Bill, the right maintenance man, went out for the patients on Saturday nights.

Sandwiches, coles, cream, etc. In the meantime nurses who were off duty and not otherwise engaged, (and financially solvent) went around the corner to Old Bookbinders at Second and Chestnut Streets for a basket of steamed clams, or to Arthur's Steak House for mouth watering steak.

In those days, all doctors were assumed to be great in God's. Not so at Pine Street. They earned the reputation. The nurses, students, and patients as human beings they were very fond of. They were extra special, and taken by today's standards, were worthy.

Many of them had had bouts of tuberculosis themselves. They had walkedpro in the patients' shoes. I'm sure that it was their caring that rubbed off on the nursing staff. No way can I remember all of them to give them credit. I will focus in on two while thinking of all of the rest so fondly.

Dr. Woodrow Savasol and Dr. George Willauer... Dr. Savasol was staff physician, and Dr. Willauer, chief surgeon. Both were adored by the patients, and certainly esteemed, if not adored, by all their coworkers. Dr. Savasol seemed to be always available for consultation, for advice, for caring for patients, and to help his coworkers with their problems.

Dr. George Willauer — what can I say? He was a showman, as well as an A + + + surgeon. Once I heard him say, "he could cut off my head and sew it on to my great toe, and that would have been O.K. His patients felt the same way about him.

On the day of surgery Dr. "Georgie" sailed into the building in his long black coat, tossed it down, and strode masterfully back the corridor to the O.R. And then, boy, did things pop! Ann remembers (as do we) that he "swore like a trooper." We knew he was not swearing at us. He was swearing at the patient. "Get your bloody game and your bloody bowels under control or I'll redress the incision." 1 am reminded (although I had forgotten it) that I sometimes read poetry to keep us occupied. I do know that my favorite was Robert Service's "The Ice Worm Cocktail." I went from floor to floor with it. I'm sure I didn't care much about poetry in any heart.

Dr. Willauer wouldn't operate on a girl if she weren't menstruating. The patients were on a schedule. If you were scheduled for surgery today, and your period started, you didn't operate. The same way you would admit you were indisposed. In the days when tampons were not as common as today, everyone was not adept at inserting same. If a bedmate were not on your schedule in such matters, she would help her friend insert so that no one would know of her plight.

"Another of Grace's remembrances was the time she "vomited blood." Everyone got all excited, including Grace. It seemed someone (me?) had given her blueberries to eat. Everyone drew a sigh of relief when it was known the berries were the culprit."

Getting fresh air at Pine Street "Little Jeff."

Another wartime remembrance is the blackout. We had black curtains draped over all the windows at night. The blackness and the unamusing and inept."

Do any of you remember the ferries that ran between Philadelphiaw and Camden? Five cents a ride. A good way to cool off on a hot July evening. Many of us took advantage of those rides.

It was not sweetness and light. My first few months had some miserable moments. Kay was queen of the ward. She was a special patient, and had been there for many months. When Miss Cushen was supervisor. Kay had made up her mind that she was not going to like me, or anyone who came to take Miss Cushen's place. As I would go on my rounds, Kay would be sitting in her bed ready to pounce on me.

"If Miss Cushen were here, the bedside tables would not be in such a mess."

"If Miss Cushen were here, the chairs and bedides would be straight."

"If Miss Cushen were here, the lockers wouldn't be so messy."

"If Miss Cushen were here, . . . and more and more. And so it went. How I hated to go into that room. I would stay in the nurses' station, and read the charts and day book diligently. Finally, after 4 or 5 deep breaths, I would push open the door and hear Kay's tirade.

Eventually, Kay accepted me. In fact the night she died she called for me to sit with her and hold her hand. She looked at me and said: "I'm dying." This was in the days before we knew about the four (or is it five?) stages of dying, and I wasn't supposed to say, as I did: "No, Kay. You'll feel much better in the morning.""

"You're lying, Miss Showers, and you know it." I was. And I did.

She held tightly to my hand, closed her eyes, and was gone before the sun rose."

Of such sadnesses and happinesses was fit to Little Jeff.

Thelma Showers Morris — 1932
As a friend and fellow worker Peg was loyal, thorough, strict and trustworthy. She always insisted if a thing was worth doing it was worth doing right and this she did to the best of her ability. She will miss Jefferson, but Jefferson will find her irreplaceable.

Good luck Peg, we hope your retirement is happy and rewarding for you.

This was read at Peg's retirement dinner by Maryanne Werner, Assistant Nursing Director for Cardiopulmonary Nursing at Jefferson.

The following is a summary of Peg's career:

Peg was a registered nurse for 36 years. She was the first registered nurse hired for Direct Nursing at Jefferson Medical College Hospital in 1940. She was probably best known to the nursing community as the Division of Nursing at Mohegan Community College, 1958-71, where her perceptive and forceful editorials made a lasting impression. Several years after leaving AJN (1968) she moved to be closer to her beloved pre-Revolutionary War home. She was probably best known to the nursing community during her tenure as American Journal of Nursing editor, 1958-71, where her perceptive and forceful editorials made a lasting impression. Several years after leaving AJN (1968) she moved to be closer to her beloved pre-Revolutionary War home. In 1974 she was appointed director of the Division of Nursing at Mohogen Community College, Norwich, CT. Upon her retirement from that position in 1979, she received the Presidential Citation.

She received the Presidential Citation for her contribution to the profession of nursing in the areas of leadership, education and service.

She was married to one sister, Bettina Schutt Jennings of Ithaca, New York, and by her long-time friend and companion Donna E. Hayney, with whom she shared her home.

HAPPY RETIREMENT
PEG

Peg holding bronze nurses cap, presented to her by the N.C.C.'s

Twenty five years ago Margaret M. (Peg) Cossman, '47 returned to work at Jefferson, and Jefferson has not been the same since her return. Peg worked most of that time from projects she was involved with.

Peg retired in June 1987 with the title of assistant to the director of nursing, she held this position for several years prior to retirement.

Many who work or have worked in the past at Jefferson came under Peg's influence; she was a hard task master, but at the same time very fair and just in her dealings with people, demanding the best from everyone, and would think nothing of sending someone home if they came on duty with dirty shoes, shoes lacers, uniform, etc.

For the twenty five years Peg was at Jefferson she was constantly faced with the problem of repairing cars, and to wear them proudly. When Peg was on duty and in uniform she was never without her cap.

Peg was also recognized for her mechanical abilities, and was rarely seen without her tools, a real "Miss Fixit." Peg had a wonderful working relationship with all maintenance personnel, she respected them, and they respected her and because of this she was often able to accomplish the impossible.

Any mayor move within the hospital was always made smoother because of Peg's ability to coordinate all aspects of the move. Her main concern was always the comfort of the patient.

DISTINGUISHED CAREER ENDS

A distinguished nursing career came to an end on December 26, 1986, when Barbara G. Schutt, charter member of the American Academy of Nursing, recipient of ANA's Honorary Recognition Award, and former editor of the American Journal of Nursing, died after a prolonged and gallant struggle against cancer.

Barbara's professional career began with her graduation from the Jefferson Medical College Hospital School of Nursing in 1939. Later she earned the BA degree at Bethany College (W.VA) and the MS in Education from the University of Pennsylvania. In 1973 Bethany awarded her an honorary Doctor of Science degree.

After some time as staff nurse and instructor at Jefferson, Barbara joined the USNAC, seeing service mainly in Ohio during World War II. Upon separation from the military, she joined the staff of the Pennsylvania Nurses Association, becoming executive secretary in 1967.

She was probably best known to the nursing community during her tenure as American Journal of Nursing editor, 1958-71, where her perceptive and forceful editorials made a lasting impression. Several years after leaving AJN (1968) she moved to be closer to her beloved pre-Revolutionary War home. In 1974 she was appointed director of the Division of Nursing at Mohogen Community College, Norwich, CT. Upon her retirement from that position in 1979, she received the Presidential Citation. She received many other honors during her career: from both the Pennsylvania and Connecticut Nurses Associations, as well as from other institutions and agencies with which she had been associated.

A committed believer in collective bargaining for nurses, Barbara was a member and, later, chairperson of ANA's Economic and General Welfare Committee from 1956-58. Equally committed to organized nursing, she was an eloquent and influential voice at many ANA conventions, president of the Connecticut Nurses Association, 1977-79, and chairperson of ANA's Nominations Committee, 1972-74.

Barbara was also active in community affairs, serving in various capacities with Eastern Connecticut's Health Systems Agency and Southeastern Connecticut's Commission on Aging. A former participant in Senator Weicker's Senior Intern Program in Washington, D.C., she served as volunteer at Mystic Seaport, with the Literacy program, and at the Women's Center of Southeastern Connecticut.

September 3, 1986, Barbara Schutt, Jefferson University, College of Allied Health Sciences Alumni presented the Special Achievement Award to Barbara Gordon Schutt in recognition of her contribution to the profession of nursing in the areas of leadership, education and service.

She is survived by one sister, Bettina Schutt, Jennings of Ithaca, New York, and by her long-time friend and companion Donna E. Hayney, with whom she shared her home.

SPECIAL ACHIEVEMENT AWARD

September 9, 1987, Deidre Watkins Blank, R.N., D.S.N., a 1967 graduate of the Thomas Jefferson University Diplomia Program, was honored with the College of Allied Health Sciences Alumni Special Achievement Award for her contribution to the nursing profession. Her current position, she says, is to represent nursing at the federal level, as an administrator at the National Center for Nursing Research, established in 1986.

The purpose of the center is to fund research and prepare trainees to be independent investigators. She awards and mentors grants supporting basic and applied nursing research, studies which will have an impact on the future of nursing care.

In September 1971, Deidre was in the Scott Memorial Library doing research when she met her future husband Michael Blank, Ph.D. (CGS '76) who was also in the library doing research. Michael is a senior staff scientist for Hazleton Biotechnologies Company. He develops immunoassays and biosassays for the pharmaceutical industry and for government and university clients.

The Blanks, who now live in suburban Washington, D.C., are involved in a new joint endeavor — the parenting of their daughter, Avery Morgan, who is almost two.

Congratulations! Deidre, on your many accomplishments.

Resumé of Minutes of Alumni Association Meetings

September 9, 1986 — 26 members present.
The minutes of the previous meeting were distributed, read, and approved with one correction, that the Annual Meeting for 1987 will be held on May 2, 1987, the same day as the luncheon.
The Treasurer's Report was read and approved.
Committee reports were given.
Since our last meeting, birthday flowers were sent to the following: Frances Grove, '17, Henrietta Sprunke, '21, and Edna Scott, '28
Correspondence was read to the group.
It was recommended and approved that we contribute $150.00 to United Way.

November 11, 1986 — 16 members present.
The minutes of the previous meeting were distributed, read, and approved.
The Treasurer's Report was read and approved.
Committee reports were given.
Since our last meeting, birthday flowers were sent to the following: Margaret Carey, '27, Estelle Leidow Fleming, '20, Claudia Starr Weidlund, '22, Isabelle Kevel Hewerty, '27.
We received a doll dressed as a Jeffersonian student "probie" nurse from the daughter of Dr. Lewis Scheffey. It is on display in our Alumni Office.
The Satellite Committee met, and a letter in the form of a questionnaire will be mailed to our graduates who live in and around South Jersey.
Correspondence was read.
It was approved that the Alumni Association send Christmas checks to those who are chronically ill or confined to nursing homes.

January 13, 1987 — 21 members present.
The minutes of the previous meeting were distributed, read, and approved.
The Treasurer's Report was read and approved.
Committee reports were given.

Bulletin Committee
Our thanks to all of you who helped in any way with the publication of the 1987 Bulletin. It was so gratifying to have articles sent for the bulletin without having to beg for them. As in the past, we have endeavored to be as accurate as possible. If any names are misspelled please forgive us, it was not intentional.
If you have done or are doing anything interesting or special, please consider writing about it for the 1988 Bulletin, we are always looking for ideas.

Scholarship Committee Report 1986–1987

We are pleased to report that interest in scholarships seems to be increasing among our graduates. Hopefully, this trend will continue. From letters received, it appears that graduates not only appreciate the financial help they are given but have become even more aware and appreciative of the foundation given to Jefferson. We value these affirmations and have attached a few as received.

Awards granted were as follows:

Fall 1986
Anne (Spotney) Woods, 1975
Susan Nuñez, 1975
Maria Longworth, 1969
Patricia Pryor, 1977
Patricia (Appell) Dunn, 1971
Linda Critzer, 1976

Spring 1987
Catherine (Glavey) Dowhy, 1975
Karen (Childs) Davis, 1987
Kathryn (VanDyke) Hayes, 1971

Fall 1987
Nancy (Nevin) McClees, 1969
Kathryn (VanDyke) Hayes, 1987

Thank you Miss Bowman, and the Scholarship Committee for awarding me the Clara Motley-Adelle Lewis Scholarship. This most generous award will enable me to continue my education in the field of cardiac rehabilitation. After 12 years, it is very exciting for me to be back at Jefferson. There is no doubt that my commitment to nursing stems from the strong foundation of knowledge which I received in the diploma program. Thank you for giving me this great opportunity to further my education. Cathy Glavey Dowhy, ’75

I just wanted to write and thank you and the other members of the Scholarship Committee for your generous scholarship award. This will be a big help in meeting my tuition expenses this coming year at the University of Pennsylvania. I am very proud to call myself a "Jeff grad." Karen D. Reynolds, ’77

Just a note to express my sincere thanks and appreciation to the Scholarship Committee for granting me a scholarship. This greatly eases the financial situation associated with completing my nursing education goals. I am confident that the opportunity to further my education will enable me to successfully guide and train the nurses I received at Jefferson. It is my Jefferson education that has guided my professional growth and advancement over the years. Patricia A. Pryor, ’77

The Satellite Committee

For a variety of reasons, representation at our regularly established Alumni Meetings has been rather poor, with only the same 20-25 members present at most meetings. In order to increase our active membership, the idea of establishing satellite alumni groups in other geographical areas was born. Since there is a large concentration of Jefferson diploma graduates living in southern New Jersey, this was the area selected for the initial program.

Accordingly, 142 questionnaires were mailed to graduates who live in this area. Thirty-seven questionnaires were returned over a period of several weeks, most indicating an interest in alumni meetings nearer home. A Satellite Committee report given at the Annual Meeting elicited further interest and, shortly thereafter, a member of the Class of 1950 called to say that she had arranged a meeting to take place at the Garden State Hospital, Marlton, New Jersey and invited the Committee to attend.

Members of the Satellite Committee and the President, Florence Rothe, met with the group which assembled at the Garden State Hospital, and were pleased at their enthusiasm. After much discussion, they expressed interest in setting up a new Jefferson branch. It was decided that since the next parent Alumni Meeting would be held on Tuesday, September 8, 1987, the satellite group would schedule its first meeting 2 weeks later, at 7:00 P.M., on Tuesday, September 22 and send invitations to the meeting using the Satellite Committee's mailing list.

We hope that anyone who is interested in learning more about her or his nurses' Alumni Association and would like to keep in touch with the Satellite Committee, Office, M-6 Jefferson Hall, 11th & Locust Streets, Philadelphia, PA 19107. Learn the benefits of being a member and help our Association grow!

Alumni Office News

Nancy McClees, R.N., E.T. writes: I have attended Franklin University since the fall of 1985 and currently carry a 3.8 GPA. Being self-employed I do not qualify for any tuition refund. Since I graduated from Jefferson in 1980, I did not receive any credit for my three years in the diploma program. Over the last three years, I have challenged all of my lower division nursing courses and scored for a total of 14. Exams, it was daunting, but the fastest way for me. Even today I will hold my diploma education at Jefferson to anyone's education. I have worked in a wide variety of fields and have always been able to feel competent and secure in my knowledge. Thank you for considering an application for a scholarship, Nancy McClees, ’99

Our office continues to work closely with the CAHS Alumni Office. Elisa Lang and Gale Dryden have been a great help to us, we value their friendship, and the good working relations between the two offices.

Of the thousands of alumni who know of anyone having a birthday, let us know the birth year, day, month, address and telephone number.

A big thank you to the volunteers, who so faithfully help us with stuffing envelopes and putting on labels, for the luncheon and annual giving letters. Without your willing assistance it would be nearly impossible to get the mailings out on time.

Bequests

We have received a number of questions concerning bequests to the Nurses Alumni Association. If you are thinking about such a bequest, we would suggest the following sample paragraph for your consideration:

I give to the Nurses Alumni Association of the School of Nursing, Diploma Program, College of Allied Health Sciences, Thomas Jefferson University, located in Philadelphia, Pennsylvania, or its successors, the sum of $... (dollars) (or identify the property, such as stock, or indicate a percentage of the estate, if appropriate) to be used for its general purposes.

This suggested clause is exclusively for the information of our alumni and friends. You should, of course, consult your own attorney as to the applicability of any item to your own situation.

Class News

Virginia Miller Bruner (Ed. C.), P.O. Box 658, Alamo, TX 78516. We have a pleasant time traveling and saving time in the summer. We will return to Texas in the fall. I hope to get to the 1960 Alumni Luncheon.

Class of 1931

Margaret Lynn (William B.), Rt. 1, Box 726, Cambria, LA 70445. Nothing new. Bill and I are still enjoying life in the slow lane. Always glad to hear from our friends and family and to see them when we can. Mary C. Lewis (Martha), 251 Easton, PA 18042. I'm retired and once again living in the House of Shadows. I still live at 97219.

Class of 1937

Mae H. Minter Roberts, 111 Main Street, Drifton, PA 15221. I was 88 years old. Thanks for the 1966 picture you sent to me.

Class of 1938

Elizabeth B. Oronde, 801 South Broadway, New York, NY 1070. Nothing new this year. I am active and in good health, and enjoying the life of a "solar citizen."

Emma M. Buhre, Ridgeland Apartment 617, 3702 Keddie Road, Salem, VA 24315. I'm enjoying the Richfield Community in Salem, VA. Wishes to all the alumni.

Minford Scholl McIvor, 4114 Wain Street, Saratoga, CA 93580. I have been living in Saratoga, FL, for the past 3 years. Visited Edith Hoover Friest, we are both suffering with arthritis. I enjoy the climate and weather and find a lot of interesting activities at an elderly care facility. Marion R. Horner Brady (Elwood C.), 807 Goucher Street, C-108, Johnstown, PA 15905. We are celebrating our 50th anniversary in August.

Mary Heasge DelShan, 78 South Westfield Street, Wilkes-Barre, PA 17017. I feel I am living in New Jersey.

Virginia Emmert Lee, 1745 Edgewood Hill Circle, Apt. 101, Hagers­ town, MD 21740. Each year I keep hoping I'll be able to make it to the alumni luncheon, but it seems that week-end is always a busy one. I'm truly looking forward to all my classmates, I'll never forget those wonderful years at Jefferson.

Evelyn Reiser Arnold (Walter), 3328 Blue Water Circle 502-A, Boca Raton, FL 33433. We finally have settled in a lovely lake city retirement center called Edgewater Estates, and are very contented and busy attending many activities every day. Both of us are very alive. I can use my nursing experience as a volunteer to help others who need it.

Mildred English Holvay (J. Paul H.), 10834 Cascade Road, San, CA 93051. I am still traveling. I belong to the Travelers Century Club, having visited 107 countries and islands, and I am able to go to China this year.

Bianche Ford, Box 13, Performance Travel, 1119 Periwinkle Way, Sanibel, PA 17290. I'm still active in church and club work and enjoy it very much.

Helen Walp Hubbard, 125 Montgomery Street, 1-C, Highland Park, NJ 07110. I'm 80 years old. Betty Youngblood and I were not able to get a new year at our 50th anniversary in 1986. Times have changed so many changes. My best wishes to you all.

Agnes Stover Henry, 133 Center Street, Ashland, PA 17921. March 20th 1987 I moved to live with my sister at the above address.

Class of 1932

Neville M. Jeffrey (Arthur W.), 200 West 19th Street, Ship Bottom, NJ 08080. Everything is going well. I'm glad this winter is over. We have been fortunate. Looking forward to the luncheon on May 2nd. Best wishes to all my classmates.

Dorothy Bales Young, 2714 Broad Street, Easton, PA 18042. I retired in 1972 after 20 years as a School Nurse (S. Kutztown University). I am widowed for 6 years. I have 4 grandchildren (2 of whom are 2007) and I live in a beautiful medical school in the village of 2008. I have the same old gal this winter is going well. I'm glad this winter is over. We have been fortunate. Looking forward to the luncheon on May 2nd. Best wishes to all my classmates.

Adeline Roth Miller (Benjamin), 6704 Glen Avenue, Glen Dale, MD 20761. As the years fly by, it is good to have contact with good friends. I completed my master’s in education, and my professional school education becomes more meaningful every year. I am eager to participate during the 50th anniversary class reunion.

Norma Sisk Bond, 10 Steamer Lane, Easton, PA 18042. I am recovering from cataract surgery. There surely is a great advantage in the treatment of cataract surgery.

Emma H. Phoebus (Romich), 1210 High Street, Los Angeles, CA 90401. I am still enjoying retirement. I took 2 very interesting trips this year. In May, I went to Arizona and to New Zealand. I do volunteer work to keep me busy.

Class of 1933

Martin Politte Garey (James T.), 2513 King Drive, Lewes, DE 19958. Health problems have started as of the first of the year. I enjoy reading the Alumni Bulletin. A warm hello to my classmates.

Martha M. Long Gaver (Charles K.), 228 North Norther Avenue, Norberti, PA 19972. All teams well with us except the years, they have traveled by too fast. How to tell all classmates, and I hope you continue to keep well. Best wishes,

Anna M. Woodring

Elizabeth Zajac Sedway, 111 East 4th Street, Media, PA 19606. I'm still enjoying retirement. I took 2 very interesting trips this year. In May, I went to Arizona and to New Zealand. I do volunteer work to keep me busy.

Class of 1934

Betty Piersol, Pennsylvania Avenue Apt. C-852, Philadelphia, PA 19130. Another year has "rolled around." I continue to be active in alumni activities, I like to travel, and we plan to go to Ireland and Scotland in 1987.

Elizabeth Jaiez Sedway, 1040 North Street, Los Angeles, CA 90401. Class of 1934. I am enjoying life and making life easier. I try to keep up with what's new in medicine and nursing, and find it is overmy head. I enjoy golf, and playing on a golf tour in July. Classmates! 2 more years and 50th will be here.

Julie Taylor McCracken, Logan Square East #205, 2 Franklin Town Blvd., Philadelphia, PA 19130. Evelyn Frater and I are planning a golf tour in July. Classmates! 2 more years and 50th will be here.

Amanda Jogette Wright, 3404 Romie Avenue, Reading, PA 19609. In 1986, I finished serving on the church council of St. Luke's Evangelical Lutheran Church in Reading, Pa. In 1987 I was made a life member of O.E.S. Good luck and happy birthday.

Julie Taylor Ingrain, 3404 Romie Avenue, Reading, PA 19609. In 1986, I finished serving on the church council of St. Luke's Evangelical Lutheran Church in Reading, PA. In 1987 I was made a life member of O.E.S. Good luck and happy birthday.

Margaret Vanari Snear (Clayton), 111 East 4th Street, Media, PA 19960. We seem to be holding up OK, and we have our first great granddaughter, Jessica Martin.
Betty Simpkins Mayhew (Frank B.) , P.O. Box 407, Milton, NH 03862. My husband retired from the beet business, he was the owner. We have one son, and one grandson. My mother who was 87 years of age, is in a nursing residence just last May. I enjoy all the news from "The New York Times" in May.

Grace Jennings Dunkelberger (J. Roland) , Luther Crest Apt. 493, 800 Hasman Road, Allentown, PA 18104. Now I am adjusting to this pleasant retirement community. Luther Crest is an active and social place for people, and we are pleased to be a part of it. Come dance with us, come have fun with us.

Leila Lengarm Kelly (Thomas) , 11 Champon Road, Pittsfield, MA 01201. I am looking forward to seeing my classmates for our 45th reunion, and enjoying the Philadelphia weekend after a totally cold and snowy Northeast winter. I'm fine after a fracture caused by tripping over a root.

Bette Paoli Nicastro (Gennaro C.) , 3443 School House Lane, Phila­delphia, PA 19144. I both keep busy. My husband with his practice and I am at the gift shop. Our summer months are spent at our summer home or traveling.

Class of 1943
Ruth Sunderland, R.D. #4, Box 7-8, Colonial Hills, Lewistown, PA 17044. I am still working. Hello to all my classmates.

Helen M. Thomas Reisell, 736 Kings Highway, Swedesboro, NJ 08085. My husband, Leo, lost his third year battle with cancer in April. It was caused by asbestos, he was a millwright at Carnegie-Melon University.

Isabelle Reeder Hartley, 3276 Alhuds Court, Hayward, CA 94542. My husband died on March 5, 1987. I keep busy doing volunteer work.

Frances Brown Saunders (Grant) , R.D. #8, Box 197, Kemp, ME 04605. My husband, Ted, who had been in and out of hospitals for 2 years with leukemia passed away on July 25, 1987. There were around 500 persons who attended the memorial service at Collevechio-Darby Funeral Home. We have seen many advances in the treatment of leukemia.

Class of 1947
James Edward Meuser (Gayl R.) , 2751 Carlin Parkway, Spring­field, VA 22152. Young, Scott, graduated with highest honors from Leigh University Medical School in Philadelphia. He is now a medical student at Carnegie Mellon University. I am looking forward to seeing everyone at the reunion this year.

Bettie Swarr Pearsall, 1614 B STREET, Allentown, PA 18102. I retired August 1986. I do volunteer work for the Red Cross bloodbroth­ol and sometimes four in college. However the youngest is in her last semester, until she goes to graduate school. Sorry to have missed the last news from Jeff.

Janet Edwards Maurer (Calvin R.) , 7752 Carrleigh Lane, Columbia, MD 21046. My husband is retiring from G.E. Space and Defense. I am looking forward to seeing my classmates for our 45th reunion, and enjoying the Philadelphia weekend after a totally cold and snowy Northeast winter. I'm fine after a fracture caused by tripping over a root.

Mary Louise Moore Brumbaugh (Simon A., Jr., M.D.) , 7337 Central Drive, Pensacola, FL 32511. I am very proud of my association with Jefferson Hospital. I earned a B.A. in psychology from St. Louis University in 1941, and have been a staff nurse at the Jefferson Hospital Medical Center in Orlando, FL for the past 12 years.

Lucille Flavell Henkelmann (Henry), 10 Westcott Street, Lutherville, MD 21093. My husband, John, was an attorney-administrator of the largest law firm in the state, retired in 1980. He is doing consulting and teaching after being a classmate and life long friend of Dr. G. R. Libby, who is a very fine neurosurgeon. I am very happy that time does not erase the closeness we always had.

Bette E. Smolkovic, 32055.

Jean Hohe Larkin, 1150 North 16th Street, Allentown, PA 18104. June was caused by asbestos, he was a millwright at Carnegie-Melon University. I am looking forward to seeing everyone at the reunion this year.

Irene Narcowich Kaufman, 124 Middle Street, Ashland, PA 17901. My husband is still working as a school nurse and doing utilization review at a local hospital.

Noe Skriv Nielson (Richard H.) , R.D. #1, Montgomery, PA 17042. I am certain that everyone has been active in nursing since 1944. I've been active in nursing since 1944 except for the years I was raising my family. I still have a private practice.

Robert R. Smith (John E.), 1880 Delaware, Beaumont, TX 77703. My husband retired from nursing in 1982. Although he retired from nursing, he is still actively employed. My husband has an abnormally high count of the pigment cells in his urine. In July he had lung and bone biopsies. He did not have any lung lesions or bone lesions. I don't know what the cause is.

Cathleen J. Costley (Erwin), 4706 West Avenue, Ocean City, NJ 08226. At present we are living in Ocean City, NJ. This is an interim stay for us. We sold our home in Philadelphia and our home in Winnsboro, SC.

Marilyn M. Cossum, 221 Marlin Avenue, Huntington, Virginia PA 20100. I am retiring this year on our 40th anniversary, and after 25 years of happy service.

Jane Teen Reitz, 9 Deer Run Drive, Cypress Creek, Myrtle Beach, SC 29572. This is the life. I am at the beach and do my office work while watching my grandchildren play. My son-in-law is at work.

Jane Bellis Mack (William) , R.D. #1, Box 264-D, Chestertown, MD 21620. I am enjoying retirement. I don't know how I found time to work. This is a very social class.

Jeanne Fidel Carter, 222 E. North Soest Street, Lebanon, PA 17046-1984. I retired in June, and my second grandson, little girl, was born in October. She and her sister bring me great pleasure.

Carol L. Rodgers, 114 Hallmark House, Hershey, PA 70703. I'm recuperating from an 8 month hospitalization. I underwent surgery and as nurses and doctors did, I got every complicated the book states. But somehow I feel someone (or many) were praying for me and I am now home taking one day at a time, as God only gives us. I am always feeling lucky because when I am down I remember all my hilarious memories of my Jeff days. You have no idea how happy memories can make up for the bad ones. The good times far outweigh the bad ones. I'm a good old days", I was one who had many. Most of my teachers and profes-

sors remember my giggles. I used to say, "They will laugh so hard, they can't help it!"

Say hello to everybody! I feel so proud to be a Jefferson graduate.

Susan Abrecht Carisio (Joseph), 8610 Chelwynde Avenue, Philadelphia, PA 19142. Things are going well with us. I still work at Jefferson on 3 East as a C.N.A. I start full time in the APN program this year, and should finally have my BSN by June 1986. Kyle will be 3 in December and hopes to have a brother or sister shortly after mommy graduates. We are all happy and keeping very busy with work and school. "Hi" to all my class mates.

Clare Roty Ebersole (Thomas), 2654 Narcissa Road, Plymouth Meeting, PA 19462. Thom and I have an 18 month old son, Tommy, and we're expecting our second child in February 1988. I'm working part time at HUP in the operating room.

Class of 1982

Susan A. Pantalone (Kim Carpenter), 6240 N.W. 170th Terrace, Miami, FL 33151. I finally finished my MSN at the University of Miami. Our first child, a little girl named Chelsea arrived August 17, 1987, she weighed 9 pounds, 13 ounces.

Class of 1982

Patricia Jenkins Barnard (John), 30 Jinque Lane, Levittown, PA 19055. We are overjoyed to announce the arrival of David Andrew on January 19, 1987. He was lovingly received by his brothers Matthew 3, and Adam 19 months. I am working at Jefferson in the surgical care part time, and I am really enjoying it. Let's enjoy our 5th year anniversary together and catch up on the time that flies by. Hope everyone will attend the luncheon.

Sandy Krebs D'Amelio (Lou), 344-D Interbrook Drive, Hummelstown, PA 17036. We're still in Hershey, all three of us. Nicholas was born May 17, 1986. We will have been one year more then, on to Yale for Lou's C.T. Fellowship. I'm hoping to see everyone at our five year reunion.

Karen Tanner Frick (Bob), 57 Chippington Lane, Ormond Beach, FL 32074. Bob and I have been happily married for 4 years. We are living in Florida for a year, and then plan to move to Boston in June of 1987. For the past several years I've been enjoying working in different areas of critical care.

Kathleen M. Santangelo, 530 Union Street, Philadelphia, PA 19111. Not much new. I'm still working at Albert Einstein Medical Center, Northern Division in the ICU and enjoying it. I am taking evening courses at LaSalle University towards my bachelors. Hi to everyone in the class of 1982.

Lisa A. Kelly Saksen (Ernest), 32 Wynmere Drive, Horsham, PA 19044. Ernie is doing well after his inguinity in March. As long as he's healthy I don't mind canceling our golf trip to Scotland. We'll reschedule our annual trip, and tell you about it next year.

Linda Gordon Tucker Ushual, 1141 North 26th Street, Allentown, PA 18104. I'm still working at Allentown Osteopathic Medical Center in radiology.

Sylvia M. Spacht Brayton (Charlies), 824 South Avenue P.S. Secane, PA 19108. I graduated June 5, 1987 with a BSN. I'm no longer working at H.U.P. I have left for greater pastures. I'm now working at Delaware County Memorial Hospital (DCMH) in maternity. Now I can help birth babies as well as take care of them after birth. The best to everyone in the class of 1981.

Tamara Tichian, 35 East Vassar Road, Audubon, NJ 08107. I'm engaged to be married in September 1988. I'm starting a new job in 11/2 PACU.

At least one year of professional experience as a registered nurse.
Enrollment full-time, or part-time (for a minimum of six credits per semester), in an accredited program, leading to a degree in nursing.
Two satisfactory references.

Awards:
Scholarships may be awarded annually to applicants meeting the general requirements.
All other things being equal, preference will be given to those who have been most active in the Alumni Association, and who have most nearly completed degree requirements.

Application Procedure:
Applications are available from the Chairman, Scholarship Committee, Jefferson Nurses' Alumni Association (Thomas Jefferson University, 11th & Walnut Streets, Philadelphia, Pennsylvania 19107).
Submit applications with references at least four weeks prior to the regularly scheduled meetings of the Alumni Association (second Tuesday of September, November, January, March, and the annual meeting in May).
Each application is given careful consideration and considered on a first come, first served basis.
