

## CURRICULUM VITAE

Name: Kathryn M. Kash

Education: City University of New York–CUNY, New York, NY  
B.S. (Summa Cum Laude), Psychology, June 1974  
Minor in Nursing; Teaching Assistant in Statistics, 1974  
Graduate School and University Center–CUNY, New York, NY  
M.Phil., October 1986 (Psychology)  
Graduate School and University Center–CUNY, New York, NY  
Ph.D., May 1987 (Psychology)

Internship: Psychology Intern  
1982 – 1986 (Assistant Psychologist in Private Practice)  
Dr. Max Heinrich, Supervising Psychologist, Brooklyn, NY

Postdoctoral Training: Psychology Fellow  
1986 – 1988, Psychiatry Service, Department of Neurology  
Memorial Sloan-Kettering Cancer Center, New York, NY

Faculty Appointments: 1988-94 Clinical Assistant Attending Psychologist  
Psychiatry Service, Department of Neurology  
Memorial Hospital for Cancer and Allied Diseases, New York, NY  
1991-96 Instructor of Psychology in Psychiatry, Department of  
Psychiatry, The New York Hospital–Cornell University  
Medical Center, New York, NY  
1994-97 Assistant Attending Psychologist, Psychiatry Service,  
Department of Neurology  
Memorial Hospital for Cancer and Allied Diseases, New York, NY  
1999-2003 Assistant Professor of Psychiatry,  
Albert Einstein College of Medicine, Bronx, NY  
2003- Associate Professor, Department of Psychiatry and Human Behavior  
Thomas Jefferson University/Jefferson Medical College, Philadelphia  
2007- Associate Professor, Department of Health Policy  
Thomas Jefferson University/Jefferson Medical College, Philadelphia

Hospital Appointments: 1988-94 Assistant Research Psychologist  
Psychiatry Service, Department of Neurology  
Memorial Sloan-Kettering Cancer Center, New York, NY  
1991-99 Chief Psychologist / Director, Psychosocial Services, Psychosocial  
Services Department, Strang Cancer Prevention Center, New York, NY  
1994-97 Assistant Member  
Psychiatry Service, Department of Neurology  
Memorial Sloan-Kettering Cancer Center, New York, NY  
1999-2002 Director, Psychological Services, Cancer Center  
Beth Israel Medical Center, New York, NY  
2002-03 Supervising Psychologist, Department of Psychiatry  
Beth Israel Medical Center, New York, NY

Licensure: New York State Psychologist - #010370  
 New York State Registered Professional Nurse - #184883

Professional Societies: Academy of Psychosomatic Medicine (APM)  
 American Psychological Association (APA)  
 American Psychosocial Oncology Society (APOS)  
 American Society of Preventive Oncology (ASPO)  
 International Psycho-Oncology Society (IPOS)  
 Society of Behavioral Medicine (SBM)

Honors and Awards: 1974 With Highest Honors (Summa Cum Laude), B.S., Psychology  
 1995-97 Grant Reviewer, California Breast Cancer Research Program  
 1998 Dorfman Journal Paper Award from the Academy of Psychosomatic Medicine  
 1998 – present IRB at the Strang Cancer Prevention Center/Cornell Medical Center, New York, NY  
 2000 – present Scientific Committee Member for International Group on Psychosocial Aspects of Genetic Testing for Hereditary Cancer  
 2002 – 2006 Member, NIH Study Section – Behavioral Medicine: Intervention and Outcomes (BMIO)  
 2003 Member, New Investigator Award Committee for 6<sup>th</sup> World Congress of Psych-Oncology  
 2003 – 2007 Grant Reviewer, California Breast Cancer Research Program  
 2004 Ph.D. Alumni Special Achievement Award, Graduate School and University Center–CUNY, New York, NY  
 2004 – present Member, Program Expert Committee, National Cancer Institute’s Radiation Cancer Disparities Research Program (CDRP)  
 2005 Course Director, 9<sup>th</sup> International Meeting on the Psychosocial Aspects of Genetic Testing for Hereditary Cancer; June 9<sup>th</sup> – 10<sup>th</sup>, Philadelphia, PA, USA  
 2006 Canadian National Cancer Institute – Breast Cancer Research Program for Quality of Life in Survivors Grant Reviewer  
 2006 Member, DoD Breast Cancer Research Program Review Group  
 2006 – present Ad-hoc Reviewer, NIH Center for Scientific Review (CSR)

Teaching Responsibilities  
 2003 – present Teach Psycho-Oncology to psychiatry residents (PGY2s)  
 2005 – 2007 Supervising psychiatry residents (PGY3s) on research rotation in order to meet ACGME competencies  
 2005 – 2006 Teach Experiential Group course to psychiatry residents (PGY2s)  
 2006 – present Teach Introduction to Clinical Medicine (ICM-1) to first year medical students  
 2007 – Teach Experiential Group course to psychiatry residents (PGY2s)  
 2008 – Teach Health Services Research to students MPH program

Reviewer for the following Journals:

|   |   |
|---|---|
| American Journal of Medical Quality         | Journal of Clinical and Consulting Psychology |
| Annals of Behavioral Medicine               | Journal of Clinical Oncology                  |
| British Journal of Cancer                   | Journal of the National Cancer Institute      |
| Cancer Epidemiology Biomarkers & Prevention | Psycho-Oncology                               |
| Health Psychology                           | Psychosomatics                                |
| Journal of Applied Social Psychology        | Psychosomatic Medicine                        |

Grant Reviewer for the following International Agencies:

Cancer Research Campaign (CRC) of London, United Kingdom  
Dutch Cancer Society, Amsterdam, The Netherlands  
Medical Research Campaign (MRC) of London, United Kingdom  
National Cancer Institute of Canada

Office Address:

Kathryn M. Kash, Ph.D.  
Thomas Jefferson University/Jefferson Medical College  
Department of Health Policy  
1015 Walnut Street – Suite 115  
Philadelphia, PA 19107  
PH: 215-955-9549  
FAX: 215-923-7583  
Cell: 917-881-3421
