

INNOVATIVE COLLABORATIVE PRACTICE: A JOURNEY TO INTERINSTITUTIONAL TRANSFORMATION

Elissa Foster, PhD; Donna Kiel, EdD; Kay Thurn, PsyD, RN

What did you learn? . . . A few words from the participants . . .
 "Correcting, directing, empowering"
 "Being mindful of the way I talk to patients"

"Being ready to engage in difficult conversations"
 "Being more aware of emotions; both mine and the patients/families"
 "Increase team cohesion"
