Merry Christmas
and
A Happy New Year
To All Jefferson Alumni and Their Dear Ones—
Greetings:
Because we hold you in deep affection and good fellowship, we are sending you this message to let you know that we are thinking of you at this Christmas Season. Even those who are very far away seem near to us at this time, so feeling your presence we want to wish you and yours a Very Merry Christmas and a Happy New Year, which we trust will bring you everything good and all your hearts' desire. God bless you every one.

Executive Committee of
The Jefferson Medical College
Alumni Association
DEAN'S CHRISTMAS GREETING

My dear Friends:

Christmas is a time when the miles between us seem to shrink, bringing us closer to each other. I feel as if this were happening to me now, making it possible for me to drop in on you and yours to wish you a Merry, Merry Christmas.

These imaginary yearly chats give me renewed enthusiasm to carry on at Jefferson; knowing that I have your complete understanding and co-operation. The unwavering loyalty and steadfast interest of the Alumni Association, having constructed a strong foundation upon which to build, has been consistently helpful in carrying forward the annual growth of a greater Jefferson.

You will be glad to know that your Alma Mater is making great strides; each year adding something more, something new; keeping us constantly alert, searching for ways and means to increase her value to the Medical World.

I wish for each and every one of you, and for those you hold dear, a joyous Christmas, and may the day hold for you the peace of that first Christmas when the Christ was born, and may God be gracious unto you and bless you and make His countenance to shine upon you throughout the coming year.

Cordially yours,

George A. Bennett, M.D., Dean

THE PRESIDENT'S MESSAGE

My dear Fellow Alumni:

With the approach of the Christmas Season we seem to gain a sense of peace and a feeling of freedom from war.

It is a symbol of the birth of Christ, the one event so important to all Christians throughout the world.

Other influences have crept into the true meaning and celebration of Christmas, detracting from the love and dignity in which this celebration has always been held. In this year, however, we can be happy that peace, or perhaps a semblance of it, is with us. Although there are conflicts in some countries, our nation is at least temporarily free from the rigors of war, and for this we should be deeply grateful.

To us at Jefferson, war has meant the loss of many friends and classmates. We regret that the maintenance of military forces keeps many of our Alumni from their homes and loved ones, but it gives us happiness to know that these are not in immediate danger. We hold these close in our hearts and send them a very special greeting; hoping that they may all have a safe and early return to their families.

It gives me great pleasure, as your President, to wish you and yours a Joyous Christmas and a Happy and Healthful New Year.

Sincerely yours,

Carroll R. Mullen
President, The Alumni Association
JEFFERSON SOCIETY FOR CLINICAL INVESTIGATION

The annual dinner of the society was held on Thursday, October 22, 1953, at The Barclay. The attendance was the highest in the history of the society, with more than 120 members and guests present. Dr. Robert Breckenridge, the out-going president, presided. Distinguished guests present included Mr. Percival E. Foerderer, Doctors J. Parsons Schaeffer, Edward L. Bauer, J. Earl Thomas, Robert Bruce Nye and Julius Coons, our new professor and head of the Department of Pharmacology.

Dr. Thomas awarded the prizes for the best papers presented during the course of the 1952-1953 academic year. The McCrea award was presented to Doctor John Gartland for his paper entitled, "The Use of Hyaluronidase in Orthopedic Surgery". The Eshner award was presented jointly to Doctors John Edward Healey, Jr. and Paul C. Schroy for their paper entitled, "Anatomy of the Biliary Ducts Within the Human Liver". Honorable mentions were presented to Dr. Robert Breckenridge for his paper entitled, "Infestation of the Skin with Demodex Folliculorum" and to Doctor Paul Fried for his paper, "Saphenous Varicosities vs. Angiectids — Considerations of So-called Varicose Veins Complicating Pregnancy".

Dr. Breckenridge then turned the chair over to our new president, Dr. Healey, who introduced his fellow officers for the year 1953-1954: President-elect, Dr. William Herrick; Secretary, Dr. William Whiteley; Treasurer, Dr. Winslow Borkowski; Program Chairman, Dr. Gerald Callery. An extremely stimulating talk was given by Henry L. Bockus, M.D., professor of medicine of the Graduate School of the University of Pennsylvania. Dr. Bockus spoke on the philosophical and practical aspects of clinical investigation.

WILLIAM H. WHITELEY, M.D.
Secretary

JEFFERSON GRADUATE ASSEMBLY

The next Jefferson Graduate Assembly will be held February 3, 4, 5, 1954 (Wednesday, Thursday and Friday) and the presentations will run from 9:25 A.M. to 4:00 P.M., with luncheon being served in the College. As in the past the Assembly is open to all Jefferson Alumni and the fee will be ten dollars. Participants will be guests of the Dean and the Alumni Association for luncheons during the Assembly. In addition to the daily sessions, there will be a Clinical Pathological Conference, Wednesday evening, February 3 and the Annual Business Meeting and Alumni Dinner on Thursday evening, February 4.

PROGRAM

Registration at Alumni Office
8:30 to 9:25 A.M.

WEDNESDAY, FEBRUARY 3, 1954

9:25 to 1:30 P.M. (McClellan Hall)

Dr. Martin J. Sokoloff, Moderator

9:25 to 9:30 Mr. Percival A. Foerderer, Introduction.
9:30 to 9:55 Dr. Henry B. Decker, Diagnosis and Treatment of Skin Disorders.
9:55 to 10:15 Television Clinic: Demonstration of Patients.
  Associate: Dr. Herbert A. Luscombe
10:15 to 10:25 Question period.
10:25 to 10:50 Dr. Benjamin F. Haskell, Common and Rectal Disease.
10:50 to 11:10 Television Clinic: Technique of Proctologic Examination. Demonstration of Patients.
  Associate: Dr. Edward D. Weiss
11:10 to 11:20 Question period.
11:20 to 11:30 Intermission.
11:30 to 12:00 Dr. Anthony F. DePalma, Backache.
12:00 to 12:20 Television Clinic: Demonstration of patients and therapeutic technique.
  Associates: Dr. John J. Gartland and Dr. Gerald E. Gallery.
12:20 to 12:30 Question period.
12:30 to 12:35 Dr. Carroll R. Mullen, President, The Alumni Association, Welcome.
12:35 to 1:30 Dean's Luncheon, George A. Bennett, M.D. (Student's Lounge)

1:30 P.M. to 4:00 P.M. (Auditorium)

Dr. George J. Willauer, Moderator

1:30 to 2:10 Dr. Thomas A. Shallow, The Problem of Biliary Tract Disease.
2:10 to 2:25 Question period.
2:55 to 3:05 Question period.
3:05 to 3:15 Intermission.
3:15 to 3:45 Dr. Garfield G. Duncan, The Management of Essential Hypertension.
3:45 to 4:00 Question period.

8:00 P.M. (Auditorium)

Dr. Edmund L. House, Moderator

8:00 to 9:30 Clinical Pathological Conference.
  Dr. John E. Deitrick
  Dr. Leandro A. Tocantins
  Dr. Peter A. Herbut

THURSDAY, FEBRUARY 4, 1954

9:30 A.M. to 1:30 P.M. (McClellan Hall)

Dr. Frederick B. Wagner, Jr., Moderator

9:25 to 9:30 Dr. George A. Bennett, Introduction.
9:30 to 9:55 Dr. David W. Kramer, Peripheral Vascular Disease.
9:55 to 10:15 Television Clinic: Demonstration of Patients and therapeutic techniques.
  Associate: Dr. Paul K. Perilstein.
10:15 to 10:25 Question period.
10:25 to 10:50 Dr. William H. Schmidt, Rehabilitation of the Hemiplegic.
10:50 to 11:10 Television Clinic: Demonstration of Patients and therapeutic techniques.
  Associate: Dr. Charles A. Furey.
11:10 to 11:20 Question period.
11:20 to 11:30 Intermission.
11:30 to 12:00 Dr. John H. Gibbon, Jr., The Use of the Artificial Heart-Lung Machine.
12:00 to 12:20 Television Clinic: Demonstration of technique.
  Associate: Dr. Bernard J. Miller.
12:20 to 12:30 Question period.
12:30 to 1:30 Luncheon. (Student's Lounge)

1:30 P.M. to 4:00 P.M. (Auditorium)

Dr. John T. Farrell, Jr., Moderator

1:30 to 2:10 Dr. R. Bruce Nye, Office Management of Cardiovascular Disease, a Panel Discussion.
  Associates: Dr. Louis B. Laplace, Dr. Charles W. Semisch, III and Dr. Daniel W. Lewis.
2:10 to 2:25 Question period.
2:25 to 2:55 Dr. MARTIN J. SOKOLOFF, Office Management of Pulmonary Disease.
2:55 to 3:05 Question period.
3:05 to 3:15 Intermission.
3:15 to 3:45 Dr. FRANKLIN R. MILLER, Medical Management of Diseases of the Kidney.
3:45 to 4:00 Question period.

7:00 P.M.
ANNUAL BUSINESS MEETING
AND ALUMNI DINNER
BARCLAY HOTEL

FRIDAY, FEBRUARY 5, 1954
9:30 A.M. to 1:30 P.M. (McClellan Hall)
Dr. JOHN J. O'KEEFE, Moderator

9:25 to 9:30 Dr. C. WILMER WIRTS, Introduction.
9:30 to 9:55 Dr. KARL E. PASCHKIS, What the Observant Physician Can See in Clinical Endocrinology.
9:55 to 10:15 Television Clinic: Demonstration of Patients.
Associate: Dr. JOSEPH J. RUpp.
10:15 to 10:25 Question period.
10:25 to 10:50 Dr. BERNARD J. ALPERS, The Neurological Examination.
10:50 to 11:10 Television Clinic: Demonstration of Patients.
Associate: Dr. RICHARD M. PADDISON.
11:10 to 11:20 Question period.
11:20 to 11:30 Intermission.
11:30 to 12:00 Dr. CHARLES F. MCKHANN, Technique of Giving Fluids and Blood to Infants.
12:00 to 12:20 Television Clinic: Demonstration of Patients and techniques.
Associate: Dr. FELIX E. KARPINSKI,
12:20 to 12:30 Question period.
12:30 to 1:30 Luncheon. (Student's Lounge)

1:30 P.M. to 4:00 P.M. (Auditorium)
Dr. BENJAMIN F. HASKELL, Moderator

1:30 to 2:10 Dr. JOHN E. DEITRICK, The Use of Antibiotics and Chemotherapy, a Panel Discussion.
2:10 to 2:25 Question period.
2:25 to 2:35 Intermission.

2:35 to 4:00 Obstetric Panel.
1. Dr. PAUL FRIED, Diagnosis and Management of Threatened Abortion.
2. Dr. MARIO A. CASTALLO, Diagnosis and Management of Tubal Occlusion.
3. Dr. JOSEPH L. FINN, Fetal Interest in Placenta Praevia.
4. Dr. PAUL A. BOWERS, Natural Childbirth.
5. Dr. THADDEUS L. MONTGOMERY, Cancer Diagnosis in Obstetrics.

For the first time, medical color television will be included in the program of The Jefferson Graduate Assembly when the Medical Color Television Unit of Smith, Kline & French Laboratories will present three half hour programs each morning.

The Graduate Assembly will be the first Philadelphia medical gathering to witness SKF colorcasts on projection-type receivers equipped with 4½ by 6 foot screens. These receivers, built for SKF by the Columbia Broadcasting System, afford the audience a picture 27 times larger than that available on the 12-inch receivers used at medical meetings in the past. Each screen will accommodate an audience of five hundred persons.

The Graduate Assembly is the first medical meeting on the 1954 schedule of the unit and represents the 52nd meeting visited since SKF introduced medical color television in June 1949. Over the years, more than 263,000 doctor-visits have been paid to SKF telecasts presented throughout the United States, in Montreal and in Paris.

While the novel character of medical color television was more than partially responsible for its initial overwhelming reception, the explanation for its continued success lies in the greater utilization of the medium's natural advantages for medical instruction. These advantages are most apparent in demonstrations of surgical procedures, but the contributions of color TV to clinical presentations are no less significant. Through the eye of the television camera, an audience of 1,000 persons is enabled to follow details of a clinical presentation as clearly as if each viewer were present in the studio with the doctor. From close-up shots of minute items, the camera can change focus and give a complete view of diagnostic and therapeutic apparatus. Thus, in the space of a few seconds, the audience views clinical material that is either too small or too large for demonstration in an orthodox platform presentation.

Committee on The Jefferson Graduate Assembly
SIXTH ALUMNI ANNUAL FUND BEGINS WELL

THEODORE R. FETTER, M.D., Chairman

An encouraging beginning has been made at the outset of our Sixth Annual Roll Call for alumni support of Jefferson Medical College. A fine common purpose and enthusiasm have marked the efforts of the class agents for all 75 classes as they have launched the appeal to all alumni. Their planning work, and that of the Fund committee, and of Alumni Association leaders, was centered in the meeting of class agents held on October 20th.

In response to the letters which most of the class agents have now written their classmates there have been 923 gifts made, amounting to $30,167.41 as of December 10. The early returns show some gratifying increases over previous years. The response is also early this year.

There is a close contest for leading place in amount. At present the Class of 1934, Louis K. Collins and F. Johnson Putney, class agents, is in first place with $1,804.00 closely followed by the Class of 1928 with $1,600.00 and Class of 1929 with $1,535.00. First in percent, as so often in the past, is the Class of 1894 led by Colonel Frederick H. Mills which has 58.4%. Leading class in number of gifts is 1953, Joseph J. Armas, Jr., class agent, with 41 gifts.

We hope that many alumni will make their gifts before the New Year in the realization that tax deduction savings will be larger in most cases for this present year than in 1954 with the planned reduction of taxes.

Our goal this year is to exceed $125,000 which would be nearly $10,000 more than was contributed in any of the previous Alumni Annual Funds and will probably require the Fund to set a new high of over 3,500 contributors.

The Fund has always sought to distinguish sharply between its own importance and the importance of its task. The class agents and those who help lead the effort have tried their best to win general agreement that it was a vital task, meriting prompt, generous, and universal support. The principle has been that everyone should have equal opportunity to give, but that everyone should give in proportion to his available means. What counts the most heavily is the spirit behind the alumni gift.

The previous issues of the Alumni Bulletin have outlined the objectives of the Fund, and have shown the amounts and ways in which the alumni funds have supported the pre-clinical teaching program. Medical education of high standards will certainly be financed in this country in one way or in a combination of means. However, the annually contributed funds of alumni are especially important to the character of Jefferson. They constitute an important and influential part of the vitality of our Alma Mater. No American medical college has more living graduates than does Jefferson. These are a part of her achievement, just as she is a part of the achievement of each alumnus.

The American Medical Education Fund will credit in its records the gifts made by Jefferson graduates in our Alumni Annual Giving Fund. The national office of A.M.E.F. will be advised again this year of all gifts made by alumni in this Sixth Annual Fund. We hope that alumni will continue to concentrate on direct support of Jefferson through this program of your Alumni Association and thus receive credit in the class totals through your Class Agent.

We must continue to strengthen the teaching resources, as well as physical equipment in the College if Jefferson is to continue in the forefront.

At this Christmas season, we send our best wishes from the Alumni Fund organization to all alumni and express the hope that through their generous gifts our Alma Mater will be assured of a successful year of 1954.

FIFTH ROLL CALL CENTURY AND FIVE HUNDRED DONORS
ALUMNI ANNUAL GIVING FUND

The names of the alumni and faculty members who have responded to last year’s Fund appeal by contributing in the one hundred dollar and over amounts are listed here in grateful appreciation. Your committee last year invited all who could contribute in these more substantial amounts to give thoughtfully and proportionately and instituted the Century and Five Hundred group acknowledgment of these gifts. The 444 alumni recorded on this roll contributed just over half of last year’s Fund amount. The warm thanks are again expressed by the Alumni Fund of Jefferson Medical College for all of the gifts, regardless of size, made to advance the progress of our Alma Mater.

## NOMINATIONS FOR STATE AND SERVICE VICE-PRESIDENTS

At the Executive Committee Meeting May 28, 1953, by resolution it was decided the Nominating Committee would offer names for election of Vice-Presidents for State, Territories, Foreign Countries and Services, the list of names to be published in the Bulletin previous to the Annual Meeting. These names will be presented and voted on by all qualified members of the Alumni Association at the Annual Business Meeting February 4, 1954. Nominations from the floor will also be accepted at that time.

POSITIONS AVAILABLE

Wanted: Philadelphia, Pa. — Excellent location. Doctor having died recently, widow would like office to be filled by physician. Good opportunity for young physician in general practice.

Wanted: Suburban South Jersey — General Practice, offering very good possibilities and within one half hour of Philadelphia.

Wanted: Excellent opportunity for young doctor in Dahlgren, King George County, Virginia. Civilian population of the Naval Proving Ground and the community within a five mile radius is approximately 3,000. The total population of King George County is approximately 7,000.

Wanted: Good General Practice in rural district located seven and one half miles west of Chambersburg. Home with equipped office.

POSITIONS WANTED

Wanted: Young doctor seeking general practice or position as surgical assistant, preferably in Pennsylvania or vicinity. Three years of practice, surgical training and experience.

Wanted: Doctor desires medical administrative or research position, in the fields of Hospital Administration, Preventive Medicine or Aviation Medicine; effective July 1954 or later. Broad experience for past twenty-two years in medical administration and public health, as Regular Army and Air Force Medical Officer. Commanded military hospitals in United States and overseas continuously for the past eight years. Age forty-nine and in excellent health.

Wanted: A member of graduating class of 1947, now in the Army and looking forward to separation from the service within the next six to eight months, having completed full training in Obstetrics and Gynecology and now eligible for boards will take examination February 1955. Interested in locating in Pennsylvania.

Wanted: Young doctor completing his residency in July 1954 would like to get established in General Practice, preferably in Eastern Pennsylvania.

CHAPTER NOTES

PUERTO RICO

The Puerto Rico Chapter of the Alumni Association will hold a meeting December 12th, 1953, in conjunction with the Puerto Rico Medical Association’s Annual Meeting. The present officers of the Alumni Association are: Dr. Cesar Dominguez-Conde, ’20, President, Dr. William R. Gelpi, ’27, Secretary, Dr. Frank J. Veve, ’42, Treasurer, and Dr. J. Rodriguez Pastor, ’21, Vice-President.
Dr. Pyn Muangman, '26, visited the College in October and attended a reunion of the Class of 1926 with Doctors Mullen, Montgomery and Fetter on Saturday, October 24, 1953.

Dr. Muangman left home, which is Siam, on August 5, 1953. He toured Italy, Switzerland, Germany, Holland and attended the First World Conference of Medical Education on August 22, 1929, in London, England, and left on the 29th of August. He arrived in New York on the 30th of August and then went to Washington, D. C., for two weeks. Three weeks were spent in St. Louis, Missouri, after which he visited the University of Chicago, Western Reserve in Cleveland, Albany, New York, Boston for a week and finally here to Philadelphia. Leaving Philadelphia Dr. Muangman went to Atlantic City, Washington, D. C., followed, then flew to Mayo Clinic, Rochester, Minnesota, then to Denver, Colorado, the Grand Canyon, Los Angeles and finally left San Francisco, November 16, 1953. First stop will be Honolulu then to Sydney, Australia, for four or five days. Dr. Muangman expects to arrive home once more about December 1st.

Dr. Muangman graduated from Jefferson in 1926, interned at the Uniontown Hospital, Uniontown, Pennsylvania 1926-27 and did Post-graduate work in Radiology at Harvard University School of Medicine and Peter Bent Brigham Hospital, Department of Radiology 1927-28. He is now Professor of Radiology and Head of the Department, Dean of the Faculty of Medicine, University of Medical Sciences, Bangkok, Siam, and is a corresponding member of the American Roentgen Ray Society and the International Cancer Research Commission.

Dr. Muangman is married and has four children, Dehanom, age 18, Pachanee, 15, and twin boys, Pongse-Pyn and Pundhu-Pyn, 14. Dehanom, the oldest boy, is in this country attending school and expects to enter Jefferson in about four years. Dr. Muangman’s wife is Director of Nursing Education in the University.
Dr. George A. Bennett, Dean, was guest speaker at the Cape May County Medical Society and the Cape May County Bar Association joint dinner held October 5, 1953, at the Shrine Temple, North Wildwood, N. J. The other guest speaker was Arthur T. Vanderbilt, Chief Justice of the New Jersey Supreme Court.

Dean Bennett attended the meeting of the American Association of Medical Schools held in Atlantic City, New Jersey, October 26th to 28th.

Dr. Robert L. Bookhammer, Assistant Professor of Psychiatry, spoke at the New Hope Public Library under the auspices of the Bucks County Workshop.

Dr. Garfield G. Duncan, Clinical Professor of Medicine, spoke at the Veterans Administration Hospital in Wilkes-Barre, Pennsylvania, on October 1, 1953. The title of his lecture was "The Management of Essential Hypertension".

Dr. John H. Gibbon, Jr., Professor of Surgery and Director of Surgical Research, attended the eighth annual convention of the Omaha Midwest Clinical Society October 26th to 30th.

Dr. Rudolph Jaeger, Clinical Professor of Neurosurgery at The Jefferson Medical College, spoke at the Third Annual Medical Conference on October 9th, 1953, on "The Common Headache as seen by the Neurosurgeon and General Practitioner".

Dr. Perry S. MacNeal, Associate in Medicine at Jefferson, attended the Oklahoma City Clinical Society Conference October 28, 1953.

Dr. Milton L. McCall, assistant professor of obstetrics and gynecology at Jefferson, has been appointed professor and head of the Louisiana State University department of obstetrics and gynecology.

Dr. McCall, whose appointment is effective January 1, will also be senior visiting surgeon at the Charity Hospital, New Orleans. He has been a faculty member at Jefferson since 1944 and assistant professor since 1951. He has also been on the staffs of Jefferson Hospital, Episcopal and Philadelphia General Hospital.

Dr. McCall has written extensively on research in his field and is a diplomate of the American Board of Obstetrics and Gynecology, a fellow of the American College of Surgeons, the College of Physicians of Philadelphia, the American Academy of Obstetrics and Gynecology, and the Society of University Gynecologists. He studied at Minnesota, Chicago and Northwestern Universities and received both the B.S. and M.D. degrees from Indiana University.

Dr. James R. Martin, Associate Dean, attended the dinner of the Board of Trustees and Medical Staff of the Methodist Episcopal Hospital on December 3rd.

Dr. Robert Bruce Nye, Assistant Dean, attended the inauguration of Logan Wilson, Ph.D., L.L.D., Thursday, October 29, 1953. Dr. Wilson is the new president of the University of Texas. Dr. Nye was accompanied by Mrs. Nye.

Dr. Paul J. Poinsard, Instructor in Psychiatry, spoke in the New Hope Public Library November 6, 1953. His subject was "Introduction to Psychiatry".

Dr. Lewis C. Scheffey, Professor of Obstetrics and Gynecology and Head of the Department, Dr. Abraham E. Rakoff, Clinical Professor of Obstetrics and Gynecology, and Dr. Peter A. Herbut, Professor of Pathology and Head of the Department, attended the first annual meeting of the Inter-Society Cytology Council held November 19th and 20th at the Bellevue-Stratford Hotel, Philadelphia.

Dr. Paul C. Swenson, Professor of Radiology at The Jefferson Medical College, is one of the numerous authors of the book titled "A Planning Guide for Radiologic Installations". The manual has comprehensive information on all phases of radiologic practice from the one room department to the large intricate department of a medical school hospital.

Dr. Frederick B. Wagner, Jr., Associate Professor of Surgery, attended an institute at Irem Temple Country Club for Physicians and Dentists from twelve adjoining counties with Luzerne County as the center. Dr. Wagner's subject was "Carcinoma of the Stomach".
CLASS NOTES

1882 John F. Mentzer, M.D., 16 N. State Street, Ephrata, Pennsylvania, enclosed his check for Annual Giving and writes that he continues to do his office practice. He is still keenly interested in public affairs and attends meetings regularly such as bank board, building and loan and hospital. His church means a great deal to him—he never misses a Sunday. His next birthday, March 18, 1954, he will be ninety-two years old.

1884 Wyatt Heflin, M.D., 3216 Cliff Road, Birmingham, Alabama, writes:
"The flowers you sent me on my 93rd birthday were beautiful and much appreciated coming from the Alumni of my Alma Mater to an Alumnus whose "days are in the yellow leaf". With all good wishes for Old Jefferson."

1886 Chevalier Jackson, M.D., R. D. #2, Schwenkwilie, Pennsylvania, writes:
"It was extremely kind and thoughtful of you to send to me such a delightful congratulatory letter. It arrived on my birthday anniversary, and while I was reading it a magnificent bunch of flowers came with the name of The Jefferson Alumni Association attached to it. Words fail fully to express how profoundly grateful I am for the kind remembrance in my advancing years. I beg to assure you, and all concerned, of my utmost appreciation."

1887 John T. Waltemeyer, M.D., 325 W. Irvington Place, Denver, Colorado, writes:
"If my legs were only as good as my upper parts I would be all right. I wish the medical profession could do something for it. It seems the verdict is always "can do nothing". Wishing you a Merry Christmas."

February 1st, and has a sister who was 99 last month. He sends his warmest wishes to you."

1888 Hubert W. Dudley, M.D., 231 Bayview Street, San Rafael, California—Mrs. Dudley writes:
"Enclosed find check for Alumni in memory of Hubert W. Dudley, M.D. Thank you for your photo and the Christmas card. You are looking very well. I noticed by the Alumni Bulletin that there are still four left of the Class of '88."

1889 Harry L. Walker, M.D., 1800 "B" Avenue, Cedar Rapids, Iowa, writes:
"Enclosed is a small check for the Annual Giving Fund which I am sending with my blessings. It is my wish that we all boost for our Alma Mater.
As I look back over the years, it hardly seems possible that I practiced for sixty-three years before retiring nearly two years ago. In retrospect, I often recall most vividly many of the old faculty members at Jefferson. I have remarked many times that I would rather have heard DaCosta lecture than to attend a grand opera. Then there was the stormy petrel physiologist, Chapman; the dignified Bartholow; the beau brummel Gross, with buttonaire and shaggy hair. I also remember many of the assistants—Dr. Harwitz, Dr. Brubaker and others. I must also mention that fine old character, Dr. Parvin, who was said to have been a minister. Since retiring I spend a part of each day helping my wife in a big nine room house. I am part time dishwasher and chore boy. In my earlier life I spent a great deal of my spare time hunting and fishing. I now have to get that exercise and fresh air in my yard helping the yard man. We have a large corner lot with magnolias, evergreens and elms in front and a few fruit trees in the back. We raise roses, peonies and other flowers. Our vegetables are limited to tomatoes and pole beans. I have planted nearly every tree and shrub on this place over the past forty-seven years and they are all a part of me. I have always felt that the old saying that "you get out of life just what you put into it" is very true. I have had a most active life and at the age of ninety I am still going strong and enjoying every day."

1891 John S. S. Cooper, M.D., 47 N. Owen Avenue, Lansdowne, Pennsylvania, writes:
"How can I thank you for your kind letter and beautiful flowers?
Dr. Edwin E. Graham, who died last spring, was the last of my teachers of 1891, and we have only a dozen of the classmates of that year. Thanking you again."
Amos W. Botkin, 323 Apperson Street, Oregon City, Oregon, writes:

"This is to thank you kindly for reminding me of my delinquency in failing to contribute my mite to the Alumni Fund. My alibi is forgetfulness and procrastination, these being the peculiar traits of my character, and they grow apace with the passage of time. I am truly ashamed. There were five of us from Oregon in the Class of '93 and I alone am left to carry on. However, it will not be long until I shall have to lay down the working tools of life and will have to experience the transition to another clime. My next birthday, if I am so privileged as to see it, will lengthen the tremor of my life to ninety years, forty-four of which were spent in the practice of medicine, retiring there-from twenty years ago.

With best regards to you and to members of the Alumni, few of whom I had the privilege of knowing in the short time that I was in the College."

Charles Wyeth, M.D., 1100 S. 7th Street, Terre Haute, Indiana, writes:

"Thanks for your letter of November 12th. Please find enclosed check for The Jefferson Alumni Fund. Retired nine years ago, now my age is 84½. Am comfortably situated in my own modern home. Still drive my own car every day, it's a pleasure. My health is good for one of my age.

My hobby is travel, or rather was. Have had two very extensive conducted world tours, a marvelous Mediterranean cruise and several trips to Europe. Have traveled extensively in the United States, the best country by far in all the world. Terre Haute has been very kind to me. I do appreciate being a graduate of dear old Jefferson. My activities are limited, but am accepting that fact with as much grace as possible for one of my temperament."

Sheridan E. Gardiner, M.D., 309 N. Main Street, Mount Pleasant, Michigan, writes:

"The Alumni Bulletin just came and I notice with great satisfaction that you are still among the living. I note that you are eighty-three, five years younger than I as I was eighty-eight August 15, 1953. I never dreamed that I would live to such a ripe old age and to be among the few still living of our class.

I still do light office work as I hate to become a "has been". There is no need of me doing anything but I like to be occupied.

My wife is suffering from rheumatoid arthritis but cortone keeps her fairly comfortable. The enclosed picture shows us with the bouquet that I received August 15th. I hope that this note finds you enjoying all the good things of life."

Oliver W. Turner, M.D., 42-71 - 78th Street, Jackson Heights 73, Long Island, New York, writes:

"After practicing fifty-four years at Augusta, Maine, I retired. I still keep my legal residence in Augusta, though my wife and I spend our summers at our camp in Boothbay Harbor, Maine, and our winters with our daughter here in New York. I am in good health and enjoy my retirement, as I have well equipped work shops at camp and also here at our daughter's. I drive my auto to and from camp, and in all respects am very happy. With kindest personal regards and wishes."

J. Albert Lethiecq, M.D., 115 Wilson Street, Brewer, Maine, writes:

"Your letter congratulating me on my 88th birthday arrived the morning of October 16th, and it was very pleasant to be remembered so cordially. In the afternoon I received the beautiful bouquet of mixed fall flowers, which I enjoyed because I have been staying at home for the past three weeks because of a slight illness. Up until that time I had been going to my office every day and was able to see a few patients. This week we have had warm weather and I have been for a drive to see the brilliant foliage we have at this time of year and also I have walked down to my office several times.

Thank you very much for your good wishes and the flowers — it is very gratifying to be remembered."

Alexander H. Brown, M.D., 304 Second Avenue, S. W., Pipestone, Minnesota — Dr. Brown's daughter writes:

"My father again received the lovely bouquet of roses from Jefferson Medical College on his birthday, October 2nd, and was so happy to be remembered. When I wrote to thank the Alumni Group I sent his contribution. You will probably be notified.

He had a good day, although this year he spent his birthday up in his bedroom. He was eighty-eight years old so should be allowed to spend it where he wants to. He asked me to tell you that he can't swing an ax but that he can sew. (He hems towels and the sewing is regular like machine work.)"
He doesn't get downstairs but we have hopes that before long he may be able to go downstairs again. He reads and enjoys callers who drop in to see him, and he still enjoys laughter. He tells me if there is nothing else to laugh at, he can laugh at himself.

Since I wrote you a year ago, a grandson has returned and is practicing in his office. This young man graduated from the University of Minnesota and spent his two years in the Air Force out near San Francisco. He has three little girls who amuse us.

We were both happy to hear that you have had a good year. We enjoyed driving around the country side watching the crops mature, and it was a wonderful year here in the Middle West. We never have had such a corn crop. The new hybrid corn and abundant water and lots of sun surprised even the farmers with the results.

This recent snow missed us too. So here we sit on the mountain of the prairie enjoying sunny days and free from snow — yet!! But how long it can continue this way, no one knows."

William Preston Holt, M.D., Erwin, North Carolina, writes:

"I was glad to hear from you, and to know that you are still able to swing an ax and play chess. I don't think I could do either, but do go to the hospital I established every morning for an hour, and take a drive in the afternoon. My wife and I usually have a game of canasta in the evening.

I received the Jefferson Alumni Bulletin this afternoon and always find it interesting."

John W. Wood, M.D., 83 W. High Street, Mt. Gilead, Ohio, writes:

"Your kind letter received and read with pleasure.

I too am eighty-three and am quite well except for some arthritis in knees. I have traveled some, been around the world and Egypt and Holy Lands twice, every State, Alaska, Old Mexico and going to Florida for twelve winters, and expect to go again the first of the year. I spend my time playing No. 12 Dominoes and helping on my farm, one mile out of town.

This is a beautiful morning and we are busy picking corn, which will yield one hundred bushels to the acre.

Many thanks for your kind letter."

1896 Albert U. Clark, M.D., 27 Cleveland Street, Saco, Maine, writes:

I wish to express my sincere thanks for the beautiful flowers sent to me on my 85th birthday. Also for your kind letter of congratulations and good wishes. As I lie on the davenport which I do much of the time, because of ill health, it is a joy to look upon the flowers and they bring to me happy memories of the years spent at "Jefferson."

Clifford E. Henry, M.D., 403 S. Franklin Street, Kirksville, Missouri, writes:

"Enclosed is my contribution to the Jefferson Medical College Fund.

You ask for some personal news. Last year, I think it was, I gave you a resume of my life since leaving Jefferson. Now again, here are the high lights: I practiced for thirty-eight years in Minneapolis, Minnesota; I organized two Medical Units for the United States Navy; I retired from the U.S.N.R. with the rank of Captain; I am a fellow of the American College of Physicians; fellow of the American Geriatrics Society; past Surgeon-General Military Order of Foreign Wars. I am now eighty years old and retired."

Dr. Leighton F. Appleman, Class Agent for 1897. His class has regularly led in amount for those classes prior to 1900.

1900 Seth I. Cadwallader, M.D. — On account of an invalid wife Dr. Cadwallader is retiring on December 1, 1953. His future address is 233 W. Main Street, Mechanicsburg, Cumberland County, Pennsylvania.

1901 Francis W. Goddard, M.D., 136 Foster Avenue, Valley Stream, New York, writes:

"Many thanks for your letter — glad to hear from our Class, — but most of the men I knew well in College are gone.

Perhaps you know I was a missionary in China until 1938 — then war conditions and advancing years caused me to stay in this Country. I am now retired but in good health, if I take things easy. Had hoped to get down to our Fiftieth Anniversary but couldn't make it. Hope all is going well with you.

I enclose a token of my appreciation of the old College, wish it were more."

Charles S. Hirsch, M.D., 2201 Pennsylvania Avenue, Philadelphia, Pennsylvania —

"Am glad to note by your cheerful letter that you are well. I am (grateful to say) feeling O.K. Sorry I can't send you a larger contribution."

Francis W. Langstroth, M.D., R. F. D. #1, Danbury, Connecticut, writes:

"It is a long time since I graduated from Jeff. I remember the day very well. Dr. Keen made the address.

I practiced till 1929, when I retired. I am now living on my farm, getting up at 4:30 A.M. and working till 8 P.M. Very different from practicing in New York and being Consultant Gynecologist to the State Hospital at Trenton."
Joseph B. Palmer, M.D., Wellsburg, West Virginia—
"Am happy once again to hear from you, and send a small widow's mite.
Sorry death has taken some away, but like to hope to a more peaceful place."

George V. Vernon, M.D., 329 E. Market Street, Akron, Ohio, writes:
"I am still alive, practicing Internal Medicine, and healthy.
I am ashamed that I have neglected writing you for so long, but I am a very poor letter writer.
While I have been to Jeff a number of times during the years, I have neglected to come during graduation time but I am expecting to attend in 1954.
I am so anxious to meet my old classmates. I had the pleasure of visiting my old roommate, Sid Post, and found he had cancer of the throat. He visited me shortly before his death and was the same grand fellow he always was.
While I may not show it, I still love Old Jeff as we all do.
I am in hope of seeing you and the rest of the boys in the spring."

Joseph N. Weller, M.D., 3314 N. E. 15th Court, Fort Lauderdale, Florida, writes:
"I think you deserve credit for persistency, which is a fine trait for one holding your position, not always one for which the incumbent receives much thanks.
I was seventy-six yesterday and am in good health and enjoying life. I practiced medicine about fifty years, eighteen as a general practitioner and the balance of the time as an internist and consultant.
At present I am retired. My income would be ample for my personal needs, but I feel it my duty to help many relatives in living and in educating grandchildren. I have great respect for Jefferson and think the Medical Profession is and always will be one of the great professions regardless of politicians, the devil and all his cohorts.
It is nice to learn that forty-six of our class are still kicking around in spite of senility, bacteria, sclerosis, automobiles, airplanes and World Wars. It must mean we have had some luck, been wise in selection of our ancestors and carried on until the arrival of sulphas and antibiotics.
I am not in the tourist business but like to live where I can enjoy the sunshine, play golf, fish and ride around in sport shirt and shorts most of the year.
Enclosed find small check."

On November 8th Dr. and Mrs. Katz celebrated their anniversary at a private banquet at the Hotel New Yorker in New York City. Among the several hundred guests were the children of the couple: Lt. Col. Charles I. Katz and their two daughters and husbands: Mr. and Mrs. George Vernon of Wynnewood, Pennsylvania, and their sons, Steven and Richard, and Mr. and Mrs. Al Stecher of New York and their son Robert.

Philip S. Easley, M.D., 3744-A Louisiana Avenue, St. Louis 18, Missouri—
After an illness Dr. Easley retired last year. He is well and as always interested in his Classmates and the welfare of Jefferson. He writes: "I wish you could send a larger contribution but am not able." We appreciate his loyalty and thank him for his kindness.

Richard C. Beebe, M.D., South Street, Lewes, Delaware, has been ill at his home since August, and we hope his health is improving.

Frank S. Bonnell, M.D., Fairfield, Iowa, is not only busy with his Eye, Ear, Nose and Throat practice, but hopes to have his Hotel and Office Building in operation by next spring. It will be located at Junction of Highways U. S. #34 and State #1. Congratulations!

Frederick C. Freed, M.D., 59 E. 54th Street, New York City, N. Y., writes describing his vacation trip as follows: "My summer holiday was one of the best. Flew to Paris, motored through Belgium, Luxemborg, Eastern France, Switzerland, Liechtenstein, Austria, Southern Germany, Austria again and three weeks in Yugoslavia (which was the most interesting and worthy while of all—Tito is definitely on our side and will remain so—the Trieste affair is strictly politics), then Venice, Florence, Portafina, Rappalo, Geneva, Paris and New York on September first."

Simon H. Rosenthal, M.D., 1112 Church Street, Lynchburg, Va., is still practicing Urology, but his son, Macey H. Rosenthal, M.D., has been with him for the past two years.

Jacob Walker, M.D., 7 N. Quincy Avenue, Margate, New Jersey, expects to spend the winter at Palm Beach, Florida, studying Art.

Meyer J. Katz, M.D., 449 E. 14th Street, New York 3, New York—
The Golden Wedding Anniversary of Dr. and Mrs. Meyer J. Katz was celebrated by Joseph Warren lodge 933, F. & S. M., on October 14th, 1953, in the Masonic Temple, New York City. There were present over four hundred friends and well wishers of the couple. This celebration was arranged because of the activities of the doctor in the lodge and of the couple in community work for the past fifty years.

1908

1913

1924

1924 Thomas Franklin Cooper, M.D., Capt. MC USN, Bureau of Medicine and Surgery, Washington 25, D. C., writes: "I am enclosing my check for the Annual Giving Fund. I am happy to join in making it a living fund and hope my contribution may do some good.
I saw two of our Classmates last week. Tuck Arrowsmith was here from Norfolk and R. K. Y. Dusinberre was up from his duty station in Panama.
It is my intention to attend the 30th reunion, providing official duties will permit. I was present at the 25th."
1925 CLAYTON B. MATHER, M.D., Greenwich, Connecticut, has assumed his duties as Director of Public Health for the City of Waterbury.

1926 ARMAND J. MILLER, M.D., 5735 Rising Sun Avenue, Philadelphia, Pennsylvania, writes: "I have been watching our standing and have been hoping for first place for '26."

I. LEWIS SANDLER, Columbia Medical Building Annex, 915 - 19th Street, N.W., Washington 6, D. C., has received his permanent appointment to the grade of Captain, U.S.N.R.

1928 NORMAN R. BENNER, M.D., 516 Market Street, Johnstown, Pennsylvania, writes: "I appreciate your kind note. I commend you and all the boys that made the last reunion so grand. My boy still talks about going out to Shibe Park all by himself to see the A's play ball while his Dad attended the Jefferson reunion.

I hope to be alive and well for our 30th as I have remained thus far. I derive a great deal of pleasure reading our 25th Anniversary booklet."

DR. ELMER J. ELIAS, Agent for the class of 1928 which held its 25th Reunion last June and finished a close second in amount in Annual Giving.

1928 ALEXANDER KOPPEL, M.D., 4068 Roosevelt Blvd., Philadelphia, Pennsylvania, writes: "Enclosed please find my check for our Alumni Fund. You have no idea how much Jefferson means to me, especially now, that my son is a fellow Jeffersonian. Thank you for mentioning his name and Lampe and Moll's boys in your Class Letter."

CHARLES W. LIGHTHIZER, M.D., McCauslen Manor, Steubenville, Ohio, writes: "Your letter came yesterday, back goes the check today. Good luck in the Annual Giving Campaign. Each one of the Class of '28 should gladly pay."

LUNDIE C. OGBURN, M.D., Room #511, 105 W. 4th Street, Winston-Salem, N. C., writes: "Appreciate your letter but sorry to hear about Des. We enjoyed the reunion. Hope we'll be able to make it five years hence."

1929 JOHN H. BISHING, M.D., Berks County Sanatorium, Reading, Pennsylvania, writes: "Thanks for your letter and the personal note attached. It was nice to hear from you, and, as always, your letters take me back for a few fleeting moments to our college years at Jefferson. I agree that we owe the school a lot, and on this the twenty-fifth anniversary year of our graduation, I am doubling my usual contribution."

ALFRED ANTHONY DECATO, M.D., 4556 Main Avenue, Ashtabula, Ohio, received the degree of Fellow of the American College of Surgeons at convocation Friday, October 9, 1953, in Chicago, where cap and gown ceremonies closed the annual meeting of surgeons held the past five days.

CHARLES O. METZ, M.D., 3102-A South Grand Boulevard, St. Louis 18, Missouri, writes: "It is very hard to realize that twenty-five years have slipped by since all of us were sweating out class together, seems like just a few years. The real pity is, I haven't seen more than four or five of the boys in all those years, and that often makes me very sad because I always thought we had a wonderful bunch of fellows in our class, the majority of whom one would like to remain in close contact with throughout life. Don't you agree? The celebration of our 25th Anniversary should be a real event, and nothing would please me more than to take part in it, but since I always take the month of July for vacation, it seems unlikely that I can make it. However, I'm hoping."

1932 HOWARD C. LEOPOLD, M.D., sends us his new address:
4623 York Road, Philadelphia 40, Pennsylvania.

1933 J. STANLEY SMITH, M.D., 25 W. Third Street, Williamsport, Pennsylvania, has reopened his office after spending a year at the University of Pennsylvania Graduate School.

1934 JOSEPH W. COOCH, M.D., 4222 E. West Highway, Chevy Chase 15, Maryland, writes: "I have been back in the States for the past six months and am now taking a course in Preventive Medicine at the Graduate School of the Walter Reed Army Medical Center. Where I go after I finish it next August is the big question. I do hope to get back for the reunion this coming year and will look forward to seeing you then."

G. H. PUMPHEEY, M.D., 100 N. Main Street, Mount Vernon, Ohio, writes: "I thought I had better send in my check before you raised the ante. Of course, I realize by doing so I will miss a lot of correspondence from you which I have enjoyed in the past.

Next graduation Father and I expect to attend because it will be an anniversary for both of us. It has been a rough twenty years but I hope we make it."
PAUL T. STRONG, M.D., 2020 S. Xanthia Street, Tulsa, Oklahoma, writes:
“Sorry I’ve been so long and that the check is so small—best I can do now.”

1936 Clement R. Hanlon, M.D., 837 Beverly Avenue, Bethlehem, Pennsylvania, died October 18, 1953, in St. Luke’s Hospital shortly after he suffered a heart attack at his home.

1939 Blaine R. Garner, M.D., 309 Washington Avenue, Newtown, Pennsylvania, has been appointed Doctor for the George School. Dr. Garner and his wife have been active in the school since 1939.

1941 Walter S. Wiggins, M.D., 328 Radcliffe Road, RD #3, East Syracuse, New York, assistant dean in charge of graduate and postgraduate medicine, State University of New York College of Medicine, Syracuse, New York, has resigned to accept a position as associate secretary for the Council on Medical Education and Hospitals of the American Medical Association in Chicago. His resignation is effective January 1, 1954. As director of the graduate program at the college, Dr. Wiggins worked with hospitals and college faculty on programs for interns and residents; as director of the postgraduate program, he has surveyed the educational needs of physicians in the area and has developed a program to meet some of these needs. A native of Philadelphia, Dr. Wiggins received his M.D. degree from Jefferson in 1941 and completed his internship and part of his residency at the Germantown Dispensary and Hospital in Philadelphia. He entered the army in 1942 and served with the 12th Armored Division in Europe. He was discharged with the rank of major. After the war he completed his residency and in June of 1947 was appointed instructor in medicine at the College of Medicine in Syracuse. In 1948 he was promoted to assistant professor in medicine and was named assistant dean in 1952.

In 1948 he was also made coordinator of the cancer teaching program and director of the tumor clinic at the College. Dr. Wiggins is a member of the Board of Directors and Executive and Service Committees of the New York State Division of the American Cancer Society and chairman of the Fellowship Committee of that Society. He is secretary of the Syracuse Subsidiary Board of the National Board of Medical Examiners.

1944 John J. Yankevitch, M.D., 94 E. Carey Street, Plains, Pennsylvania, has returned home after a six month tour of duty with the Army and has resumed the practice of medicine.

1945 J. Elder Bryan, Jr., M.D., following completion of a four year residency in surgery and urology at The Jefferson Medical College, has become associated with well established urologists in Hollywood, California. He will be on the staffs of the Hollywood Presbyterian Hospital, Children’s Hospital, Los Angeles County General Hospital, and an instructor in Urology for the College of Medical Evangelists. Dr. and Mrs. Bryan and their three children are living at 206 North Windsor Boulevard, Los Angeles 4, California.

1946 J. Murray Dolphin, M.D., of Wilkes-Barre, Pennsylvania, has been appointed on the staff of the Eye Department of St. Joseph Hospital, Wilkes-Barre. While in the United States Army, he was assigned to the Eye Department of Walter Reed Hospital in Washington, D. C.

1947 Leo J. Corazza, M.D., was married to Miss Mary M. Albano, daughter of Mr. and Mrs. Peter Albano, Saturday morning, October 10, 1953, in Holy Rosary Church, Hazleton, Pennsylvania. Mrs. Corazza attended the Philadelphia College of Pharmacy and Science prior to her marriage. She was employed as medical technician at the Hazleton State Hospital. Dr. Corazza was resident physician at the Hazleton State Hospital prior to serving in the United States Medical Corps, stationed in Korea.

Dr. and Mrs. Chester L. Schneider, Central Alaskan Missions, Inc., Glenallen, Alaska, write us that they are still working hard. They have moved into a larger bungalow and the smaller one which they used for their home has been converted into a waiting room and office. Their two little girls, Barbie and Judy, have learned the association of the word “furlough” and will ask “When will we go on furlough?” We are happy to say the Schneiders will most likely return during the summer of 1954.

1948 Robert W. Alexander, M.D., 244 N. 6th Street, Reading, Pennsylvania, is still a single man enjoying the foreign atmosphere while serving as a radiologist at Tokyo Army
John D. Bealer, M.D., U. S. Naval Supply Activities, N. Y., 3rd Avenue and 29th Street, Brooklyn 32, New York, brings his records up to date.

In March, 1951, Dr. Bealer was student health officer at the Naval Clothing Dept, busily engaged in setting up an industrial health program. He was offered formal training in industrial medicine, with the usual "chain-around-neck" syndrome attached, but apparently turned it down. His wife and one little girl are living in the Great City with this stampeding, unhappy "regular."

Charles P. Carson, M.D., Washington University Medical School, St. Louis, Missouri, was appointed P.M.S. & T. at Washington U., along with taking two years in Pathology with Drs. Moore and Ackerman. This is as good for Pathology training as anyone would want. He is thrilled, of course.

The long awaited letter from Dr. Carson advised us that he returned from Deutschland in June, 1952, and is winding up his training at present.

Henry R. Liss, M.D., present address is 571 Parker Street, Newark 4, New Jersey.

Gordon F. Liu, M.D., 315 W. 25th Street, New York 1, New York, writes:

"This is to inform you that my present address is that shown above. I would appreciate receiving all future communications at this address. Thank you very much."

Nelson H. Schimmel, M.D., Box #294, 575th Med. Sq., Selfridge A.F.B., Michigan, got into Uncle Sam's Air Force, and is stationed in Michigan at the above address. At Selfridge, Dr. Schimmel is classified as an Internist (GP, Air Force style), and was manifesting the twenty month syndrome when he wrote.

Richard Alan Schofield, M.D., 1915 James Street, Durham, North Carolina, is now a Pathology resident at the United States Veterans Hospital in Durham.

Dr. Schofield was at the Philadelphia Naval Hospital for a while before moving down South on July 1st. He and his wife, Rosie, were great contributors to the pre-alumni dinner cocktail party.

Emanuel G. Tulsky, M.D., 840 Park Avenue, New York 21, New York, married a nurse on January 15, 1950. He took two years in Radiology at Mt. Sinai Hospital in Philadelphia and spent his third year in Radiology at Temple. He's now associated with Maurice Lenz, a famous radiologist in New York. He's also doing some research in Radiotherapy at Columbia-Presbyterian Medical Center.

Harry M. Zutz, M.D., 132 N. Arlington Avenue, East Orange, New Jersey, went on active duty with the Air Force in October, 1952, and was stationed at Westover A. F. Base, Mass. A second son, Robert Jay, was born February 8, 1953.

Sanford M. Goodman, M.D., 1033 E. Phil Ellen Street, Philadelphia 19, Pennsylvania, son of Mrs. Elizabeth Goodman, was married to Miss Shirley Margolis, daughter of Mr. and Mrs. Samuel Margolis of Waterbury, Connecticut, on Sunday, October 15th, 1953, in New York City. Our congratulations to Dr. and Mrs. Goodman.

James B. Cox, M.D., Class Agent for 1951, whose class finished seventh in number of gifts in the past Alumni Fund.

DeWitt T. Dabback, M.D., will be associated with Dr. Wilbur J. Harley, 17 N. Fourth Avenue, Royersford, Pennsylvania.

Dr. and Mrs. Dabback with their two small children reside at 440 King Street, Spring City, Pennsylvania.

Philip J. Escoll, M.D., 2308 Delancey Place, Philadelphia 3, Pennsylvania, son of Mr. and Mrs. Morris J. Escoll, was married to Miss Audrey Golden, daughter of Mr. and Mrs. Mark Golden, 150 Boulevard, Passaic, New Jersey, at the Ambassador Hotel, New York City, Sunday, October 25th, 1953, at 6:30 P.M. Our congratulations and best wishes to Dr. and Mrs. Escoll.

John T. Geneczko, M.D., 27 Marston, Detroit 2, Michigan, writes:

"Please note the above address as my permanent address. I left Evanston Hospital in Evanston, Illinois, and am presently Resident in Anesthesiology at the Henry Ford Hospital in Detroit, Michigan.

No news of note. I have a son, John Theodore, Jr., and a daughter, Carol Ann, born August 15, 1953. This makes me quite a family man."

Louis George Graff, III, M.D., has opened his office for general practice at 170 West Washington Street, Hagerstown, Maryland.

Dr. and Mrs. Graff and their sons, William and Louis, live at 827 Oak Hill Avenue.

John J. Perrige, M.D., left for Fort Sam Houston, Texas, to begin a tour as First Lieutenant in the United States Medical Corps.

Dr. Perrige is the son of Mayor and Mrs. Michael Perrige of Honesdale, Pennsylvania.

TO THE STUDENTS OF JEFFERSON

OUR MEDICAL COLLEGE WAS ESTABLISHED IN 1829 THROUGH THE VISION, INITIATIVE, AND GENEROSITY OF A SMALL GROUP OF PHYSICIANS. LOYAL ALUMNI AND FRIENDS HAVE SINCE CONTRIBUTED TO ITS SUPPORT AND TRADITIONS. THESE BENEFACTORS ASK NO RETURN SAVE THAT YOU MAKE THE MOST OF THE OPPORTUNITIES THEY HAVE HELPED TO PROVIDE, AND THAT YOU, AS FUTURE ALUMNI, CARRY ON THEIR FAITH IN YOU IN MEDICINE, AND IN JEFFERSON.

THE ALUMNI OF JEFFERSON

PUBLICATION COMMITTEE
