Dear Alumni:

Another year has flown by and the Alumni Association continues to seek ways to have membership participate in the decisions which must be made. Although the decisions are the responsibility of the Board of Directors, the Board needs to know the opinion and desires of the membership before the decision is made. Hearing dissension does not help. The opinions and objectives must be considered when the problem is discussed and argued before a vote is taken.

It is discouraging to have so few members participate in the meetings, including the annual meeting. It makes one wonder the true purpose of the Association. Oh, the membership is very generous with annual giving which keeps the organization alive (and we do appreciate your generosity), and in helping meet the obligations to the University which were accepted by the members who voted. And that is the democratic way.

We are a very unique group of women, with a sprinkling of men. We offer financial assistance to our members who have fallen on bad times, and we help others to move up the academic ladder to meet current nursing demands. Few organizations do that to the extent that we do.

So, now, if only some would agree to help with the organizational work, we would be in clover. There must be some of you out there who could give a small amount of time a year to your fellow Jeff nurses via Alumni committees and meetings.

As you can read, I am in a slight depression right now. I can't tell if it is the weather, or the non-stop heat, or the loss of the first message I wrote and mailed which never arrived in Philadelphia. It will change, I don't stay "down" long, especially when I think about Jeff nurses.

Respectfully,

Alice C. Boehret, RN, EdD

MARY L. BENNETT ROCHELEAU, '65. Mary is community relations director, School of Nursing University of Colorado. She is a member of the Centennial Council which has been formed to help guide the Colorado University School of Nursing's development activities and shape its mission as it moves towards its centennial year in 1998.

MADELINE M. ULLOM, '38. In 1993, nearly 50 years after her liberation, a former prisoner of war helped inspect present day troops from her perch in a "humvee" at the POW/MIA Recognition Day retreat ceremony on historic Brown Parade Field.

Retired Lt. Col. Ulton, a former Army nurse captured in the Philippines, attended the event as the distinguished guest of Maj. Gen. Samuel A. Leffler, Commanding General, Information Systems Command, who presided over the ceremony. Among the troops under her scrutiny were soldiers of the 11th Signal Brigade, as well as the 36th Army Band and B Troop, 4th Regiment, U.S. Cavalry (Memorial). Madeline was serving as an Army nurse on Corregidor Island in the Philippines when on May 6, 1942, the Japanese took it. She spent 1,000 days in captivity before being released on February 3, 1945.

In 1993 more than 700 Prisoners of War/Missing in Action supporters joined together to walk either the 2, 10 or 20 mile trails in the 6th annual POW/MIA Walkathon at La Hacienda NCO Club.

Retired Lt. Col. Ulton gave an inspirational speech that kicked off the Walkathon. She was also the guest speaker at the prayer breakfast at La Hacienda NCO Club.

OLGA HUBIAK, '54. Olga says, after a long and successful career as a Private OR, Clinical and Supervisory Nurse, I am now retired and enjoying life in Southern California. She spent many years at Harbor UCLA Medical Center, County of Los Angeles.

She got her education, B.S.H and her M.S.H.S. (Medical Management) at Chapman College, Orange, California, her R.N. from Thomas Jefferson Hospital in Philadelphia; P.H.N. from California State University, Long Beach, CA with continuing education at El Camino College, Torrance, CA; Santa Monica College, Santa Monica, CA and Long Beach City College, Long Beach, CA.

Olga's fields of interest were Nursing Supervision, Operating Room, Nursing and Clinical Nursing.

CATHERINE T. BETZ, '45. On Veteran's Day 1993, Col. Catherine Betz was among the female Vietnam veterans who marched up Pennsylvania Avenue in Washington, D.C. to the cheers of thousands of spectators. Ms. Betz said "there is no way of explaining the emotions she felt that day." It was Veteran's Day and the birthday of the Marine Corps and the city was full of veterans. When the march was over, hundreds of soldiers put their medals at the base of the Women's Vietnam Memorial which was being dedicated.

Ms Betz graduated from Jefferson Hospital School of Nursing in 1945 and remained on staff. She joined the Army Reserves and in 1951 was sent to Korea and returned to the U.S. and Jefferson in 1953. She earned a BS degree in nursing at Temple University, Kitty decided to make a career of the military and was stationed at Regensburg, Germany; Fort Sam Houston and Walter Reed Hospital in Washington, D.C. She attended Duke University and in 1962 earned a master's degree in medical-surgical nursing. Then, it was back to Fort Sam Houston for a three year term as Director of the Army Nurse Corps in 1968, course. On Holy Saturday, 1968 she spent her first day in Vietnam, in Southeast Asia.

Her final assignment came in 1973 when she was named head of the Department of Nursing at William Beaumont Medical Center in El Paso, Texas. In 1979, Kitty retired. She had been awarded the Legion of Merit, the Meritorious Service Medal with Oak Leaf Cluster, and the Army Commendation Medal with two Oak Leaf Clusters. Her retirement ceremony was attended by her mother, five sisters and 25 friends from all over the country.

While attending Collingwood, NJ High School she excelled academically and athletically, earning letters in Tennis, lacrosse, basketball and field hockey. For Betz, her life has been a combination of sports, medicine and the Armed Services.

SARA 'SALLY' SUMMER, '75. Sally, RN,CCRN is a joint recipient of the first Amelia Earhart Award of PNA's Nurse Entrepreneur/Intrapreneur Council. Sally with her partner utilized their professional expertise and ventured into business in 1981.

A Prayer

Give us, Lord, a bit of sun,
A bit of work and a bit of fun,
Give us in all the struggle and sputter,
Our daily bread and a bit o' butter,
Give us health and keep us to make
And a bit to spare for another's sake.
Give us, too, a bit of song,
And a tale and a book to help us along.
Give us, Lord, a chance to be
Our goodly best, brave, wise, and free,
Our goodly best for ourselves and others
Till all men learn to live as brothers.

Nomination - slate of officers not available for this meeting.
Department of Nursing 1993-1994

The 1993-1994 year has been a banner year for the CAHS Department of Nursing. One of the most important achievements has been the approval of our Family Nurse Practitioner Program (FNP) by the Board of Trustees in June 1994. And we were all most appreciative of the ongoing support for the Program provided by CAHS Dean Lawrence Abrams and our Jefferson Medical College Colleagues. Students will begin to enter the program this fall.

Nursing faculty have also excelled in personal accomplishments this year. One addition to the American Academy of Nursing, Dr. Laurie Sherwin, Director of the Master Nurse Program, was promoted to the rank of full professor effective July 1, 1994. Ms. Gloria McNeal, Assistant Professor and Acting Coordinator of the Critical Care/Trauma Track, has been appointed to the Advisory Board of the University of the Arts, College of Performing Arts and Art Design. Dr. Joan Jenkins was appointed as the Director of the Baccalaureate Division, in addition to her promotion to Associate Professor.

The masters degree program has undergone a number of changes during the year. In addition to the acceptance of the Family Nurse Practitioner Program as noted above, we have a new nurse administration track. The nursing administration track was approved by the University Board of Trustees in March and will begin this fall 1994. The masters degree program will also begin an HIV/AIDS subspecialization in fall 1994 funded by the Department of Health and Human Services Rehabilitation Services Administration.

The faculty continue to expand our community and health services was emphasized this year by the new Women’s Center for Health Promotion which was launched with a three year grant from the Philadelphia based Independence Foundation. Similarly, cancer related grants received from the Avon Foundation and the Philadelphia Corporation for Aging further enhanced faculty efforts to reach out to the surrounding community. Under the guidance of faculty, our students made significant contributions to health and public health contributions in the greater Philadelphia area. Students have been part of immunization programs, health assessments, health fairs, and other related activities.

Alumni Office News

We are sure you are aware that the alumni office is the hub of activities for the Alumni Association. We continue to be as busy as the proverbial “one armed paper hanger”. We invite you to visit our office when you are in town. Our normal office hours are 8:30 a.m. to 4:30 p.m., Monday through Friday. We are open in the summer but call ahead to be sure we are in. We have an extensive file of alumni information and are always happy to help you with your questions. We can provide information on our annual giving program, Jefferson University, and Jefferson Alumni Association. We can provide information on events, membership, and volunteer opportunities. We can also direct you to our annual meeting, Jefferson Alumni Association events, and other activities.

The Jefferson 2000 Fund or The Diploma School of Nursing Alumni Association-Mabel C. Prevost Scholarship Fund

Thomas Jefferson University launched a drive for funds in 1993 which they named the Jefferson 2000 Fund. The purpose was to establish new scholarships or new programs to enhance and improve the educational experience, and to benefit the public services.

Dr. Pamela Watson, chair of the baccalaureate nursing department asked the support of our association and supported the project. The Board of Directors, in turn, solicited from the membership their opinions. The responses were clearly to raise $150,000 for the project, and this is an exciting opportunity to enhance nursing education and the resulting standards.
The Women’s Center for Health Promotion

In January 1994, Elizabeth J. Forbes, Ed.D., RN and Diane M. Wieland, MSN, RN, CS, Co-Directors for the project and faculty in the Department of Nursing, College of Allied Health Sciences, at Thomas Jefferson University, received $237,168.00 from Independence Foundation of Philadelphia for a three-year project to establish a Women’s Center for Health Promotion for Disadvantaged Women in Center City Philadelphia. For the purpose of this project, disadvantaged women are defined as “individuals who come from an environment that has inhibited the individual from obtaining knowledge, skills and abilities necessary for assuming responsibility for health promotion/health protection activities.” In addition, many disadvantaged women come from families which meet U.S. Census Bureau low income thresholds by family size. The end goal of the Women’s Center for Health Promotion is guided by the principle of promoting health for disadvantaged women in the surrounding area.

1) Identify the unmet health promotion/health protection needs of disadvantaged women in the surrounding area.
2) Establish a nurse-managed center to provide health promotion/health protection activities, and to provide a setting for related nurse research, and nursing student learning experiences focusing on women’s health.
3) Provide holistic and culturally sensitive health promotion/health protection activities to disadvantaged women.
4) Foster an interdisciplinary approach to meet the health promotion/health protection needs of disadvantaged women.

The disadvantaged women’s health care priorities will be identified by conducting a needs assessment and by building alliances with consumers and clergy in the community and through input by members of the Center’s Consumer, Professional and Advisory Committees. The Women’s Center for Health Promotion is housed in the Department of Nursing, Learning Resource Center, College of Allied Health Sciences of Thomas Jefferson University. It is also a “Center without walls” in that health promotion/health protection activities will be conducted in community settings such as churches and community organizations.

As of May, 1994, we have established four sites in the community: The Coffee Cup, a Philadelphia Corporation for Aging Satellite, on 12th and Locust Streets; the Alexandra Senior Housing facility for single women, located on 9th and Clinton Streets; St. George Manor, a retirement community on 10th and Locust Streets; and St. George Cathedral on 8th and Spruce Streets. The latter two sites afford us to become familiar with the Greek culture. The clients at Cole’s House and the Coffee Cup represent a variety of ethnic groups.

The Center will provide many educational experiences for undergraduate and graduate nursing students and opportunities for faculty practice and research in a nurse managed setting which focuses on women’s health. In its first year of operation, the Center will identify research initiatives, provide educational programs and conduct selected health promotion/health protection activities.

During the second year, more health promotion/health protection, nursing interventions, and research activities will occur. By the third year, full health screening and educational programming, research and project outcomes will be actualized. To this end, a quality plan and a series of methods will be employed to carry out systematic formative and summative evaluation of each phase and component of this demonstration project.

Since April, Dr. Forbes, Ms. Wieland, Ms. Davis-Moon (Nurse Manager) and the students currently involved in the project have provided educational programs on breast health, hypertension and low salt diets, as well as blood pressure screenings for the community. The Center has developed a collabora­tive relationship with the Family Medicine Department, Jefferson Medical College, for referrals.

The Women’s Center for Health Promotion is developing plans for support groups, grief counseling, psychotherapy services, parenting classes, stress reduction classes, and programs for the older woman. We would encourage any of you to become involved with this information Line Number, (215)955-8538, to become involved.

The Cadet Nurse Corps was started in 1943 to induce more girls to become student nurses. Jefferson was among the first schools originally applying for the right to inaugurale the corps.

Before being established, schools must meet special requirements, among them a willingness to accelerate the usual three year course into two and a half years.

Students were not obligated to become members of the corps, but if they went to Jefferson, they were required to go so in addition to tuition, they received 15 dollars a month for the pre­cadet training period and 20 dollars a month during the junior training period. They also received some winter and summer street uniforms with General Montgomery type berets.

The stipend was made possible under the Bolton bill for student nursing, and given in exchange for a pledge to remain in essential nursing service for the duration of the war. By Dorothy Fassler, 46

Dorothy remarked that after returning from the Reserves and receiving her pension, she also received credit for two more years of service—‘ from having been in the Cadet Nurse Corps.

The following is taken from the book “A Commitment to Excellence.” "The war has had far reaching effects on Jefferson Hospital and the School of Nursing. Since so many graduate nurses were in uniform, the bulk of the nursing care fell on the shoulders of the students under the supervision of the limited number of registered nurses left. During my three years here the school had three separate directors. Miss Nora Schultz, who had replaced the late Clara Melville in 1937, resigned in June, 1943. Her position was filled by Miss Ethel Hopkins, formerly educational director and given in exchange for the right to inaugurate the corps.

Troubles

Troubles come in every shape,
And tend to make one frown—
But just cheer up, and never let
Your troubles get you down.

For if you stop to think of it,
More often so than not,
Your troubles don’t seem quite like ones
That other folks have got.

If only magic spectacles,
Could really help one see
That troubles are but stepping stones,
And not catastrophe.

For on this journey we call life,
When troubles bring dismay,
There’s always hope and promise of
A clearer, brighter day!

Sister Miriam Barker, C.D.S.
Medical Anecdotes of Faith

It is more than 50 years since I was a student nurse at Jefferson, but I have never forgotten one special doctor, Edward Klopp. There were two surgical services, and he was Chief of one of them. Everybody admired and loved him.

As I remember, one evening on duty in Women’s Surgical, the ward was darkened and quiet. The first bed, near the nurses station, was curtained off. Dr. Klopp had operated on the patient that day, in the amphitheater (known as “The Pit”), and she was still in her room. Her surgery had been extensive and complicated.

About 10 o’clock I heard footsteps coming down the hall. It was Dr. Klopp and his two interns. He was in a tuxedo, and was obviously coming from a formal dinner. He examined his patient and quietly explained to his interns what had gone on. I felt privileged to be able to care for such a man.

When his nurse came back a couple minutes later, I was in the bathroom, emptying the basin. Tears were streaming down my face. In alarm she asked me what happened. When I told her, tears streamed down her face, but we smiled at each other through our tears. We felt so privileged to be able to care for such a man.

Michaelangelo’s picture in the ceiling of the Sistine Chapel, shows God’s hand reaching down to man. We felt we had touched a hand that had been touched by the hand of God.

By: Mildred Greenlee Durham, ’38

Ed’s note: The hand of God continues to reach down and touch the hands of many of our doctors and nurses. This experience has been repeated throughout the years since Dr. Klopp was chief resident for him. He was a chief in a big city hospital. He could have phonied some staff member to come and check on this patient. In those days, chief doctors were not expected to care for ward patients but, this patient was as important to him as the wealthiest patient on Star Floor. He was teaching these young doctors something they would never learn in a textbook.

A year or so later, Dr. Klopp was admitted to the hospital with a “strep” throat. One day, a nurse went into his room and found that he had suffered a stroke, involving his speech and his right side. The entire staff were astounded. Private duty nurses were assigned to him and it was resolved that he would never be left alone again.

Ukrainian-American Teacher Exchange

Jeff Gradicke started in First Ukrainian-American Teacher Exchange in the Fall of 1993. Hands Across the Water - HWAW - began with New Jersey and Russia a few years ago as a way to improve the educational links between them through education. Recently one of the captive Soviet Socialist Republics, Ukraine, regained its freedom. This year Ukraine was offered the chance to send three teachers for the first time and I applied immediately. Dr. Gene Stanley, my school superintendent, and our local board, granted me a 2-12 week leave. Kathryn Stachecko, organizer of the Ukrainian delegation called to tell me that I was the first applicant in the U.S. Teachers, nurses, doctors, business people and other professionals live with their counterparts in each other’s home, which is one of the great learning experiences of the program.

Our group left the United States and flew to Kiev, Ukraine, after stop overs and sightseeing in Helsinki, Finland and Moscow, Russia.

The program was the most incredible, educational and emotional journey of my life. The Ukrainians were honored to have given me the opportunity to visit them through education. The trip was sponsored by the Ukrainian Teacher Exchange Foundation.

I visited two hospitals with Dr. William Dowling, a family practitioner in Santa Monica, California. We were introduced to a young physician in an inner city 1200 bed hospital. He spoke of water and smoking in a corner of a school playground while children played nearby. The diphtheria vaccine was recommended because of the outbreak of 40 cases of the disease.

I asked about the male/female doctor ratio and started to tell the doctor that when I was young it was difficult for us to become a physician, so I became a nurse. He said “that’s the way it should be.” The woman was staying in a bedroom in a nightgown!” I didn’t touch that one.

Dr. Dowling and I also visited Women’s Hospital #4. We were given a tour by Dr. Sergiy Ruslin, an anesthesiologist. It was a much cleaner facility. The doctor spoke of water and electrical shortages. He showed us an air conditioner in a window with no way of hooking it up due to lack of proper electricity. He explained I had generators.

Later Dr. Dowling took us to the hospital and gave us the supplies and medicines he brought with him. We visited and appreciated syringes of methoxyflur, ampicillin, sulfopyridine, sulfoxpyridine, abscesses, thalidomide, theophyllin, ibuprofen and duretics. Knowing that the Ukrainian delegation was predominantly female he asked if I was a pharmacist. I was not, but we discussed drugs. They were in a building that was kept exceptionally clean - you were not supposed to wear the shoes in the school that you walked to school. The children were receiving rub downs, syrums, and swam in mineral water.

Dr. Dowling just couldn’t get over the conditions under which the doctors worked and their lack of equipment and supplies and commended their work. I asked Dr. Dowling if Chernobyl and the doctor stated that according to his statistics there had not been a great increase in disease or tumors. However, I told him that I had seen many more patients coming from the Chernobyl States and I was warned not to step on the fallen leaves - Chernobyl was only about 100 km away. On the last day talk was about the lack of drugs, he said that Americans bring medicines but that they are used. And, I then told him that we have so much medicine in America that we often can’t use it fast enough, even though it is okay, so we date it. He seemed a little sickened by that explanation.

Dr. Dowling and I were allowed to don scrub suits to observe surgery but Kathryn Stachecko, our interpreter, was not permitted and neither was my host. That was a good move since he teaches labor education (woodworking and as a locksmith) and had never been to America. He told me about the fact that they were still doing older surgeries due to lack of expensive drugs like Tamagawa. We saw a 38 year old woman who was on life support systems due to an asthma attack. My own family doctor, James Wong, MD gave me an inhaler and a DT booster. The inhaler was given because of the possibility of pollution - there was air pollution in Kiev. Although there was no leaded fuel. There was no inspection sticker on any vehicle that I saw. I found myself wheezing the night I arrived. The city smelled like it had been years since I had been there. I was in a pile of leaves that were raked over the weekend - and burned in piles where they lay all over the city. I took one picture of leaves burning in the corner of a school playground while children played nearby. The diphtheria vaccine was recommended because of the outbreak of 40 cases of the disease.

I asked about the male/female doctor ratio and started to tell her that when I was young it was difficult for a woman to become a physician, so I became a nurse. She said “that’s the way it should be.” That was a good move since he teaches women and men are weak.

I had enough food and it was tasty. Beets, cabbage and potatoes were available and in season so we ate these many different dishes.

I was offered water in a bottle and told by Sergei and Katia (my hosts) not to drink the tap water. The bottled water was bubbly and had a salty medical taste that I just did not like. The body was swelling up - and yet my skin was drying out due to lack of fluid.

Ukrainian school nurses wear uniforms, give vaccines, but do not teach. Family life (sex) Education is apparently non-existent. Some principals were very interested in obtaining our curriculums. Our interpreters were embarrassed to discuss sex ed. Students in an advanced level class did not do homework assignments and only did “speed” so I started to talk about amphetamines. I looked at their faces and realized that something was not clicking. Then through the interpreter I realized that they were asking me about AIDS. Ukrainians call AIDS - HIV - and I told them what I could. They could gather children with mental or severe medical problems attending boarding schools outside the city. Parents would have a difficult time getting sick children home every day using the only means of travel which is usually public transportation. It seemed that conditions were not too good in these schools and that they had a difficult time getting teachers to work there.

There is much beauty in the areas of Lviv in Western Ukraine and Kiev in Central Ukraine and yet...
life there is so difficult. In Lviv, we had to bathe during certain hours because the water was turned off. People walk a great deal which is good, but I took my host's arm when he offered it so I would not fall. If they need to run a pipe it was over a sidewalk and not under it. Many apartment (flat) areas are poorly lit and I did not want to fall especially after having visited the hospitals. We were taken by train to Lviv in Western Ukraine - that was an experience in itself. We visited the University of Lviv and an art and business school while we were there. The country is strong in preservation of arts and culture but needs the knowledge of how to compete in the world of free enterprise and technology.

We also visited a pharmacy which is one of the world’s oldest continually active pharmacies - it was also a museum. Some of our female teachers, due to the erratic schedules, had menstrual cycles that were irregular and found that they could not purchase sanitary napkins - they were offered only a handful of gauze. Later they were able to locate tampons.

Before we left the school in Kiev, I taught a lesson on smoking using a coloring book from the American Cancer Society. I presented the school nurse with band-aids, ace bandages, hydrocortisone and antibiotics concerned with pornography and translators concerned with different items.

I also brought pens, luggage, candy, jello, underwear, gauze. Later they were left - that was an experience in Ukraine.

Some menstrual cycles were so long that I was sent home without my tampons.

A GRANDMOTHER’S WISH

If I were granted any wish, I’ll tell you what I’d do. . .

I’d wish my kids were small again, for just a month or two;

To hear their squeals of laughter, to watch them while they play;

And when they asked me to join in, I’d NOT say, “Not today.”

To hug again their chubby frame, to kiss away their tears,

And cherished childhood innocence that is evaded away the years;

Then when it’s story time again, I’d stay a little longer;

To answer questions, sing the songs, so memories would be stronger.

But time is callous, wishes, myths,

And God in His great wisdom, Has given me another chance to join His Kingdom

The face may not be just the same, the name is changed, ’tis true,

But yet the smile that radiates, reminds me so of you.

God must have known that Grandma would need a chance too,

For many little happy things she had to do; So God gave love to Grandma’s to equal that before. That, in effect, embraces those little lives she bore.

Hand Across the Water is a program of the Educational and Resource Center (EIRC), a public agency created in 1968 to serve the educational needs of schools and communities. EIRC has educational programs in over 38 states and eight foreign countries.

DEVELOPMENT COMMITTEE REPORT
(formerly Finance Committee)
1994

The Development Committee wishes to thank each one of you for your generous giving, support and loyalty to our Alumni Association. All contributions received after the Bulletin goes to press will be gratefully accepted and acknowledged. However, your name will not be listed in the Bulletin as a contributor. So far this year we have received 19 matching gifts, and we thank you. REMEMBER - TO DOUBLE YOUR DOLLARS - if you or your spouse work for a matching gift (grant) company, by including the completed matching gift form with your gift for Annual Giving, you could double or even triple your dollars. Matching gift donors will receive a thank you from the Alumni and a thank you from the University. Total contributions for all funds from January 1st to press time (including matching gifts, memorial gifts, general, relief and scholarship funds) were $22,763.00.

CENTRAL PENNSYLVANIA SATELLITE of the JEFFERSON NURSES' ALUMNI ASSOCIATION
Gladys Keiper and I were asked by the parent committee, Mabel Prevost, Chairman, to coordinate a satellite group in Central Pennsylvania.
A questionaire to determine interest was mailed to 172 nurses in a six county area. January 1988. 39 questionaires were returned with a positive response from 29.
Guidelines For Satellite Programs were developed in line with Constitution and By-Laws of the Alumni Association, and approved by the Board of Directors June, 1989.
The first meeting was held August 17, 1988 with 18 members attending including President Alice Boehret and Dorothy Clout.
August 12, 1993 five years later, the 23rd meeting was held with 19 members present.
Meetings are held the second Thursday of April, June, August, October and December at 10:30 AM at Pennsylvania Nurses Association headquarters, Commerce Park, Harrisburg. Meetings are followed by a catered luncheon. The June, 1992 meeting and luncheon was held in McVeytown hosted by Ruth Sunderland. The group met in Carlisle at the Longs home in June, 1993.
The agenda for the first meeting included distribution of the Constitution and By-Laws and a discussion of the Guidelines for a Satellite Program.
The satellite is an extension, or connection with the Alumni in Philadelphia. This concept is one of participation in the workings of the Nurses Alumni by a greater number of its members, thus there is a flow of information back and forth by written minutes.
The minutes of the regular Alumni meetings in Philadelphia are the basis for the business meeting of the satellite. In addition, special programs are planned and have included:
Updates in legislation affecting nursing by Kathy Murphy, RN; Hospital Nursing by Janet Kelly, RN; Health Care Legislation by Senator John Shumaker; Nursing Home Licensure Program by Marjorie Key, RN; Health Care Reform by Paula Busard, Hospital Association of Pennsylvania; The Nursing Program at

BULLETIN COMMITTEE
The Bulletin committee wishes to thank all who contributed articles and items for our 1994 Bulletin. We hope you enjoy reading it.
We have a request - when hand written information and articles are sent, please legibly write and DO NOT use abbreviations, which can cause printing errors.

Jefferson by Dr. Pamela Watson and Ms. Kate Farrell; Long Term Home Care by Chris Rodgers, RN; Demonstration and talk on Japanese culture and floral arrangements by Mickey Smith, RN; Display of and discussion of "Vietnam Mourning" items by G. Nadler, RN; and A slide/presentation of Colonial Williamsburg by Anthony Orsini. The Alumni Office Coordinators, Betty tiles and Peg Summers, and Chairman, Mabel C. Prevost attended this meeting.
Each member has contributed to the satellite in so many ways. In December brightly wrapped Christmas packages are brought to the meeting and delivered to either Dauphin Manor or Cumberland County Nursing Home residents.
Intangible contributions, not easily measured, but equally important are the concerns for each other as evidenced by phone calls and cards to members who are ill.
Newspaper articles concerning Health Care are brought to meetings for discussion.
As a group we are making every effort to seek out alumni members who are eligible for Relief and Scholarship Funds.
Membership represents 8 counties in Central Pennsylvania. Average attendance is 17, and the approximate cost for each meeting is 53 dollars. Costs include: Postage, typing and mailing, room rental with coffee provided at Pennsylvania Nurses Association, and telephone calls.
One of the members, Jeanne Supplee types, copies and mails the minutes to members, those who cannot attend but want to be on the mailing list, and the Alumni President and Secretary. Mary Tananis helps to address envelopes.
Today we remember Gladys Keiper and Mabel Prevost. Gladys was tireless in her efforts to organize the Satellite group. Her death December 15, 1988 was a great personal and professional loss. Mabel offered guidance in the organization, and support and friendship throughout these five years. We will miss her.

Dorothy Ranck Long
We welcome and need interesting articles and news items for our next publication in 1995. Let us know what you are doing.
As in the past we try to avoid errors, but, if we "goof" please don't think too badly of us.
Thanks for all your help.

NEW SATELLITE GROUP FORMED

The Jefferson Nurses’ Alumni Association has formed a “Suburban Satellite Division.” Those interested in information or who wish to join can contact Jane Ryan Dietrich, 59 (610) 272-6108; Barbara Hard Brodovsky, 58 (215) 625-0707; or Mary Jo Winning Mc Mullin, 74 (215) 643-7055. We are interested in your ideas for this newly formed organization. A meeting will be held in the near future, probably the beginning of October. Thank you.

SOCIAL COMMITTEE

The 61st Annual Nurses Alumni Luncheon, and the Annual Meeting was held on May 7, 1994. As usual, the weather was delightful and added to the festivity of the day.

The alumni meeting convened at 10 A.M., in the Solls-Cohen Auditorium. Refer to Resume! of Alumni Meetings for report of the meeting.

Social Hour was held from 11 A.M. to 12:30 P.M., followed by a delicious luncheon.

The Eakins lounge and West Courtyard were used for the social hour. The congeniality of all the attendees was easily apparent by the picture taking, laughter, and conversation.

Most of the classes dating back to 1925 were represented at the luncheon. For a change, London Broil was served. Many compliments were heard about the food selection.

Corsages were given to the members of the classes of 1925 and 1932. Alumni from the 50th anniversary class are invited as special complimentary guests of the Alumni Association. It’s such a joy to hear the uproar from the individual classes as their year is recognized by Alice Boehret, President. No one could ever say Jefferson Nurses lack for enthusiasm!

264 attended the luncheon, and 57 attended the annual meeting.

The luncheon planning committee, Jeanne Kane, Vera Pulcetti, Hope Russo Schooler, and I continued to receive helpful hints from Janet Hindsdon, Betty Piersol and Peg Summers. Nothing helps like experience. I thank all the members of the luncheon planning committee for their advice and help. I’m sure next year we’ll be doing it again. If anyone has any requests, suggestions, or would like to be on the committee, please send them to me in care of the Alumni Office.

The 62nd Annual Luncheon is planned for May 6, 1995. The planning committee looks forward to seeing you next year.

CLARA MELVILLE/ADELE LEWIS SCHOLARSHIP COMMITTEE 1933 - 1994

We have had a slight increase in interest in scholarships this past year and should like to continue to encourage graduates of the School of Nursing to pursue work toward a baccalaureate or higher degree in nursing.

Awards given the past year include the following:
Karen (Richard) Emerle, 1977
Cecelia (Marion) Ellis, 1976
Barbara (Leedom) Russ, 1977
Gail Kempf, 1970
Patricia (Moffet) Mueller, 1968
Betty Anne (Beck) Hedges, 1977
Deborah (Traugasser) Sharpe, 1980
Laurel (Goldberg) Gutter, 1979
Carol (Meisner) Greene, 1982

Respectfully submitted,
Doris E. Bowman
Chair, Scholarship Committee

PLEASE NOTE

The Board of Directors of the Nurses’ Alumni Association met with our attorney Ann Loftus on May 27, 1992. The Scholarship Fund (a restricted fund) was reviewed.

After review, the attorney advised us that, legally, the funds are restricted for use to graduates of the diploma program only. However, if relatives of the diploma graduate plans to attend Jefferson’s Nursing Program, a scholarship could be granted, provided all other requirements are met.

The Board of Directors

RELIEF FUND COMMITTEE

Jefferson Diploma Nurses! As you know, we, the Jefferson Nurses Alumni Association, have a Nurses’ “Relief Fund Trust”. The purpose of this trust is to assist the graduates of the School of Nursing (Diploma Program) and the White Haven School of Nursing, who are ill, disabled or in need of additional financial support or maintenance.

The preliminary application found in the back of the Bulletin can be completed and sent to the Alumni Association. An additional form will then be sent to you by the committee. When completed and returned the committee will evaluate the request, determine the amount of assistance, and notify the applicant as soon as possible. All the information on the application is confidential.

In the event you know of anyone that needs this type of assistance, or if you personally need assistance, do not hesitate to complete the application in the back of the Bulletin and mail it to the Alumni Association Relief Fund Committee. This past year six of our graduates requested, and were granted, a monthly stipend. We also sent ten monetary gifts at Christmas time to those graduates known to be homebound or in a nursing home.

Birthday flowers were sent to our graduates who celebrated their 80th or plus birthday.

mildew is wonderful. Dorothy Ranck Long is a great Chairperson. We meet 5 times a year, so I certainly enjoyed getting the beautiful flower arrangements on my desk. I read a number of the class members we have lost in this past year - old dear friends.

Jettie Tyler McCormack, Logan Circle Square East #210, 21020. She died on March 28, 1995. In the past 5 years I have visited Antarctica and Australia, as well as New Zealand. (I had previously visited Australia and New Zealand in 1935, but I had not traveled to South Africa.) In 1998 I spent several days at the Cape and Mount Washington and the surrounding area. I am planning to return to New Zealand at L.S.E. (Been here 10 years) I continue my church and Breast Cancer home commitments. Since 1994 I have made an effort to attend the meeting of the first family. I have been here in 1994. After retiring in 30 years, I want to be there for both. Mary Yarnell Snee, 111 East 45th Street, Manila, PA. 1996.3. I try to keep busy with Red Cross, Meals on Wheels, church and activities.

Theresa Smores Morris, 415 Elmira Street, Williamstown PA 17071-2114. Sorry I can’t make this year’s Day this year. Hopefully there will be enough for next year. This year was a “doocy.” Stale from the roof fell off, and aluminum siding and rain spouting came off. Fortunately, I didn’t go down to town. I really enjoy our trip. Our tour company was well coordinated. For July 1994. Iceland was cold and wet, not my cup of tea.

Hazel was FL 34237 - 7035. Considering my age many beautiful trips were made to Boca Raton, FL 33433. My 85th birthday was special with lots of family and rain spouting came off. It was a wonderful year. I ‘m enjoying my apartment in a Retirement Home. Hopefully I will arrive at the Hill with good health. I am in good health but Paul’s wife is a little bit of 1923 life. I’m a retired teacher and I have had a happy year and have been reasonably well. I can use my cane when walking, otherwise all is well. Best regards to everyone.

Ellen H. Thompson, 72 Montgomery Street, Oswego, NY 13126. I was saddened by the death of my husband, P. Nutter Nutter, of 1928. I received my 85th birthday in December 1993 with a bouquet from my classmates. I’m very thankful for all the memories. Dorothy Supple 1000 N. Street, 90205. Scottsdale, AZ. I’m enjoying my retirement in a Retirement Village.

The last ten I have worked in our pediatric department which is a satellite division of CHOP. In October 1993 I received my National Certification in Pediatrics by exam, Jerry is working for 36 years at the same hospital and has two four daughters, one married, one married and grown, and we have one granddaughter. I hope to get a Montgomery County satellite alumni association started. Anyone interested, please call or write. Hope to see everyone soon again.

Judith Wright Bieas (Walter, M.D.), PO Box 257, E. Orsaks, MO 65643. I'm enjoying retirement on Cape Cod. Our youngest of tour is in law school. We had two grandchildren in 1993.

Bernice Griffin Catalina, 114 Margaret Avenue, Dalton, PA 18414. Our son's birthday was March 1, 1994. On October 14, 1993 I received a wonderful surprise. He was admitted in congestive heart failure. He was a diabetic and they found metastatic cancer, ending in the gall bladder. It's a sad time.

Irene Delilat Grady (Jim), 7187 White Pine Drive, Bloomfield Hills, MI 48304. Our 24 year old son, Robert, is a senior medical student at the University of Texas at Houston who will marry Dr. Ellen Grinn, a 2nd year resident in psychology at University of Texas.

Alice C. Kelly Road, Maplewood, NJ 07040. Hello everyone! Sorry I missed the luncheon on May 7th, but we were able to see one of all you. We should plan to attend in 1994 for a 50th celebration. All's well with me. I'm hoping to retire in a few years.

Class of 1956
Barbara Heaps Uitets (Philip), 213 Plymouth Road, Gwynedd Valley, PA 19437. My husband and I are happily grandparents three beautiful grandchildren to our daughter and son-in-law. Our son was married in April 1994. My husband continues to practice surgery and psychiatry and I continue to enjoy my position in the "pool" of a private psychiatric hospital.

Amelia H. Dillon, 600 Country Club Drive #1, New Albany, IN 47105. I have been working in long term care for 9 years and I am the medicare specialist for the Blue Grass Region for the corporation and for the past 15 years I am a registered nurse, Faith. Hi to all my classmates.

Beata Lipa Callahan (Stephen). 123 Omar Street, Vienna, VA 22180. I have not attended in 1993 for a health reason. All's well with me. I'm hoping to retire in a few years.

Linda Bocek Toomey (Alten), 709 Cragmore Road, York, PA 17403. I'm working as a health assistant with our local school district. I will be retired very soon. I will be attending the Luncheon in Switzerland and France. He is assigned to serve with Yugoslavia in 1994. He is currently a translator. My husband and I plan to visit in August. We will also attend a tour of Europe. We have 5 grandchildren, ages 2 to 7, from three children. We have 3 sons, John, and Andy, 29, Kevin, 24, and Army 22 and living at home.

Lina Brunell O'Keefe (Anthony, M.D.), RFD #8, Box 296-44, Augusta, ME 04330. Although this winter was one of the coolest on record, Maine had many sunny days in January, March and October. It was great to see old friends at the luncheon in January 1993.

Dreuland De"Risa Rittle (John), 6180 S.W. Ct Court, Miami Beach, FL 33177 and 381 S. Ivy Hills Circle, Sun City, UT 84090. We have always loved our traveling privileges and have taken advantage of it once we have had the time, but this winter it was really hard to get away.

Irene Delilat Grady (Jim), 7187 White Pine Drive, Bloomfield Hills, MI 48304. Our 24 year old son, Robert, is a senior medical student at the University of Texas at Houston who will marry Dr. Ellen Grinn, a 2nd year resident in psychology at University of Texas.

Alice C. Kelly Road, Maplewood, NJ 07040. Hello everyone! Sorry I missed the luncheon on May 7th, but we were able to see one of all you. We should plan to attend in 1994 for a 50th celebration. All's well with me. I'm hoping to retire in a few years.
Barbara Julius Brooks (Linton), 9801 Chico Hill Court, Vienna, VA 22182, is unable to work at nursing because of post-polyhedral problems. She is a recent graduate of a local college and Levine School of Music, is teaching early childhood music at four preschools. Linton, MD 20852, is a graduate student at George Washington University in education and graduate school. We'll be going to Philadelphia and looking forward.

Lynne Larch Fischer (Bob), 1460 White Pine Court, Naperville, IL 60563. I continue to work in Hospice nursing which I enjoy completely.

Valerie M. O’Donnell, 244 S. 4th Street, Philadelphia, PA 19106. It has been so hard to leave 30 years at Jefferson. The change is hard but it was the best thing they have done. I was always proud to have been a part of it. I look forward to hear from my classmates.

Lynn McMaster Nagatani (Ben), P.O. Box 811, Delano, CA 93216. I continue to work in WCU in hospice care. Our daughter Kelly, married in March, graduated from college in May and now working while waiting board results. Our daughter Sera, starts the nursing program in September. My husband Ben remains busy with funerals and retirement.

Barbara Nace Anderson (Robert), 2264 Cothridge Drive, Germantown, TN 38139. Cheryl graduated from Smith College in May 1994. She has been selected for a Department of State internship in Budapest, France. Dave 17, is beginning to think about colleges. Bob continues to be an assistant director at Memphis V.A. Hospital. I’m working part time on a telemetry unit.

Beth Reed, 7 Majors Court, San Rafael, CA 94903. I graduated from the University of California at Davis Family Nursing Practitioner program in June 1993, and was honored with the Corinne Treguboff outstanding student award. I feel extremely fortunate to have had the opportunity of coming to California for my studies and plan to continue my work in private practice with my family practice patients.

Mary Louise Wernerville (Del), 1207 Harbor Drive, Narberth, PA 19072. Last year Bob and I took a six month sabbatical and traveled the world. This year its “back to reality”. I have taken another science teaching position.

Mary Anne Dutt Lefchick Lamberth, 2069 Pershing Drive, Minneapolis, MN 55403. All are doing well. Our local AUAA chapter president in 1993. Can’t believe how quickly the years have gone by.

Donna Rockhill Ruggieri, 1995 Bay Area Blvd. #208, Houston, TX 77058. I continue to work in emergency room. I also travel as much as I can and I play a lot of tennis.

Lucille Scriber Ayres, PO Box 25602, Richmond, VA 23229. 1993 was a very busy year. Our local AAGA (endoctrine nurses) chapter is in need of a new leader at our chapter in San Antonio, Texas. I finished my second year as chapter president in April 1994. I have been selected to be included in a new mentor program. I wish I could attend.

Barbara Linton (John W., M.D.), 5874 Flens Pount Lane, Doylestown, PA 18901. Our second granddaughter, Christine Michelle Washington was born on May 21, 1994. She is doing well.

Rosary Cashman Smith (Brian J.), Marquette Place, Apt. 2202, 1314 Marquette Avenue, Minneapolis, MN 55402. All is well in the mid west. Brian and I became grandparents January 23, 1993. Rosary and her husband Dana had a beautiful baby girl, Kathleen Nicole Borlum (Katie). We are all doing well. Our daughter, Valerie and Stephanie, are getting married in the near future.

Mary K. Bennett Lingenbrink Linker (Bob), 1207 55th Street, Avenue, Coronado, CA 92118. I was married to Bob in 1979, and both daughters, Valerie and Stephanie, are married and having children. Valerie and Stephanie, are getting married in the next year.

Kimberly Creamer (Steve), 124 39525. I am very happy being in Oregon and looking forward to the next year.
Believe it or not, this summer.

Jannet Walker Resper (James), 4966 Lamont Street, Pacific Beach, CA 92108-1400. We’re planning to park back in the Sierra Mountains for the 50th and is quite interested in homes, playing the clarinet and reading. Hello to all my classmates celebrating 30 years since graduation in 1965.

Ingrid Seelbinder (Black), 12 Briarbrook Trail, St. Louis, MO 63131. I have completed my masters in healthcare administration at Washington University in St. Louis. My job is to continue to serve at my alma mater as the Director of Healthcare Administration.

Jenelle D. Getkin Dixon (Vic), 11808 S. Warpaint Road, Phoenix, AZ 85044. In June I finished a post master’s program for family practice in Cowichan Valley. I am happy to practice in my own practice and doctor’s office and I am already too busy. This was the most move I’ve ever made in my nursing career.

Deborah P. Friedman (Barry), 4766 Maverick Way, Boise, ID 83709-5036. I’m currently working part-time in OB/GYN and childbirth education instruction at one of my schools and part-time in the other.

Marionne Gaspart Collins (John), 490 McGrigor West, Scranton, PA 18500. I continue to work at Riddell Memorial Hospital in Scranton. I am a nurse anesthetist. I plan to continue to serve for my local nurses’ association in Health Care Administration.

Dianne J. Gelzin Davis (John), 711 Woodside Drive, Haverford, PA 19041. This summer was the last after 33 years. I continue to live here. I am working in home health with specialty in hospice. In 2002 I was honored as Nurse of the Year, Philadelphia (11). A special "Hi" to "Hugie," Marion, Freddie and Kathy F.

Jean Koehler Murphy (Wayne), 400 W. Poplar Street, Woonsocket, RI 02895. Then I was back to working in October. Our daughter, Michelle graduated college from the University of Rhode Island. Our son, Craig began driving this summer and is teeenage.

Doreen T. Hues, 207CD Conien West, Boca Raton, FL 33431. I have been in practice for 40 years and still performing my jobs.

I hope to see some of you in the summer. (Knock, knock Carol, Marilyn and Jeanne).

Nancy Lourie Argincoff (Michael), 111 Valley View Dr, Peckville, PA 18452. Mr and I celebrated 20 years of "wedded" bliss. Our oldest, Nick, is a sophomore at West Chester University. Michael is a junior at Shippensburg University. We still work in home health with the V.R.A., it’s challenging and rewarding.

Beth Koer Sheri (Mitchell), 4809 Live Oak Court, Ft. Wayne, IN 46804. I’ve switched jobs and am now back in managed care as the F.W. regionale operations manager for Partners HealthCare. We’re owned by a local hospital and I.P.A. of about 290 physicians. I’m convinced I am a “starting” nurse. Arnie will head to Indianapolis for the N.C. Capitol in the fall and so is Eliza and Jenny extra high school—unbelievable! Mitch and I are happy. It was a treat to hear from so many of all the class of ’68, they are in Indiana.

Kathy Fox Foster (Robert, 40 Arslante Drive, Berlin, NJ 08009. I worked for almost 3 years with my two kids, Mark, (13) and Falon, (11) in high school. I’ve returned to my job, and ranging in ages from 20 to 6 years of age, keep us very busy with our two very active girls.

Class of 1970

Stephanie Jenkins McGrady (Ed), 202 Brunswick Court, Lamdale, MD 21446-4380. I am currently working as a nurse in the surgical ICU; I took time off to be with my children. Lauren will be “20” and a sophomore at potassium Guilford in the fall. Colin is “11” and in eighth grade. The McGrady family sends greetings! Ed, has made an excellent recovery from an M.I. in January, 1992. My best wishes to all. Special greetings to “Feeli” and "Ezkakuch" and "Gafumph."

Maria Gratik Marinelli (Fred), 1229 Carriage Lake Drive, Cherry HIll, NJ 08034. I am a Certified Nurse Midwife in the Division of the O.R. Fred is working at Naugess, and travels frequently. Our son, Dow is 11-1/2 and is looking forward to junior high this fall. We enjoy skiing. There has been a lot of snow this winter.

Marge Conners Marchant (Bill), 23864 Strathairn Street, West Hollywood, CA 90049. I have three children. I still love it. Decorative painting fills my free hours and gives me peace. Bill did lots of "rockin' and rollin" being less than 10 miles from the epicenter of the recent earthquake, but escaped serious injury.

Barbara Jo Moise Violanti (Tony), 36 East Falmouth Avenue, Mamaroneck, NY 10540. After all these years I am married to someone from the Alumni Association, here I am February 1993 my dad died in Jeff for surgery and I’m still at the residence. Talk among herhtagged. She who's married to a member of the Alumni Association, here are a well-rounded. I have had a lot of fun with Reunions with Deanie and Kathy’s. So here’s where for my Memory Hospital in my hometown, after graduation, 1 1/2 years of nights at Methodist in South Philly. Then moved to City General and worked at Delmar College at the City General Center in delivery room. Met my husband in July 1994, married November 1974. Moved to Bergen County. We have 4 daughters - Summer, 18, Fronnalee, 16, Monique, 14, a 4th I taught in 1992. I have a sheet metal foreman and is as crazy as me. So we have a real nurse marriage.

Bonnie Pizzullilo-Shultz Cepics (Vi), 11809 S. Warpaint Road, Phoenix, AZ 85044. In June I finished a post master’s program for family practice in Cowichan Valley. I am happy to practice in my own practice and doctor’s office and I am already too busy. This was the most move I’ve ever made in my nursing career.

Barbara A. Barrett (Robert), 7685 NW 47th Drive, Coral Springs, FL 33067. It was great seeing everyone last year. I can’t believe I’m only a graduate of 1968, still a child going to college but Harold, our oldest will be a senior this fall.
Class of 1975

June Matthews DeLoys (Jori), 605 Hilcrest Road, Mayville, KY 42066. Hello to all working on our 40th reunion! We had a beautiful little girl, Alyssa Nicole. She was born on 13th of December.

Class of 1976

Jan Sazach Vanderheide (Harry), Rf 4, Box 203-B, Buena Vista, GA 31604. Hello to all! We continue to enjoy the beautiful city in the South. I'm full time homemaker mother of three. My husband is a retired school counselor at Jefferson this past Spring. My son is in good health. I hope you're happy with all of the above addresses.

Class of 1978

Reanne Lasore Black (Howard), 116 Flintstone Road, Holliday Springs, NC 27547. My family and I have been blessed with a beautiful little girl, Alyssa Nicole. She was born on 13th of December.

Class of 1979

Janie Cantwell Goas (Winslow), 19810-3500. In Stockbroker arbitration. Benji is 11 and remains a wonder. I hope you are all well with your classmates. I'm currently working as a stockbroker. I will be happy to hear from you! Please call me at 816-389-1000.

Class of 1981

John Ribaric (Robert), 4310 Panama Drive, West Chester, PA 19381. I was great seeing everyone at our luncheon, but we are doing great and very active. David is in the Army National Guard. We are doing work for such a great cause. I hope we're all doing well with our classmates. I'm currently working as a sales representative.

Class of 1982

Cathy Glavey (Robert), 477 Broadwater Drive, West Chester, PA 19380. As my husband gives up his directorship of the Pediatric Residency, I am working as an NP in a children's hospital. I am back in my old hometown. I hope everyone is happy with their careers. I continue to work for Kaiser Permanente last September. Scott ran the Pike's Peak marathon and celebrated his 50th birthday last summer. He remains a handful. I continue to work as a clinical administrator for Winter Park Home Health Care, where we continue to expand due to the merger of our three companies. I am married to David, 11 and remains a handful.
Theresa Franzone (John), 89 Poplar Hill Lane, Elkton, MD 21921. John and I are once again back on the East coast. It's wonderful to be closer to our families. We expect to be moving to Wilmington, North Carolina on October 1st. I will be doing a year fellowship in pain management at Bowman Gray. I completed my residency in Wilmington December 2017, and I have resumed my practice at Tidelands Water, Seaford, DE 19973. I enjoyed seeing everyone at our 15th reunion on May 7th.

Deborah Samuel Timpano (Eugene), 3 Shryer Way, Tabernacle, NJ 08088. Hello to everyone. I had to miss the luncheon due to a family commitment. John and I are very busy. I continue to teach child birth classes for Jeff. I am sure Carmen filled you in on all our travels.

Theresa McGilly (Robert), 30124 Springmeade, 10th Street, Thornton, NJ 08086. Our second daughter, Jillian Barbara, arrived in July 1994. Gabrielle was three in August. Our lives could never be happier. I am glad to be well with all the class of '81. Lisa A Kelly Salser (Erin), 6244 Old Trail, New Port Richey, FL 34653. Erin and I moved last November to the Tampa bay area. From what I heard about the weather last winter, we got out just in time. I'm teaching part-time in a local junior college. I teach medical terminology and medical office procedures. It's great fun and I love the students.

Class of 1982

Pamela Pollock Miller (Bill), 180 Winfield Court, Fairless Hills, PA 19030-3314. Everything is going well. Eric 5-1/2 starts kindergarten in September and Tommy is 3-1/2. I started with Jeff at STF in February. He was strange returning to my roots. All my love to everyone.

Barbara A Kominsky Leach (Chuck), 193 Leonard Avenue, Clarkboro, NJ 08020. I am working for Magee Rehab as a clinical liaison and have served as an admissions counselor. I am always busy and well. I am looking forward to the luncheon.

 stats in the yearbook.

I am working on full time at Penn. I am kept busy at home with our children. Tom (8), Tommy (5-1/2), Julianne and Jennifer (3). Tom is in special 6th grade at Underwood Memorial Hospital. I am doing try to make it to the 15th reunion. I am also busy working at Jeanes Hospital. The boys are keeping me very busy, and happy. The boys are doing well, thank God. God is good.
